SIMONE APARTMENTS SUMMARY AND RECOMMENDATIONS

Applicant:	The Skid Row Housing Trust
Action:	Final Resolution
Amount:	\$14,500,000
Purpose:	Finance Affordable Multi-Family Rental Housing Facility Located in the City of Los Angeles, Los Angeles County, California
Activity:	Affordable Housing
Meeting:	November 18, 2016

Background:

In 1989, community activists and business leaders of Los Angeles' downtown community responded to an alarming disappearance of affordable, permanent housing by coming together to create Skid Row Housing Trust (the "Trust"). The Trust swiftly mobilized private equity through low income tax credits, public finance and conventional debt to salvage hundreds of housing apartments that would have been otherwise lost.

Dilapidated hotels were renovated and transformed into safe, attractive and affordable permanent housing in which low-income and formerly homeless men and women could live and thrive.

Over the past twenty-five years the Trust has refined its homes to provide not just housing but a supportive community as well. The Trust has increasingly targeted its homes to long-term homeless and disabled men and women, with an emphasis on co-locating housing and services together. By providing an integrated approach to housing, primary healthcare, mental health treatment, substance abuse treatment, and counseling, the Trust provides many of the tools needed to overcome the causes of homelessness.

The combination of beautifully designed, high quality housing, professional property management, and an innovative social service provision has made Skid Row Housing Trust the national leader in ending homelessness.

The Project:

The Simone Apartments is an acquisition/rehabilitation of an existing 114-unit affordable multi-family rental development located at 520 S. San Julian Street, Los Angeles, California. The project involves the refinance of existing public debt with 4% Low Income Housing Tax Credits and tax-exempt bonds. Renovations include retrofitting of major building systems to increase the physical lifetime and energy efficiency of each building and increase the financial sustainability of the project. The project will be made up of studio apartments serving formerly homeless households making 30%, 40%, 50% and 60% or less of Area Median Income. Amenities include, community kitchens and lounges on the 1st and 4th floors, as well as laundry rooms and a courtyard. This financing will help preserve 113 units of high quality, affordable housing for households in the City of Los Angeles for the next 55 years.

AVID CENTER PROJECT SUMMARY AND RECOMMENDATIONS

Applicant:	“AVID” Advancement Via Individual Determination
Action:	Final Resolution
Amount:	\$30,000,000
Purpose:	Finance Facilities for AVID located in the City of San Diego, San Diego County, California.
Activity:	Educational Headquarters Facilities
Meeting:	November 18, 2016

Background:

AVID, Advancement Via Individual Determination, is a non-profit, proven college readiness system that closes the achievement gap by accelerating the performance of underrepresented students so that these students, and all students across a campus may succeed in college, career and life. AVID impacts over a million students in grades K–12 and in 43 post-secondary institutions, and is implemented in almost 5,000 schools in 44 states, D.C., and 16 countries and territories

When Mary Catherine Swanson began AVID in 1980, she relied on her fourteen years of teaching experience and research to develop each aspect that was incorporated into the program. Through research and collaboration with postsecondary faculty, she found the important skills necessary for a student to be successful at the postsecondary level. The Cornell note-taking technique, the strong emphasis on academic reading and writing skills, and student collaboration all came from the diligent research of Mary Catherine and her team of teachers and professors.

Mary Catherine Swanson started working as a high school English teacher in 1966, teaching remedial to advanced English classes and began teaching at Clairemont High School in San Diego in 1970. In 1974, she and two fellow English teachers developed an academically rigorous English elective course called “Project English” that included academic rigor and an individualized approach to each student’s unique interests. In 1977 Mary Catherine completed her Master’s thesis in education. In her thesis she identified the key components of a program that could help all students succeed in rigorous English classes. These components form the foundation of AVID, including its philosophy, practices, and curriculum and include:

1. A non-traditional classroom setting meeting the academic and emotional needs of individual students
2. The teacher as advisor/counselor/student advocate

3. An emphasis on objective data
4. The student at the center of decision-making regarding educational goals
5. A student contract outlining willingness to work and setting learning goals
6. Student support from teachers and skilled, trained tutors
7. A curriculum emphasizing academic reading and writing
8. Reliance on the Socratic process.

The Project:

The proceeds of the Obligations will be loaned to AVID Center, a California nonprofit public benefit corporation and an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986 (the “Borrower”) in order to: (1) finance the acquisition of a 92,463 square foot headquarters and office building located at 9797 Aero Drive, San Diego, CA 92123; (2) finance capital improvements and fixtures, furniture and equipment for said facility and (3) pay certain expenses incurred in connection with the issuance of the Obligations. The financed facilities will be owned and operated by the Borrower.

The County of San Diego:

The County of San Diego is a member of the CMFA and held a TEFRA hearing on November 15, 2016. Upon closing, the County is expected to receive \$8,996 as part of the CMFA’s sharing of Issuance Fees.

DEBT MANAGEMENT POLICY SUMMARY AND RECOMMENDATIONS

Presenter: Ron Lee

Subject: Debt Management Policy

Action: Approve

Meeting: November 18, 2016

Background:

In September 2016, the Legislature passed and the Governor signed Senate Bill 1029 which amends Section 8855 of the California Government Code. Among other things, the changes in law require municipal bond issuers in California, including joint exercise of powers authorities like CMFA, to (1) adopt, by January 1, 2017, debt management policies covering certain topics, and (2) file annual reports with the California Debt and Investment Advisory Commission for each bond issue issued after January 1, 2017 which remains outstanding.

Counsel to CMFA has prepared a proposed Debt Management Policy meeting the requirements of SB 1029.

Requested Action:

Approve the proposed Debt Management Policy distributed to the Board prior to the meeting.

Alternatives:

The Board can request changes to the proposed Debt Management Policy and approve the revised policy at this meeting. Alternatively, the Board can take the matter under advisement, provide comments to staff, and approve a revised Debt Management Policy at the December 9, 2016, meeting.

The Board can also decline to adopt a new debt management policy by year end. Failure to adopt, by January 1, 2017, a Debt Management Policy meeting the requirements of SB 1029, could result in CMFA being forced to suspend its bond issuance policies until an SB 1029-compliant policy is adopted.

Recommendation:

Legal counsel to CMFA recommends the approval of the proposed Debt Management Policy distributed to the Board prior to the meeting.

PROFESSIONAL SERVICES CONTRACT SUMMARY AND RECOMMENDATIONS

Presenter: Ed Becker

Subject: Professional Services Contract

Action: Renewal

Meeting: November 18, 2016

Background:

CMFA entered into its current contract for professional, advisory and administrative services on July 1, 2013 after a request for proposals process. It expires on January 24, 2017. On August 5, 2016, the Board of Directors directed staff to undertake a new request for proposals process, and approved the request for proposals on September 16, 2016, including publication and posting of the request for proposals. On October 28, 2016, after concluding the request for proposals process, the Board of Directors elected to retain Sierra Management Group, LLC, as its professional, advisory and administrative services consultant for a new three-year contract on the terms set forth in their proposal, and directed staff to negotiate and prepare such contract.

Requested Action:

Approve a new contract with Sierra Management Group, LLC, for an additional three-year period on the terms set forth in the proposed contract distributed to the Board prior to the meeting.

Alternatives:

The board can direct staff to undertake a new request for proposals process with or without interviews. This process will likely take 6-8 weeks minimum, maybe longer.

The board can also direct staff to negotiate a new contract with Sierra Management Group, LLC on different terms.

Recommendation:

The Executive Director recommends the approval a new professional, advisory and administrative services contract for an additional three years on the terms set forth in the proposed agreement distributed to the Board prior to the meeting.

Mission:

Our target population is children, ages seven to fifteen, of incarcerated parents. There are over 70,000 of these victims in Southern California, and statistics show that these children are five times more likely to end up in prison (The Barna Research Group).

The founding family chose to serve this population because of a child's cry to God in a Sunday school classroom for his Daddy that was taken away to prison. Sunday school teacher Sophia Pirelli shared with her family how this little boy touched her heart! That day the Lord put a desire and passion in the hearts of the family to serve and minister to these vulnerable children, and at that point the family chose to dedicate the family ranch to these high-risk forgotten hurting and needy victims.

Once items of import have been identified the Board will take action on a limited number of proposals to engage and educate policy makers on the cost/benefit of a proposed item. Because the ICA chooses to actively engage on a select amount of items per year, the Association’s track record for success is quite exceptional. Mission:

Since 1971, South Bay Community Services (SBCS) has developed programs on the belief that family struggles do not remain isolated - families as a whole are affected as well as the communities in which they live. That's why it made perfect sense for SBCS and its collaborative partners to bring the Promise to Chula Vista - a city long recognized as a city of partnerships. Together with SBCS, CVPromise Partners developed an impressive plan for a holistic and seamless continuum of 'cradle to career' solutions to provide a clear and viable pathway to college and career success.

PROFESSIONAL SERVICES CONTRACT SUMMARY AND RECOMMENDATIONS

Presenter: Ed Becker

Subject: Professional Services Contract

Action: Renewal

Meeting: November 18, 2016

Background:

CMFA entered into its current contract for professional, advisory and administrative services on July 1, 2013 after a request for proposals process. It expires on January 24, 2017. On August 5, 2016, the Board of Directors directed staff to undertake a new request for proposals process, and approved the request for proposals on September 16, 2016, including publication and posting of the request for proposals. On October 28, 2016, after concluding the request for proposals process, the Board of Directors elected to retain Sierra Management Group, LLC, as its professional, advisory and administrative services consultant for a new three-year contract on the terms set forth in their proposal, and directed staff to negotiate and prepare such contract.

Requested Action:

Approve a new contract with Sierra Management Group, LLC, for an additional three-year period on the terms set forth in the proposed contract distributed to the Board prior to the meeting.

Alternatives:

The board can direct staff to undertake a new request for proposals process with or without interviews. This process will likely take 6-8 weeks minimum, maybe longer.

The board can also direct staff to negotiate a new contract with Sierra Management Group, LLC on different terms.

Recommendation:

The Executive Director recommends the approval a new professional, advisory and administrative services contract for an additional three years on the terms set forth in the proposed agreement distributed to the Board prior to the meeting.
