VILLA PACIFICA II APARTMENTS SUMMARY AND RECOMMENDATIONS

Applicant: C&C Development Co., LLC

Action: Initial Resolution

Amount: \$13,000,000

Purpose: Finance Affordable Multi-Family Rental Housing Facility
Located in the City of Rancho Cucamonga, County of San
Bernardino, California

Activity: Affordable Housing

Meeting: July 15, 2016

Background:

C&C Development is a full service Real Estate Development Company with over 30 years of experience. C&C Development approaches every project with the long-term in mind. Through quality of design and construction, they are not only developing projects to be successful today, they are developing projects that will remain successful 10, 20, and 30 years into the future.

The principals and senior management staff of C&C Development take a hands-on approach to all aspects of the real estate development process: acquisition, entitlement, financing, construction, management, and ownership. The company is closely associated with many of the finest professional consultants in the business; architects, land planners, engineers, attorneys and accountants.

C&C works closely with City staff to effectively utilize and leverage available funds to meet affordable housing production requirements as well as to achieve redevelopment goals relating to neighborhoods and specific properties. C&C's wealth of experience in structuring complex project financing enables it to use a variety of funding sources including: tax exempt bonds, low-income housing tax credits, tax increment financing, as well as NSP, HOME, CDBG, HUD and conventional financing.

The Project:

OWENDALE MUTUAL HOUSING COMMUNITY APARTMENTS SUMMARY AND RECOMMENDATIONS

Applicant:	Mutual Housing California
Action:	Initial Resolution
Amount:	\$6,000,000
Purpose:	Finance Affordable Multi-Family Rental Housing Facility Located in the City of Davis, Yolo County, California
Activity:	Affordable Housing
Meeting:	July 15, 2016

Background:

Incorporated in 1988, Mutual Housing was formed as a partnership of neighborhood residents, business representatives, housing advocates, and local government dedicated to improving housing opportunities for lower income families. The Mutual Housing founders' major objective was to create a locally controlled nonprofit that would be a force for revitalizing low-income communities by strengthening neighborhood assets—both the housing and the neighborhood residents. By acquiring deteriorating multifamily structures, they envisioned that Mutual Housing could leverage private and public capital to renovate properties and turn them around into safe, affordable and well-functioning residential communities. Similarly, by attracting investment to construct new housing on vacant in-fill lots, Mutual Housing would add to the local supply of safe, affordable housing and eliminate the hazards often associated with vacant lots.

Mutual Housing owns and operates 1,071 homes in 19 multifamily communities. Some of the communities are designed and constructed by Mutual Housing on vacant in-fill lots; others are acquired and rehabilitated by Mutual Housing because they were deteriorated bank or HUD REOs and are a critical focus for neighborhood revitalization efforts. Mutual Housing staff organizers provide leadership development support to resident leaders who are active in increasing the participation of other residents. The goal of Mutual Housing organizing is to encourage the involvement of all residents in operating the specific sites, working in the community, and providing leadership in the organization. This involvement enables residents to work together to more effectively identify solutions and resources which will strengthen communities and build safe, healthy neighborhoods.

The Project:

The Owendale Mutual Housing Community Apartments is an existing 45-unit affordable multi-family housing development. The project was originally constructed by another developer in 2003. Because the project was poorly designed, constructed and financially structured, Mutual Housing took over ownership and management in 2008. The financing will address deferred maintenance, financially restructure the existing financing and as a result, ensure the property's long-term financial and physical sustainability. Units will be restricted to household earning incomes of 25%, 35%, 50% and 60% of Area Median Income. Five units will be reserved for developmentally disabled households and another five units will be reserved for homeless/ at risk of homeless households. This financing will preserve 44 units of affordable housing for households in the City of Davis for 55 years.

The City of Davis:

The City of Davis will need to become a member of the CMFA and will be asked to hold a TEFRA hearing. Upon closing, the City is expected to receive approximately \$2,500 as part of the CMFA's sharing of Issuance Fees.

PIERCE PARK APARTMENTS SUMMARY AND RECOMMENDATIONS

Applicant:	DeSola Development Associates, LLC
Action:	Final Resolution
Amount:	\$100,000,000
Purpose:	Finance Affordable Multi-Family Rental Housing Facility Located in the City of Los Angeles, Los Angeles County, California
Activity:	Affordable Housing
Meeting:	July 15, 2016

Background:

DeSola Development Associates, LLC (“DeSola”), is headquartered in Orange County California. They specialize solely in multifamily real property investment. DeSola adds value throughout the entire process of the acquisition, renovation, repositioning, management and disposition of existing apartment assets.

DeSola is experienced in navigating the complexities of affordable housing development and they are committed to creating long-term housing solutions in the cities and communities that they serve. They believe passionately in using their extensive experience and skills to create a positive impact in their communities and they take great pride in the quality of their developments, their ongoing commitment to community revitalization, and their extensive and collaborative partnership with financial and public sector entities.

DeSola actively seeks the challenges presented by tired, worn, mismanaged or underperforming assets in stable or improving locations that have the potential for solid, reliable cash flow and appreciation. Their expertise comes from years of experience in both up and down markets. DeSola’s principals collectively possess over 50 years of investment real estate experience.

The Project:

The Pierce Park Apartments is an acquisition/rehabilitation of a 430-unit, affordable multi-family housing development made up of ten 2-story buildings. The project was last renovated in 1999 using tax-exempt bonds issued by the California Statewide Communities Development and proceeds from the syndication of 4% LIHTC. The project’s units will all be restricted to

households making no more than 50% and 60% of Area Median Income with the exception of four market rate units that will be used as manager's units. In order to preserve Pierce Park Apartments, critical renovations will need to be addressed. Renovations will be done to improve energy efficiency and to meet sustainability goals and improve building performance. The scope of work will include upgrades to HVAC equipment. Interior improvements to the unit's kitchens, bathrooms and flooring will also be addressed. The project is located at 12700 Van Nuys Blvd., Los Angeles, California. This financing will continue to preserve 426 units of affordable housing in the City of Los Angeles for another 55 years.

The City of Los Angeles:

The City of Los Angeles is a member of the CMFA and held a TEFRA hearing on April 13, 2016. Upon closing, the City is expected to receive approximately \$25,583 as part of the CMFA's sharing of Issuance Fees.

The Project:

The Antelope Valley Apartments is a 121-unit acquisition/rehabilitation affordable multi-family housing property. The property is an existing apartment project that is currently occupied. Upon completion, one hundred (100%) percent of the rental units will be rent and income restricted. 24 units will be restricted at 50% Area Median Gross Income (AMGI) and 95 units will be restricted

at 60% AMGI. There will be two manager units. Construction is expected to begin around June 2016 and be complete by February 2017. The buildings are wood frame on concrete slab, stucco exterior walls and pitched roofs. The development amenities will include a playground, perimeter fence, laundry room, security patrol and on-site management. The project will include units with amenities including balcony/patio, air conditioning, range, refrigerator/freezer and garbage disposal. Community services and facilities are readily available in the surrounding area. These include public services such as fire stations, hospitals, police stations, and schools (all ages). The subject property is located in the Lancaster School District. Schools in the subject's immediate area are a mix of public and private, including: Joshua Elementary School, Sunnydale Elementary School, and El Dorado Elementary School. This financing will continue to preserve 121 units of affordable housing in the City of Lancaster for another 55 years.

LIFE'S GARDEN APARTMENTS SUMMARY AND RECOMMENDATIONS

Applicant:	Beacon Communities, Inc.
Action:	Final Resolution
Amount:	\$39,000,000
Purpose:	Finance Affordable Multi-Family Rental Housing Facilities Located in the City of Sunnyvale, Santa Clara County, California
Activity:	Affordable Housing
Meeting:	July 15, 2016

Background:

The Mission Statement for Beacon Communities is that they will “advocate for, develop and operate quality housing and services for the aging and other people with limited resources and/or disabilities, enabling them to thrive in a positive, affordable and supportive community”.

Because Beacon Communities seeks to enhance quality of life, seniors and others with limited resources and/or disabilities will have a safe place to live and access to services they need and deserve.

Older people and others with limited resources and/or disabilities should have the right to experience life to its fullest through self-determination. A caring community recognizes that people are individuals with changing needs and seeks innovative approaches that emphasize each person’s wholeness. Beacon’s services provide opportunities for personal growth, security, fulfillment and choice. Their heritage leads them to serve older people and others with limited resources and/or disabilities without regard to religious preference.

As a charitable corporation, Beacon Communities exists for and is responsible to the communities they serve. Their comprehensive programs go beyond the provision of services within their own communities and attempts to effect changes within society that lead toward a fuller life for all of us.

The Project:

The Life's Garden Apartments project is an acquisition/rehabilitation of a 208-unit affordable senior housing development. The retirement community offers studio and one-bedroom apartments with approximately 450-550 square feet per apartment. Ground floor units enjoy a small garden patio and most second floor units enjoy a view of the center courtyard gardens. All second floor units are accessible via elevator. Units are equipped with full kitchens, ceiling fans and double pane windows. Parking is available on-site and antenna, cable and internet hook-ups are available. The property has a large lounge, community room, and dining room. An outside party currently provides meals to residents. The property also has an exercise room, library, game room and beauty salon. Life's Garden has an on-site service coordinator with access to a variety of classes/ services on health and safety. The property has a 22 passenger bus for social outings and events. 195 of the units will be restricted to 50% and 60% of Area Median Income. There will be 11 market rate units and 2 manager's units. The project is located at 450 Old San Francisco Road, Sunnyvale, CA 94086. This financing will continue to provide 195 units of affordable housing for the City of Sunnyvale for the next 55 years.

The City of Sunnyvale:

OPEN DOOR COMMUNITY HEALTH CENTERS SUMMARY AND RECOMMENDATIONS

Applicant:	Open Door Community Health Centers
Action:	Final Resolution
Amount:	\$14,000,000
Purpose:	Finance Healthcare Facilities Located in the City of Fortuna, Humboldt County, California
Activity:	Healthcare Facilities
Meeting:	July 15, 2016

Background:

Open Door started as a single clinic in 1971. At that time there wasn't enough access to quality health care in Humboldt and the surrounding counties. The founders of Open Door Community Health Centers shared the vision of providing excellent health care and education to all members of the community.

Now, Open Door has 13 clinics, and 3 mobile clinics, spread throughout Humboldt and Del Norte counties, serving approximately 50,000 patients a year and employing over 500 members of the community. Open Door continually seeks to promote the development of a health care system which meets the needs and enhances the health to all members of our community.

Open Door Community Health Centers ("ODCHC") has been deemed a Federally Qualified Health Center since 1999 by the Bureau of Primary Health Care of the Health Resources and Services Administration of the US Department of Health and Human Services. Federally Qualified Health Centers (FQHCs) include all organizations receiving grants under Section 330 of the Public Health Service Act (PHS). FQHCs qualify for enhanced reimbursement from Medicare and Medicaid, as well as other benefits. FQHCs must serve an underserved area or population, offer a sliding fee scale, provide comprehensive services, have an ongoing quality assurance program, and have a governing board of directors.

The Project:

The proceeds of the bonds will be used to: (1) finance the acquisition, construction, improvement and equipping of an approximately 31,000 square foot community health center to be located at 3750 Rohnerville Road in the City of Fortuna, California; and (2) pay certain expenses incurred in connection with the issuance of the Bonds. The facilities are to be owned and operated by Open Door Community Health Centers.

City of Fortuna:

The City of Fortuna will need to become a member of the CMFA and is scheduled to hold a TEFRA on July 18, 2016. The City is expected to receive a total of approximately \$7,333 as part of the CMFA's sharing of Issuance Fees.

Proposed Financing:

Maturity:	August 2018
Collateral:	Deed of Trust, Credit Enhancement
Bond Purchasers:	Institutional & Retail Investors
Anticipated Rating:	Anticipated MIG-1, MIG-2
Estimated Closing:	August 2016

Public Benefit:

In September 2014, Open Door Community Health Centers absorbed two large private practices in Fortuna, California that were otherwise going out of business, leaving up to 15,000 active patients in the Eel River Valley without access to primary care. As part of this transition, community representatives asked that ODCHC seriously consider the construction of a new primary care facility to expand access, increase efficiencies and provide the comprehensive range of medical, behavioral, enabling and dental services for which ODCHC is known.

This new clinic will include 30 primary medical care exam rooms, consultation rooms, at least three behavioral health offices, support and educational group space, conference rooms, and, specific to this application for HRSA HIIP funds, 11 dental operatories to support primary dental care for children and adults, a dental residency program in cooperation with the University of California San Francisco and a dental hygienist. The design supports team-based care, patient-centered medical homes and the integration of medical, dental, behavioral and enabling services in a comprehensive and coordinated approach to care.

The building is being designed in keeping with environmentally sustainable practices, including the infrastructure to operate the dental clinic using solar power (modeled after a local practice designed by our consulting architect). Additional considerations for future development of the site include pediatric services and specialty medicine. It is a collaborative effort of the area's medical, economic and governmental planning resources.

In Humboldt County, ODCHC is the only provider of dental care for those who are uninsured or rely on Medicaid or Covered California insurance. ODCHC's primary dental site, Burre Dental Center in Eureka, despite a 2010 remodel which doubled its capacity, cannot meet the demand for services. There are no safety-net dental providers in the Eel River Valley. The connection between physical, mental and oral health is clear and critical; the inclusion of dental services can significantly enhance the Eel River Valley community's long-term health and health outcomes.

BROOKFIELD SCHOOL SUMMARY AND RECOMMENDATIONS

Applicant:	Riverside School
Action:	Final Resolution
Amount:	\$15,000,000
Purpose:	Finance Educational Facilities located in the City of Sacramento, Sacramento County, California
Activity:	Private School
Meeting:	July 15, 2016

Background:

The Pinnacle Schools is an affiliation of Private schools that serves Northern California. The affiliation is made up of Harwood Hills Country School, Early Learning Academy, Hilldale School and Brookfield School. Brookfield Schools has been a fixture in the Sacramento community since 1962. During this time, it has established itself as a leading institution of excellence for college preparatory education. The school has always been a private, tax-paying operation which has been owned by Pinnacle Schools Inc. since 2004. In order to expand the reach of the school into broader and more diverse socio-economic communities in the Sacramento area the owners have decided to convert the school to a non-profit. This conversion is being done through the creation of a new 501c3 non-profit corporation, Riverside school Inc. Riverside School Inc. will be doing business as Brookfield School in order to continue to legacy and goodwill established by Brookfield over the past five decades.

Their Philosophy: “Brookfield School is a thriving independent, co-educational, college preparatory school, serving children in Kindergarten through eighth grade. The school is best known for its rigorous accelerated curriculum and emphasis on character development. Brookfield’s primary purpose is to prepare our students to become independent thinkers, responsible citizens, and effective leaders.

To achieve this purpose, the curriculum is challenging and balanced, class sizes are small, and students are held to high academic and behavioral standards. Teachers are selected for their collegiality, professionalism, dedication to scholarship, and passion for teaching accelerated learners.

The Brookfield community is proud of our diversity. We emphasize respect and understanding of each other’s differences. We welcome students of all religious, ethnic, and social backgrounds.”

The Project:

The proceeds will be used to: a) finance the costs of acquiring, improving and equipping the school facilities located at approximately 6115 Riverside Boulevard in Sacramento, California and the costs of the acquisition and construction of an expansion, (b) fund a debt service reserve fund, and (c) pay the costs of issuance expenses.

The City of Sacramento:

The City of Sacramento is a member of the CMFA and is scheduled to hold a TEFRA hearing on July 19, 2016. Upon closing, the City is expected to receive approximately \$6,814 as part of CMFA's sharing of Issuance Fees.

Proposed Financing:

Terms of Transaction:

Amount:	\$15,000,000
Maturity:	August 2046
Collateral:	Deed of Trust
Bond Purchasers:	Limited Offering
Estimated Closing:	July 2016

Public Benefit:

Riverside School Inc. d.b.a. Brookfield School is a not for profit preschool through eighth grade school serving the needs of above average and gifted children in the greater Sacramento, CA area. For more than 50 years Brookfield School has excelled in delivering a challenging and rigorous curriculum for those children that have been fortunate enough to have the ability to reach higher than most other students and who need a significantly greater challenge than most other children in order to avoid being bored. The nature of most public schools is such that to meet the needs of the typical and also the neediest students results in the most capable students often being left to their own devices. All too often boredom and behavioral issues result from the lack of attention that this special population requires. These very talented children are the students that have a wonderful opportunity to become the future leaders of our communities, businesses, and government if provided with the attention, challenge, and motivation to reach their potential. Brookfield School has been growing as it moved into the recently developed completed campus.

With the opportunity to purchase the property and to further develop the school its continued grow in students served and employed staff, both professional non-credentialed.

PROPERTY ASSESSED CLEAN ENERGY (“PACE”) SUMMARY AND RECOMMENDATIONS

Action	Approve OnPACE Energy Solutions Program Administrator Agreement
Purpose:	Property Assessed Clean Energy (“PACE”)
Activity:	PACE Financing and Refinancing of Energy Efficiency, Water Efficiency, Renewable Energy Generation and Seismic Improvements
Meeting:	July 15, 2016

Background:

Property Assessed Clean Energy (“PACE”) programs help local economies and the environment by providing financing for energy and water efficient improvements and renewable energy systems. Communities with PACE programs have increased construction activity, created jobs, lowered utility bills and reduced greenhouse gas emissions. Property owners repay the financing through their property tax bill over the useful life of the installed products.

Discussion:

OnPACE Energy Solutions, LLC, and its affiliates, PACE Funding, LLC and Local Energy Exchange, LLC, provide energy saving solutions and financing. They are focused on helping companies and non-profits reduce and get control of their ongoing utility costs using solar building upgrades. OnPACE’s financing programs require zero up-front money and provide long term funding options that enable customers to begin saving on their energy costs day one. OnPACE only works with the best solar installation and maintenance providers to make sure that all of their systems are installed safely.

The Program Administrator Agreement has been reviewed by Jones Hall.

Public Benefit:

PACE programs encourage energy and water efficiency and diversifies energy sources, both of which reduce the impact on existing infrastructure. Furthermore, PACE programs provide property owners with a low cost alternative to financing major energy and water efficiency improvements and renewable energy retrofits. The program helps the economies of the communities we serve by creating new jobs and retaining existing jobs.

Recommendation:

The Executive Director recommends the CMFA Board of Directors approve OnPACE Energy Solutions, LLC and Affiliates Program Administrator Agreement with the CMFA.

PROPERTY ASSESSED CLEAN ENERGY (“PACE”) SUMMARY AND RECOMMENDATIONS

Action	Resolution Approving Agreement for Compensation to County of Tulare for Collection of Special Assessments
Purpose:	Property Assessed Clean Energy (“PACE”)
Activity:	PACE Financing and Refinancing of Energy Efficiency, Water Efficiency, Renewable Energy Generation and Seismic Improvements
Meeting:	July 15, 2016

Background:

Property Assessed Clean Energy (“PACE”) programs help local economies and the environment by providing financing for energy and water efficient improvements and renewable energy systems. Communities with PACE programs have increased construction activity, created jobs, lowered utility bills and reduced greenhouse gas emissions. Property owners repay the financing through their property tax bill over the useful life of the installed products.

Discussion:

PACE property tax assessments are included in the semi-annual tax bill processed by the property owner’s county. The County of Tulare requires all special districts requesting property tax collections being processed by the county to enter into an Agreement for Compensation to County of Tulare for Collection of Special Assessments that has been approved by the Board of the special district. The CMFA will be indemnified by each of the program administrators wishing to operate in the County of Tulare.

The Agreement has been reviewed by Jones Hall.

Public Benefit:

PACE programs encourage energy and water efficiency and diversifies energy sources, both of which reduce the impact on existing infrastructure. Furthermore, PACE programs provide property owners with a low cost alternative to financing major energy and water efficiency improvements and renewable energy retrofits. The program helps the economies of the communities we serve by creating new jobs and retaining existing jobs.

Recommendation:

CHARITABLE GRANT GUIDELINES

Recipient: Board Members of the California Foundation for Stronger Communities

Purpose: To Provide an Outline of Charitable Grant Guidelines

CHARITABLE GUIDELINES:

1. Ensure charitable donations are directed towards organizations that:
 - a. Are in California communities.
 - b. Find it difficult to receive funding through other sources.
 - c. Have not received a charitable donation in the last year. This is not meant to include those organizations that have enjoyed a fee reduction through a CMFA financing.
 - d. Do not require compliance monitoring by the CMFA or CFSC.
 - e. Are not in a category listed below:
 - i. Individuals, including individual scholarship or fellowship assistance
 - ii. For-profit entities, including start-up businesses
 - iii. Political, labor, religious, or fraternal activities
 - iv. Endowments
 - v. Film or video projects, including documentaries
 - vi. Travel, including student trips or tours
 - vii. Promotional merchandise
 - viii. Organizations other than IRS 501(c)(3), 501(c)(6), governmental, or tribal entities
2. A staff report must be provided to the Board at least 24 hours before donations are recommended or approved. Funds will not be dispersed on a cash advance basis.
3. Coordinate donation with municipal staff, elected officials, recipient and press to ensure everyone on the team benefits from our partnership and unique give back. Furthermore, the widest dissemination of the donation will further the goals of the CMFA, and provide the greatest chance for leveraging these funds by inducing other donations.
4. Suggested categories the CMFA through the CFSC could direct funds are:
 - a. Health Care
 - b. Education
 - c. Human Services
 - d. Affordable Housing
 - e. Cultural
 - f. Targeted Populations: Youth, Seniors, Low/Moderate Income Individuals
5. Staff will distribute and process all charitable grants.
6. Charitable grants are not intended to supplant governmental funds.

Mission:

They are a small non-profit in Sacramento that delivers clothing, blankets, bikes, toiletries, books and toys to needy children and teens in Sacramento, Yolo, and Placer counties. At Christmas volunteers make stockings and gather gifts to distribute to local low-income schools in the region. For many of the kids their stocking and gift will be the only present they receive. Last year over 3,000 kids were served. The non-profit keeps their overhead low and 100% of all donations go back into the community.

Mission:

Our target population is children, ages seven to fifteen, of incarcerated parents. There are over 70,000 of these victims in Southern California, and statistics show that these children are five times more likely to end up in prison (The Barna Research Group).

The founding family chose to serve this population because of a child's cry to God in a Sunday school classroom for his Daddy that was taken away to prison. Sunday school teacher Sophia Pirelli shared with her family how this little boy touched her heart! That day the Lord put a desire and passion in the hearts of the family to serve and minister to these vulnerable children, and at that point the family chose to dedicate the family ranch to these high-risk forgotten hurting and needy victims.

Impact:

A donation would assist the organization in the furtherance of their mission.

Mission:

The vision of CCEF is to ensure that there are adequate resources to deliver a high-quality education to every child in California. CCEF's mission is to enable all local education foundations to have the knowledge, capacity, and resources to effectively support education in their communities. Improve the capacity of local education foundations to effect positive community engagement, resource development, and educational outcomes for every student in California's public schools. Be the trusted voice for all local education foundations in California by advocating for statewide awareness and policies that better support the work they do. Promote leading practices and standards for nonprofit organizations by being an efficient, ethical, and effective statewide coalition and by sharing best practices among local education foundations. Increase sustainable revenue from diversified sources to build our own capacity to deliver services and support the crucial work we do on behalf of local education foundations.

List Date 7/15/2016

Mission:

Our Mission is to help prevent drug abuse, gangs, violence and juvenile delinquency in Contra Costa County by providing athletic, educational, and other programs for at-risk youth.

We are a 501c3 organization incorporated on 31 October 1995. Currently all of our work is done by volunteers. Our first fundraiser was the 1998 California Police Summer Games. We hosted more than 5,000 California law enforcement officers in over 50 different sports between 21-27 June, 1998. Now we have an annual Golf tournament and a run that raises some of the funds for our programs. For the past two years we've teamed up with the Oakland Raiders to raise money for our mentoring efforts. In 2007 we added the Kops For Kids Run/Walk of 1 Mile, 5K, and 10K. This was on the Iron Horse Trail in Concord. This year it will be on Saturday, 21 May 2011. It will be a great warm-up for the Bay to Breakers Race on Sunday, 22 May 2011.

Mission:

When we fail to provide for the education of the next generation, we fail our community. There are sparks of incredible education models throughout San Diego, but too often they remain isolated in their original school or region, or falter before they begin. Launched in October 2013, The Education Synergy Alliance (ESA) is a group of educators, business leaders, community members and innovators charged with scaling the isolated successes in our region.

Our goal is lasting system change, not short-term fixes. We believe we can make this happen by connecting change agents in the community to the partners, ideas and information they need to ensure these initiatives succeed. However, we do not implement programs. We believe the schools and their non-profit partners do it best.

Mission:

The Lead Center for the Orange County/Inland Empire SBDC, hosted by California State University, Fullerton awarded the Orange County Hispanic Chamber of Commerce as the new host for the Hispanic Small Business Development Center (SBDC) in Orange County. "CSUF is proud to name the Orange County Hispanic Chamber of Commerce as the Hispanic Serving Small Business Development Center for Orange County. As a long standing 'Hispanic Serving Institution' (HSI), CSUF has maintained a commitment to serving and enhancing the contributions of the fastest growing population of students, entrepreneurs, and future leaders. This program will serve as the first of its kind in Southern California and as a model for the rest of the nation." stated Dr. Anil Puri, the Dean of the Mihaylo College of Business & Economics at CSUF.

Impact:

This program will provide valuable technical assistance to the small business community. A donation would assist in the program

Mission:

The ICA Board, in conjunction and in coordination with its legislative consultant, review every single bill and budget proposal that might have impact to the Association. Once items of import have been identified the Board will take action on a limited number of proposals to engage and educate policy makers on the cost/benefit of a proposed item. Because the ICA chooses to actively engage on a select amount of items per year, the Association’s track record for success is quite exceptional. Instead of diluting our voice by engaging hundreds of bills, the ICA will target specific items and work hard to achieve an outcome in the best interest of its members.

FEIN 33-0959380 Founded: 1995

Previous Donation: Yes No \$5,000 11/18/2011 List Date 5/20/2016

Mission:

The Kennedy Commission is a collaborative of community members that advocates for the production of homes for Orange County families earning less than \$20,000 annually. We strive to develop solutions to housing needs, affirm the dignity of families with low and extremely low-incomes and to unite communities across Orange County to support the development of homes that are affordable to all residents.

The Kennedy Commission originally convened in 1995 as an all-volunteer organization. Formally incorporated in 1999, the Kennedy Commission was named in memory of Orange County resident Ralph Kennedy, a pioneer of affordable homes and human rights advocacy. Through our extensive network, the Kennedy Commission works at the local, state, and federal levels to provide education on housing needs and to help create public policy that results in the production of homes that are affordable to those earning less than \$10.00 per hour.

Mission:

The Food Bank, founded in 1973, provides food and other products to people seeking food assistance throughout Los Angeles County. We also energize the community to get involved and support hunger relief through volunteerism, food and fund drives, financial and in-kind support. The Food Bank also conducts hunger education and awareness campaigns and advocates for public policies that alleviate hunger. With the help of 31,000 volunteers and financial supporters, the Food Bank distributed over 60 million pounds of food in 2011 including 14 million pounds of fresh produce. We serve over 1 million individuals throughout Los Angeles County each year. The Food Bank also has nutrition education classes for local schools. Additionally, we make every effort to educate the public about the problem of hunger

Mission:

OneOC was founded in 1958 as Newport Bureau of Volunteerism, the very first community service project of the Junior League of Orange County. Newport Bureau of Volunteerism then became the Volunteer Center Orange County. In 2010, the organization rebranded to become OneOC, signaling our expanded services to nonprofits across the county. Since our early beginnings, we have developed ways for people to best use their valuable time and talent to help others. OneOC holds a 57-year track record of encouraging people to become personally involved in making our community a good and welcoming place to live, work, and raise a family. We have grown and matured into the largest and most comprehensive of the 250 volunteer centers nationwide, partnering with Points of Light Institute, HandsOn Network and California Volunteers. In 2015, OneOC launched the Center for Business & Community Partnerships, which helps companies build and grow their giving and employee volunteering programs.

Mission:

Project Angel Food's mission is to nourish people debilitated by critical illnesses. We believe they should not also suffer the ravages of hunger and malnutrition, which can lead to catastrophic deterioration in their already fragile health.

We operate with the knowledge that food is medicine so we medically tailor our recipes and design our freshly-cooked meals to offer optimum benefits: overall improved health, efficacy of vital medications, prevention of secondary illnesses, optimum body weight and more.

Our client services and nutrition services teams assist clients in accessing other health resources and help them better understand the positive impact of healthy eating in their fight against disease and their overall life. We also provide a friendly ear during one of the most challenging experiences possible.

Brain Treatment Center: We explore the concept that the brain can be treated by physical means that are not chemical. We believe that with the exploration of the relationship between cognition and neural activity, an innovative and informed approach to non-invasive neuromodulation is possible. Our dedicated team of neuroscientists and physicians believe in delivering individualized, cutting-edge brain stimulation in order to achieve better outcomes for people with various neurological issues. Our evidence-based methodology is unique because we focus on the physiology of the brain. We are able to map and reveal areas of the neuronal networks in the brain that aren't communicating properly. As a result, we're able to take a personalized and targeted approach based on your brain rhythm, encouraging your brain to work at optimum frequency. Our goal is to empower minds.
