Action: Pursuant to the by-laws and procedures of CMFA, each meeting starts with the call to order and roll call (A1) and proceeds to a review and approval of the minutes from the prior meeting (A2). PROPERTY ASSESSED CLEAN ENERGY ("PACE")
SUMMARY AND RECOMMENDATIONS

Action	Approve Commercial PACE Bond Counsel Services Letter Agreement Between the CMFA, OnPACE Energy Solutions and Jones Hall
Purpose:	Property Assessed Clean Energy ("PACE")
Activity:	PACE Financing and Refinancing of Energy Efficiency, Water Efficiency, Renewable Energy Generation and Seismic Improvements
Meeting:	February 3, 2017

Background:

Property assessed clean energy ("PACE") programs enable an unprecedented range of property owners to access energy efficiency, renewable energy, water efficiency and seismic measures that improve the financial, functional, life-safety and environmental aspects of property ownership. Without PACE many property owners would have no, or costly, access to such benefits.

CMFA established a PACE Program to provide financing for the installation of PACE improvements across the State of California for the public purposes identified by the California Legislature.

Discussion:

OnPACE Energy Solutions, LLC ("OnPACE") was admitted to the CMFA's Open PACE program on July 15, 2016 as a commercial PACE ("C-PACE") administrator. The CMFA allows its program administrators to select their Bond Counsel subject to CMFA approval.

OnPACE has selected Jones Hall, A Professional Law Corporation ("Jones Hall") to serve as Bond Counsel for their C-PACE program. Jones Hall is one of a few firms offering Bond Counsel services for C-PACE programs.

Public Benefit:

PACE programs encourage energy and water efficiency and diversifies energy sources, both of which reduce the impact on existing infrastructure. PACE programs further encourage seismic strengthening improvements, which increase the safe use of property. PACE programs provide property owners with a low cost alternative to financing these improvements, thereby advancing the underlying public purposes. The program helps the economies of the communities we serve by creating new jobs and retaining existing jobs.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors approve the commercial PACE Bond Counsel services letter agreement.

VALENTINE COURT APARTMENTS
SUMMARY AND RECOMMENDATIONS

Applicant:	Peoples' Self- Help Housing Corporation
Action:	Final Resolution
Amount:	$5,779,953
Purpose:	Finance Affordable Multifamily Rental Housing Facility Located in the City of Santa Maria, County of Santa Barbara, California
Activity:	Affordable Housing
Meeting:	February 3, 2017

Background:

The Mission of Peoples' Self-Help Housing is to provide affordable housing and programs leading to self-sufficiency for low-income families, seniors and other special needs groups on California's Central Coast.

Peoples' Self-Help Housing ("PSHH") is a national award-winning non-profit organization that creates affordable housing and self-sufficiency programs on California's Central Coast; San Luis Obispo, Santa Barbara, and Ventura Counties.

In 1970 in San Luis Obispo, California, a small group of people and local community leaders were concerned about the lack of affordable housing available to low-income and special needs households. The group learned of a federally sponsored program available to non-profit sponsors to finance the construction of owner built low-income housing. The group incorporated to form Peoples' Self-Help Housing. Since then, the organization has built over 1,100 "sweat equity" and nearly 1,400 affordable rental units. They operate 30 affordable housing complexes in San Luis Obispo, Santa Barbara and Ventura counties. PSHH has helped over 1,150 first time home buyers build and purchase their first home (residents contribute over 2,000 hours of 'sweat equity' in building their home).

The Project:

The Valentine Court Apartments is an Acquisition/Rehabilitation of an existing 35-unit apartment property for multifamily renters. The project involves the refinance of an existing HUD 202 project with 4% Low Income Housing Tax Credits and tax-exempt bonds. The rehabilitation will include photovoltaic and solar hot water installation, accessibility and security system upgrades, and unit and community space renovations. The project will be made up of studio and one bedroom apartments for families making 50% or less of Area Median Income. The project is located at 280 E. Newlove, City of Santa Maria, County of Santa Barbara, CA. The rehabilitation will ensure long-term financial sustainability and extend the useful life of the building, and will also extend the HUD use agreement and ensure long-term affordability for residents. DELEGATION OF CERTAIN AUTHORITY RELATING TO FEE SCHEDULE AND LOCAL JOINT POWERS AUTHORITIES SUMMARY AND RECOMMENDATIONS

Action:	Discuss and Approve Delegation of Certain Authority Relating to Fee Schedule and Local Joint Powers Authorities
Purpose:	Delegate Authority to Take Certain Actions with Respect to Fee Schedule and Local Joint Powers Authorities
Meeting:	February 3, 2017

Background:

From time to time, a borrower may request the Authority to undertake a transaction or which the standard Authority fee schedule is not appropriate under the circumstances due to the level of staff time and effort required by the Authority, the level of legal or economic risk to be accepted by the Authority, or other reasons. Typically, the situation involves a borrower wishing to make a minor amendment or reissuance for which the standard fees would be excessive, but it could involve unusual or novel transactions, or other situations where the standard fees are inappropriately high or inappropriately low. In such cases, it may be appropriate and more efficient for a single Board Member or the Executive Director to modify or supplement the standard fee schedule to make the fees more appropriate under the circumstances.

From time to time the Authority also enters into joint exercise of powers agreements ("Local Agreements") with another local agency (each, a "Local Agency") to create a joint exercise of powers authority under the Law (each, a "Local JPA") for the purpose of issuing Obligations to finance Projects for such Local Agency. The Local JPA is typically controlled by the Local Agency but each Local Agreement requires the Local JPA to obtain the written approval of the Authority (each, an "Approval") in each instance that it proposes to issue Obligations to finance or refinance a Project, in order to prevent the Authority from being associated with any transaction deemed to have unacceptable risks or otherwise to be inadvisable or against the best interests of the Authority or any of its members. In such cases, it may be appropriate and more efficient for a single Board Member or the Executive Director to grant such Approvals.

Proposed Action:

The adoption of the proposed resolution would grant continuing authority to any single member of the Board or the Executive Director to modify or supplement the Fee Schedule as they may deem appropriate under the circumstances. It would also grant continuing authority to any single member of the Board or the Executive Director to approve the issuance of Obligations by Local

JPAs, as they deem appropriate under the circumstances. In each case, the Board Member or Executive Director would report any exercise of such authority to the full Board at the next regular meeting. The authority granted in this resolution could be rescinded in the future by the Board.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors approve the subject resolution delegating the aforesaid authority.

The ICA Board, in conjunction and in coordination with its legislative consultant, review every single bill and budget proposal that might have impact to the Association. Once items of import have been identified the Board will take action on a limited number of proposals to engage and educate policy makers on the cost/benefit of a proposed item. Because the ICA chooses to actively engage on a select amount of items per year, the Association's track record for success is quite exceptional. Instead of diluting our voice by engaging hundreds of bills, the ICA will target specific items and work hard to achieve an outcome in the best interest of its members.

We take donated computer equipment, train volunteers to refurbish computers and provide these low-cost, complete computer systems to in-need residents of Monterey, San Benito, and Santa Cruz counties.
Our hope is to keep seniors, students, and the disabled connected to the resources, opportunities, and community through technology. We believe that by providing a low-income family or individual with a ready-to-use computer can help them achieve their goals of job searching, career advancement, education, or life improvement
