1296 SHOTWELL SENIOR HOUSING APARTMENTS SUMMARY AND RECOMMENDATIONS

Applicant:	Chinatown Community Development Center
Action:	Final Resolution
Amount:	\$40,000,000

Chinatown Community Development Center believes in a comprehensive vision of community, a quality environment, a healthy neighborhood economy, and active voluntary associations. They are committed to the empowerment of low-income residents, diversity and coalition building, and social and economic justice.

The Project:

The 1296 Shotwell Senior Housing Apartments project is a new construction of a 94-unit affordable housing development for seniors, with 20% of the units allocated specifically for formerly homeless seniors. Mission:

A Step Beyond was founded by a team of dedicated individuals on our Board of Directors. The journey to realizing a program of this scope began with a partnership for space at The California Center for the Arts in Escondido. From here A Step Beyond was able to launch Fall into Dance in which over 2,000 students from Escondido, San Marcos, and Vista elementary schools participated in a five day dance outreach program. This program led to the recruitment of an inaugural class of 35 third and fourth graders in October, 2014. Our Artistic Director, Jennifer Oliver, was hired in 2015 bringing with her the experience and expertise as an artist and educator to enrich and fully develop the vision of our program. Each year an additional grade will be added, until the program is serving 30-35 students at each grade level, with an anticipated maximum enrollment of over 300 students. A Step Beyond expects to achieve the full spectrum of grades (3-12) by fall 2022.

We believe our own history of military and veteran related service and proven commitment to others every day gives those simple, eight words the most effective and resourceful meaning imaginable. Through our Us for Warriors supporting programs, helping hand deeds, inspiring events and advocacy, we believe that the key to making lives of fellow veterans better is to focus on the "whole veteran" and find ways to engage a community to fill the gaps and make a difference to enrich the lives of veterans and their families. Everything we do helps veterans and their families. The footprint we leave behind is not just imprints from strong boots, but also strong lives.

Mission:

The Anova Center for Education, Sonoma County's only nonprofit school for children living with autism was demolished by the wildfires that are ravaging Northern California. Thankfully, none of the school's students were injured in the fire, but the blaze now leaves 120 students ranging from 5 to 22 years old without a school.

All donations will go toward rebuilding our K-12 classrooms, transition program, occupational therapy equipment, and many other specialized needs of our students. We are more than just a school, we offer an environment where our students can thrive academically, socially, and emotionally. In addition to losing our entire campus and all of its contents, we spent two years raising \$75,000 for a playground structure that was delivered a few days before the fire and burned to the ground in a box.

Mission:

Our hearts are hurting with our neighbors in Northern California. The wildfires have claimed at least 29 lives as of October 12th, affected over 170,000 acres of land, destroyed at least 3,500 buildings, and have forced 20,000 people out of their homes. The devastation is unprecedented.

At the Latino Community Foundation, we are raising funds to support three local Latino nonprofit organizations –North Bay Organizing Project, in Santa Rosa; La Luz Center, in Sonoma; and UpValley Family Centers in Calistoga– that are working to support families, farmworker communities, and are coordinating regional resources for immediate and long-term needs.

Impact:

A donation would be restricted to the Fire Relief Fund
