CENTENNIAL SQUARE APARTMENTS SUMMARY AND RECOMMENDATIONS

Applicant:	Central Valley Coalition for Affordable Housing/ Pacific Coast Well Drilling, Inc.
Action:	Initial Resolution
Amount:	\$35,000,000
Purpose:	Finance an Affordable Multi-Family Rental Housing Facility Located in the City of Santa Maria, Santa Barbara County, California
Activity:	Affordable Housing
Meeting:	April 3, 2020

Background:

The Central Valley Coalition for Affordable Housing was established in 1989, by the Housing Authority of the County of Merced. The Director of the Housing Authority believed there was a need for more affordable housing within Merced County, but as a Housing Authority, the agency was unable to produce new housing. The Federal Government had, for all practical purposes, removed itself from the development of affordable, low income housing, creating the opportunity for a local non-governmental organization to collaboratively put together funding programs from within the community to meet local housing needs.

The principals and staff of Pacific Coast Well Drilling, Inc. have extensive experience in land acquisition, due diligence, planning, entitlements, design, land development and construction. They have been involved with multiple single family and multifamily developments. With their extensive background in development, Pacific West Coast Well Drilling has teamed up with Central Valley Coalition for Affordable Housing to come up with solutions to California's housing crisis.

The Coalition is committed to making safe, decent, affordable housing available to people that could not otherwise afford it. The Coalition is dedicated to providing service enriched affordable housing for low-income families, the elderly and the handicapped. They work to combat community deterioration and to lessen the burdens on government. The Coalition's vision is for all people to enjoy quality affordable housing regardless of age, income, national origin, color, sex, or religion, and for all persons to have access to necessary services in order to maintain a self-sufficient and independent lifestyle.

The Project:

The Centennial Square Apartments project is the new construction of a 186-unit multi-family housing development to be located on the corner of Plaza Drive and Miller Street in the City of Santa Maria, California. The project will consist of one-, two- and three-bedroom units. All of the units will be restricted to household earning 50% and 60% of AMI with the exception of one unit that will be set aside as a manager's unit. SIERRA PINE COMMUNITY FACILITIES DISTRICT SUMMARY AND RECOMMENDATIONS

Applicant:	LCD Rocklin, LLC, a Limited Liability Corporation and member of the Lewis Group of Companies a California Limited Liability Company/ Rocklin
Action:	Initial Approvals
Amount:	\$12,550,000
Purpose:	Approve Resolutions Initiating Formation of CMFA Community Facilities District No. 2020-1 (City of Rocklin – Sierra Pine)
Activity:	BOLD/ Community Facilities District
Meeting:	April 3, 2020

Background and Resolutions:

The CMFA's BOLD Program ("BOLD") utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the "Act") to raise revenues for the infrastructure needs of local agencies in California. The City of Rocklin (the "City") is a member of the CMFA and a participant in BOLD. LCD Rocklin, LLC, a limited liability corporation and member of the Lewis Group of Companies, (the "Developer") has submitted an application to the CMFA to use BOLD in relation to the Developer's proposed development of certain property located in the City. The CMFA and the City have accepted such application.

The applicant has requested formation of a community facilities district, which will facilitate the future issuance of bonds by the CMFA under the program. Proceeds of bonds will primarily be used to finance public infrastructure facilities to be owned by the City.

As an initial step in using BOLD for the financing, the CMFA needs to form a community facilities district. The proposed community facilities district will be called California Municipal Finance Authority Community Facilities District No. 2020-1 (City of Rocklin – Sierra Pine) (the "CFD").

Under the Act, it is a requirement that the CMFA, as the entity forming the CFD, adopt a resolution stating its intention to form the CFD, stating the types of public facilities to be financed

on behalf of the CFD, setting forth the rate and method of apportionment of a proposed special tax to be levied in the CFD, and establishing the boundary. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Establish California Municipal Finance Authority Community Facilities District No. 2020-1 (City of Rocklin – Sierra Pine), and to Levy a Special Tax to Finance the Acquisition and Construction of Certain Public Facilities in and for such Community Facilities District (the “Resolution of Intention to Form CFD”).

It is also a requirement under the Act that the CMFA, as the entity forming the CFD, adopt a resolution stating its intention to issue bonds payable from the levy of a special tax within the CFD. A resolution meeting that requirement of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Incur a Bonded Indebtedness in and for the California Municipal Finance Authority Community Facilities District No. 2020-1 (City of Rocklin – Sierra Pine) to Finance the Acquisition and Construction of Certain Public Facilities (the “Resolution of Intention to Incur Bonded Indebtedness”).

The Project:

The Sierra Pine project is expected to include construction of 199 residential units within the City of Rocklin. In addition to the residential units, the district will include a public multi-use park, as well as common area recreation lots and paseos. The CFD comprises 26.43 net acres, and no further annexation is anticipated.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount of not to exceed \$12,550,000 on behalf of the CFD and all improvement areas therein.

Development Status:

The Large Lot Final Map for the project was recorded on September 19, 2019, while Small Lot Final Maps were recorded on March 4, 2020. Additionally, the process to annex the project into the existing City of Rocklin CFDs for public services and maintenance was completed on December 10, 2019.

Per the developer, underground wet utility and dry conduit construction is currently complete. Streets are paved, street lighting has been installed and perimeter sound wall construction is complete. New home model home construction is targeted for April 2020, with models completed by July 2020; the first new home closings are anticipated as early as October 2020.

Future Action:

Under the Act, at a future meeting of the CMFA Board of Directors, the Board of Directors will need to hold a public hearing and adopt additional resolutions formally creating the CFD, authorizing the incurrence of bonded indebtedness for the CFD, levying the special tax within the CFD, and certain other related matters. The Sierra Pine CFD will likely be pooled with other like-sized CFDs, and sold as a combined financing.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors adopt the Resolution of Intention to Form CFD and the Resolution of Intention to Incur Bonded Indebtedness.

Items: A1, A2, A3

Action: Pursuant to the by-laws and procedures of CMFA, each meeting starts with the call to order and roll call (A1) and proceeds to a review and approval of the minutes from the prior meeting (A2). After the minutes have been reviewed and approved, time is set aside to allow for comments from the public (A3).

DELEGATION OF AUTHORITY TO EXECUTE AND DELIVER TRANSACTION DOCUMENTS

Action: Discuss and Approve Delegation of Authority to Execute
and Deliver Transaction Documents

Purpose: Authorize Additional CMFA Signatories

Meeting: April 3, 2020

Background:

In 2013, the Board of Directors delegated authority to sign documents relating to bond financings (“Transaction Documents”) on behalf of the Authority. Prior to that time, only members of the Board were authorized to sign Transaction Documents. Since that time, the Executive Director has been the primary signatory of Transaction Documents, with individual Board members occasionally being called upon to sign Transaction Documents when needed. The availability and willingness of the Executive Director, and on occasion Board members, has allowed the Authority to deliver signed Transaction Documents on time, virtually without exception. The Authority’s borrowers and other interested parties rely on the certainty of execution that the Authority provides.

In the current pandemic environment, it is necessary and desirable to authorize additional signatories to sign Transaction Documents to ensure continued certainty of execution. The authority granted in this resolution could be rescinded in the future by the Board.

Proposed Action:

The adoption of the proposed resolution would grant authority to the President and the Chief Executive Officer of the financial advisory and administrative services consultant.

Recommendation:

Counsel to the Authority recommends that the Board of Directors approve the subject resolution delegating the aforesaid authority.
