Speakers will include Eden Housing leaders, community activists, and nationally recognized housing and community development experts.

More than 400 attendees will engage through comprehensive training, new advancements, and networking opportunities. There is expected to be many partnership opportunities designed to maximize visibility among an audience of housing professionals.

The conference will be held on March 20, 2020 at the San Ramon Marriot Hotel in San Ramon, CA.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors approve a Sponsorship for the 2020 Eden Housing Conference.

VISTA PARK II APARTMENTS SUMMARY AND RECOMMENDATIONS

Applicant:	EAH Inc.
Action:	Initial Resolution
Amount:	\$20,000,000
Purpose:	Finance Affordable Multi-Family Rental Housing Facility Located in the City of San Jose, Santa Clara County, California
Activity:	Affordable Housing
Meeting:	January 31, 2020

Background:

EAH Housing (“EAH”) is a nonprofit corporation founded with the belief that attractive affordable housing is the cornerstone to sustainable, living communities. Established in 1968, EAH has become one of the largest and most respected nonprofit housing development and management organizations in the western United States. With a staff of over 450, EAH develops low-income housing, manages 100 properties in California and Hawaii, and plays a leadership role in local, regional and national housing advocacy efforts.

Starting from grass-roots origins in response to the death of Dr. Martin Luther King Jr., EAH now serves over 20,000 seniors, families, students, people with disabilities, frail elderly and the formerly homeless. Combining award winning design, innovative on-site services and a commitment to people, EAH reflects the distinctive personality of each community.

EAH is dedicated to building communities that enhance the surrounding neighborhoods. The organization has developed 92 properties with an aggregate value of more than \$1 billion and manages 9,800 units in 50 municipalities in California and Hawaii. EAH has received multiple national awards for property management, 11 design awards and numerous commendations from legislators on the federal, state and local levels.

The CMFA has facilitated over 10 EAH projects.

The Project:

The Vista Park II Apartments is the acquisition/rehabilitation of a multifamily affordable housing project located at 3975 Vistapark Drive, San Jose, CA. The project consists of 83 units, made up of 1- and 2-bedroom units, with one unit designated as manager units. The property is in need of substantial upgrades. The scope of work will include new siding, roofs, windows, interior finishes and fixtures, flooring, appliances, accessibility upgrades, and new outdoor amenity areas. The project will be restricted to households earning 45-50% of Area Median Income. The planned renovations will improve the safety, aesthetics and sustainability of the property for residents by addressing all urgent building issues, completing comprehensive interior and exterior renovations and creating a more sustainable property. This financing will continue to preserve 82 units of affordable housing for low-income households in the City of San Jose for 55 years.

The City of San Jose:

The City of San Jose is a member of the CMFA and will be asked to hold a TEFRA hearing. Upon closing, the City is expected to receive approximately \$10,606 as part of the CMFA's sharing of Issuance Fees.

BIOFUELS SAN BERNARDINO BIOGAS, LLC SUMMARY AND RECOMMENDATIONS

Applicant:	Archaea Energy
Action:	Initial Resolution
Amount:	\$105,000,000
Purpose:	Finance Pollution Control Facility Project's Located in the Cities of Rialto, Colton, Newport Beach, San Bernardino & Orange County, California
Activity:	Pollution Control
Meeting:	January 31, 2020

Background:

Founded in 2018, Archaea ("ar-key-ah") Energy, LLC is a private-equity backed company that is advancing biogas development in the United States. Their founders and operators are landfill owners, the inventor of Air Liquide's biogas membrane separation process, and permanent capital from the energy sector. Archaea aims to partner with landfill owners to harness the power of their biogas. They look to source, build and manage projects for the entirety of an energy project's lifecycle. Their goal is to build renewable high BTU projects to power the truck and bus fleets of the US with renewable fuels. They have a solution for generating renewable natural gas and are now rolling it out to the industry.

Build: Archaea's focus is to partner with landfill owners to build high BTU renewable natural gas projects. They turn liabilities into assets and help owners maintain projects for years to come.

Partner: They aim to be long-term partners with landfill owners. Landfills are long-term energy resources that require the right partner to harvest. As partners they are committed to the highest standards of compliance and maximizing the value of your landfill.

Roots: Archaea grew from the seeds of Noble Environmental, a sanitary landfill and hauling company in the Pittsburgh area. Instead of outsourcing the development of a high BTU project at the site in Westmoreland County, the project was built with the team on site. Archaea is harnessing the power of what was learned at Noble to bring to other landfill owners looking for an affordable and effective high BTU renewable natural gas solution.

Renew: Methane is 30x worse than Carbon Dioxide in terms of greenhouse gas emissions. Archaea's goal is to capture, clean, and reuse both the methane and carbon dioxide biogas streams to lower landfill emissions by over 90%.

The Project:

Archaea Energy aims to develop landfill gas treatment systems to convert methane to renewable natural gas at the Mid-Valley Landfill in Rialto, CA, Colton Landfill in Colton, CA and the Coyote Canyon Landfill in Newport Beach, CA. Collectively, Archaea Energy expects to generate 1,800,000 MMBtu per year of renewable natural gas at these locations. This gas is enough to heat 80,000 homes per year. This renewable energy will be used for (a) hospitals, colleges and universities, or commercial customers, (b) fuel CNG vehicles as a cleaner burning fuel as compared to diesel, and/or (c) distributed through California existing natural gas pipelines.

The City of Newport Beach and County of San Bernardino:

The City of Newport Beach and County of San Bernardino are members of the CMFA and will be asked to hold TEFRA hearings. Upon closing, the City and County are expected to receive approximately \$33,750 as part of the CMFA's sharing of Issuance Fees.

Proposed Construction Financing:

Sources of Funds:

Tax-Exempt Bond:	\$ 73,000,000
Borrower Equity:	<u>\$ 30,000,000</u>
Total Sources:	\$ 103,000,000

Uses of Funds:

New Construction:	\$ 19,000,000
New Machinery & Equipment:	\$ 64,000,000
Architectural & Engineering:	\$ 17,000,000
Costs of Issuance:	<u>\$ 3,000,000</u>
Total Uses:	\$ 103,000,000

Terms of Transaction:

Amount:	\$105,000,000
Maturity:	30 years (anticipated)
Collateral:	Deed of Trust on property
Bond Purchasers:	(Qualified Institutional Investors) Limited Offering
Estimated Closing:	December 2020

Public Benefit:

The conversion of landfill gas to renewable natural gas will reduce greenhouse gas emissions while providing a beneficial, renewable fuel source. Landfill gas will be produced from organic materials placed in a landfill for decades. The project has immediate as well as long-lasting benefits to air quality improvement and public health in the area. Landfills are some of the largest greenhouse gas emitters in the State of California.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors approve an Initial Resolution of \$105,000,000 for the Biofuels San Bernardino Biogas project, located in the Cities of Rialto, Colton & Newport Beach, San Bernardino & Orange County, California.

Note: This transaction is subject to review and final approval at the Final Resolution.

THE BUCKLEY SCHOOL SUMMARY AND RECOMMENDATIONS

Applicant:	The Buckley School
Action:	Final Resolution
Amount:	\$20,000,000
Purpose:	Finance and Refinance the Acquisition, Construction, Improvement, Renovation, and/or Equipping of Educational Facilities for The Buckley School, located in the City of Los Angeles, Los Angeles County, California
Activity:	Private Education
Meeting:	January 31, 2020

Background:

The Buckley School was founded in 1933 as an independent co-educational institution by Dr. Isabelle Buckley. Drawing on her experiences abroad where schools emphasized a well-rounded program, Dr. Buckley developed her own 4-Fold Plan of Education, focusing on academic training, physical development, moral education and creative expression. During the early years, campuses were located in L.A., Tarzana, Encino, and on Woodman Avenue and Riverside Avenue in Sherman Oaks. In 1964, Dr. Buckley purchased land that had been owned by the Glenaire Country Club and by 1973 was able to accommodate all divisions of the school on the new Stansbury Avenue campus in Sherman Oaks. Today, The Buckley School is a college preparatory day school, with students in kindergarten through grade twelve.

Buckley's educational philosophy, the 4-Fold Plan of Education, combines the principles of whole-child education – a deeply inter-connected program of academics, arts, physical development and moral education – with a more traditional framework. Curiosity, critical thinking and creativity are the underpinning of the entire curriculum. And yet, Buckley believes that students' best and most creative work, in the classroom, in the arts, and on the field, can only be realized through self-discipline and resilience developed through a structured program and strong emphasis on character development.

The Project:

The Buckley School intends the proceeds of the loan to be used approximately:(1) \$17,086,000 of the proceeds of the Loan to prepay certain outstanding obligations of the Borrower, the proceeds of which were used by the Borrower for the purpose of (A) financing and/or refinancing the acquisition, construction, improvement, renovation, furnishing and/or equipping of educational facilities and related administrative and support facilities located at the Borrower's campus at 3900 Stansbury Avenue in the City of Los Angeles, and (B) financing and/or refinancing the acquisition and improvement of the Head of School's residence located at 3951 Stansbury Avenue; and (2) \$2,914,000 of the proceeds of the Loan for the purpose of financing and/or refinancing the improvement, renovation, furnishing and/or equipping of educational facilities located at the campus of the Corporation; the acquisition, improvement, renovation, furnishing and/or equipping, for educational purposes, of the property commonly known as 3929 Stansbury Avenue; and the payment of certain costs relating to the issuance of the Loan, such Project being owned and operated by the Corporation and located on land owned by the Corporation in the City of Los Angeles, California.

The City of Los Angeles:

The City of Los Angeles is a member of the CMFA and held a TEFRA hearing on January 28, 2020. Upon closing, the City is expected to receive approximately \$8,333 as part of the CMFA's sharing of Issuance Fees.

Proposed Financing:

Sources of Funds:

Tax-Exempt Bond Proceeds:	\$ 20,000,000
Total Sources:	\$ 20,000,000

Uses of Funds:

Refinance 2012 and 2017 Bonds:	\$ 17,086,000
Campus Improvement Projects:	\$ 2,719,000
Other Misc.*:	\$ 195,000
Total Uses:	\$ 20,000,000

Terms of Transaction:

Amount:	\$20,000,000
Maturity:	17 years
Collateral:	Deed of Trust on property
Bond Purchasers:	Private Placement
Estimated Closing:	February 2020

Public Benefit:

The Buckley School's extensive program of community service engages students in local and global communities through their support of causes, agencies, and individuals in need. Activities as varied as natural habitat restoration, food drives, fundraising for disaster relief, math mentoring, and shelter animal care, enable students to enrich the world around them. Students see, firsthand, how the power of their actions can make a positive difference in communities near and far and in their own lives. Community Service brings critical elements of Buckley's mission to life and actively supports the development of well-rounded individuals through ethical education.

OLD ELM VILLAGE APARTMENTS SUMMARY AND RECOMMENDATIONS

Applicant: Burbank Housing Development Corporation

Action: Final Resolution

Amount: \$15,000,000

Purpose: Finance Affordable Multi-Family Rental Housing Facility
Located in the City of Petaluma, County of Sonoma,
California

Activity: Affordable Housing

Meeting: January 31, 2020

Background:

Burbank Housing Development Corporation (“Burbank Housing”) is a nonprofit organization dedicated to increasing the supply of housing in Sonoma County, so that low-income people of all ages, backgrounds and special needs will have a better opportunity to live in decent and affordable housing. Organized in 1980, Burbank provides qualified nonprofit housing development, ownership and management services in Sonoma County.

Burbank Housing builds and manages family and senior rental housing and creates home ownership opportunities, largely through its mutual self-help program. Burbank Housing collaborates with service organizations to provide supportive housing for people with special needs, including people who are elderly, physically or mentally disabled, farm workers or homeless.

This is the CMFA’s eighth project with Burbank Housing.

The Project:

The Old Elm Village Apartments is an acquisition/rehabilitation project located at 359 West Payran Street, Petaluma, CA. The project consists of 66 units restricted to 50% of AMI, 5 units restricted to 60% of AMI and 16 units restricted to 80% of AMI. The project will be comprised of 9 studios, 22 one-bedroom units, 12 two-bedroom units, 38 three-bedroom units, and 6 four-

bedroom units along with a community building. The residential units are located in two-story townhome units and two 3-story “gate buildings” at the property entrance facing Payran Street. The gate buildings also include two ground-floor commercial spaces currently occupied by the Petaluma Police Department and non-profit childcare center. Proposed rehabilitation includes accessibility improvements, energy efficiency improvements, new entry doors, new floor coverings, exterior painting, new kitchen appliances, plumbing, HVAC & electrical upgrades and landscaping improvements. The financing of this project will result in preserving affordable housing for 71 low-income households in the City of Petaluma for another 55 years.

CHARITABLE GRANT GUIDELINES

Recipient: Board Members of the California Foundation for Stronger Communities

Purpose: To Provide an Outline of Charitable Grant Guidelines

CHARITABLE GUIDELINES:

1. Ensure charitable donations are directed towards organizations that:
 - a. Are in California communities.
 - b. Find it difficult to receive funding through other sources.
 - c. Have not received a charitable donation in the last year. This is not meant to include those organizations that have enjoyed a fee reduction through a CMFA financing.
 - d. Do not require compliance monitoring by the CMFA or CFSC.
 - e. Are not in a category listed below:
 - i. Individuals, including individual scholarship or fellowship assistance
 - ii. For-profit entities, including start-up businesses
 - iii. Political, labor, religious, or fraternal activities
 - iv. Endowments
 - v. Film or video projects, including documentaries
 - vi. Travel, including student trips or tours
 - vii. Promotional merchandise
 - viii. Organizations other than IRS 501(c)(3), 501(c)(6), governmental, or tribal entities
 - ix. Governmental entities, if the donation will supplant governmental funds
2. A staff report must be provided to the Board at least 24 hours before donations are recommended or approved. Funds will not be disbursed on a cash advance basis.
3. CFSC staff may publicize donations in order to leverage the benefits to CMFA and CFSC of this unique charitable giving program. CFSC staff, and not board members, should be the point of contact with municipal staff, elected officials, recipient and press in coordinating and publicizing all donations to avoid even the appearance that board members are serving their personal or financial interests in recommending donations.
4. Suggested categories the CMFA through the CFSC could direct funds are:
 - a. Health Care
 - b. Education
 - c. Human Services
 - d. Affordable Housing
 - e. Cultural
 - f. Targeted Populations: Youth, Seniors, Low/Moderate Income Individuals, Victims of Abuse, Neglect or Crime, Disabled Veterans
5. Staff will distribute and process all charitable grants.

Mission:

California Association of Food Banks (CAFB) is a membership organization of 41 food banks from throughout the state with a shared mission to build a well-nourished California and a firm commitment to providing cutting-edge leadership in the anti-hunger community.

Our major programs include Farm to Family, which works with growers and packers to provide fresh produce to food banks; statewide programs for food stamp outreach and enrollment; robust state and federal advocacy efforts; produce education; and member services that offer assistance with special projects as well as technical support.

Impact:

A donation would assist the organization in their mission of ending hunger in California

Mission:

Meeting basic needs for those in need. We provide 30,000+ meals each month. We shelter 300+ men, women and children in our Coachella Valley shelter each night. Since 2017, we've seen a 47% increase of individuals and families experiencing a housing crisis and in need of emergency services. Many women are escaping violence and abuse at home with young children; here, they find a safe refuge with plenty of room for their children too.

Impact:

A donation would assist the organization in the furtherance of their mission.

List Date 1/31/2020

Mission:

The Renegade Tinkering Club offers fun and community for girls and underrepresented groups grades K-5 to provide quality STEM (Science, Technology, Engineering, and Mathematics) enrichment education. This work is vital to close the opportunity gap so all kids can participate in 21st century learning and living. Tinkering, a process involving discovery and trial and error toward a goal, helps kids develop grit and gives a solid foundation for STEM skills. Yet, even more important than skills, Renegade inspires children to keep their love of scientific exploration. This program will integrate the Renegade Tinkering curriculum into teaching the day-time schedule for all kindergarten to fifth grade students at Cezar Chavez Elementary School—a San Francisco School that has no access to STEM enrichment for its population of 85.5% Hispanic or Latino, 66% English Language Learners, and 76.5% that are eligible for free or reduced lunch.

Mission:

To empower disenfranchised low income individuals and families by building leadership through evidence-based programs and housing to create self-sufficiency and thriving communities.

Our humble beginnings included one shelter with six beds. Today, we offer three types of housing: emergency shelter, permanent supportive, and affordable. Because of the lack of decent, affordable housing in San Bernardino, we developed our own 7-unit affordable housing apartment complex and have 13 scattered site apartments bringing our total housing capacity to 115 annually. TFCF programs and supportive services help to provide women and children with the tools necessary to recover from homelessness, drug addiction, mental and physical abuse, family separation and the effects of incarceration.

TFCF is licensed for outpatient drug and alcohol services.
