Mission:

In 1994 community leaders and concerned citizens identified a need to improve the life of children and seniors throughout the city of Fairfield, California. They formed the Fairfield Community Services Foundation as a public-benefit organization with a mission to provide financial and volunteer support for Fairfield's parks, recreation activities, the arts and community services.

To meet a growing need for youth programs in the most isolated parts of Fairfield, in 2005 the FCSF forged a public/private partnership with the City of Fairfield's Parks & Recreation Department to create the award winning Fun on the Run (FOTR) mobile recreation program that brings youth development programs including physical sports, hands-on nutrition education, team building and educational activities directly into Fairfield's low income neighborhoods.

Mission:

Our initial fundraising effort is to raise money for short-term, emergency cash grants to be distributed to residents who have suffered losses in the fire. The intent is to provide some cash for basic needs as people move to get back on their feet.

United Way is not yet able to determine the size of these grants, as it will depend on the amount we are able to raise and the ultimate scope of need. Experience in other situations suggests possible range of between \$500 and \$1,500 per household. We are establishing an application process that ensures responsibility and integrity, while still being as minimally burdensome as possible. Decisions on applications will be made by a panel including community members. We are aiming for an announcement with details within a few days and hope to begin distribution of funds as soon as possible.
