Accountants' Review Report

To the Board of Directors
California Foundation for Stronger Communities

We have reviewed the accompanying statement of financial position of California Foundation for Stronger Communities (a California non-profit organization) as of June 30, 2005 and the related statements of activities, functional expenses and cash flows for the period from February 17, 2004 (inception date) through June 30, 2005, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of California Foundation for Stronger Communities.

A review consists principally of inquiries of Organization personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

CALIFORNIA FOUNDATION FOR STRONGER COMMUNITIES

NOTES TO THE FINANCIAL STATEMENTS

June 30, 2005

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

California Foundation for Stronger Communities (the "Organization") was incorporated on February 17, 2004 as a California non-profit organization to assist and advise in the administration of the California Municipal Finance Authority ("CMFA"), a joint powers authority organized under the provisions of the Joint Exercise of Powers Act of the Government Code of the State of California and to provide financial grants or other financial support or benefits to nonprofit funds, foundations and corporations to strengthen and enhance charitable activities throughout the State of California.

The following is a summary of the significant accounting policies of the Organization.

Basis of presentation

The financial statements are presented on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Income Taxes

The Organization is a not-for-profit organization (other than a private foundation) that is exempt from income taxes under Section 501(c) (3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code.

Cash and Cash Equivalents

For purposes of reporting cash flows, cash and cash equivalents include cash on hand and in banks in addition to debt securities with original maturities of three months or less.

CALIFORNIA FOUNDATION FOR STRONGER COMMUNITIES

NOTES TO THE FINANCIAL STATEMENTS (Continued)

June 30, 2005

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Support revenues

The organization has adopted Statement of Financial Accounting Standards (SFAS) No. 116, *Accounting for Contributions Received and Contributions Made*, under which contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor - restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When restrictions expire, temporarily restricted net assets are reclassified to unrestricted net assets.

The Organization uses the allowance method to determine uncollectible support receivables. Management considers all of the Organization's receivables as fully collectible.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2: SUPPORT RECEIVABLE AND REVENUES

Revenues consists mainly of support grants from the CMFA, which shares and contributes 25% of its revenues to the Organization. These funds are used to fund local charities designated by the member communities of CMFA. At June 30, 2005 there was \$12,438 receivable from CMFA.
