# GREYSON COMMUNITY FACILITIES DISTRICT
# SUMMARY AND RECOMMENDATIONS

| | |
|---|---|
| Applicant: | Beazer Homes |
| Action: | Approval |
| Amount: | $2,460,000 |
| Purpose: | Approve Resolutions Initiating Formation of CMFA Community Facilities District No. 2021-5 (City of Lincoln – Greyson) |
| Activity: | BOLD/ Community Facilities District |
| Meeting: | February 5, 2021 |

Background and Resolutions:

The CMFA's BOLD Program ("BOLD") utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the "Act") to raise revenues for the infrastructure needs of local agencies in California. The City of Lincoln (the "City") is a member of CMFA and a participant in BOLD. Beazer Homes (the "Developer") has submitted an application to the CMFA to use BOLD in relation to the Developer's proposed development of certain property located in the City. The CMFA and the City have accepted such application.

The applicant has requested formation of a community facilities district, which will facilitate the future issuance of bonds by the CMFA under the program. Proceeds of bonds will primarily be used to finance public infrastructure facilities to be owned by the City, as well as to pay off existing assessment district obligations.

As an initial step in using BOLD for the financing, the CMFA needs to form a community facilities district. The proposed community facilities district will be called California Municipal Finance Authority Community Facilities District No. 2021-5 (City of Lincoln - Greyson) (the "CFD").

Under the Act, it is a requirement that the CMFA, as the entity forming the CFD, adopt a resolution stating its intention to form the CFD, stating the types of public facilities to be financed on behalf of the CFD, setting forth the rate and method of apportionment of a proposed special tax to be levied in the CFD, and establishing the boundary. A resolution meeting the requirements

of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Establish California Municipal Finance Authority Community Facilities District No. 2021-5 (City of Lincoln – Greyson), and to Levy a Special Tax to Finance the Acquisition and Construction of Certain Public Facilities in and for such Community Facilities District (the "Resolution of Intention to Form CFD").

It is also a requirement under the Act that the CMFA, as the entity forming the CFD, adopt a resolution stating its intention to issue bonds payable from the levy of a special tax within the CFD. A resolution meeting that requirement of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Incur a Bonded Indebtedness in and for the California Municipal Finance Authority Community Facilities District No. 2021-5 (City of Lincoln – Greyson) to Finance the Acquisition and Construction of Certain Public Facilities (the "Resolution of Intention to Incur Bonded Indebtedness").

The Project:

The project consists of 13.9 gross acres located within the City of Lincoln, California. Beazer Homes intends to build 49 single-family homes for sale to homeowners. All required improvements are in place and the developer is in the process of building model homes so that they can begin home sales. The Developer expects to begin sales in March with the first closing in late summer, 2021.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount of not to exceed $2,460,000 on behalf of the CFD and all improvement areas therein.

Future Action:

Under the Act, at a future meeting of the CMFA Board of Directors, the Board of Directors will need to hold a public hearing and adopt additional resolutions formally creating the CFD, authorizing the incurrence of bonded indebtedness for the CFD, levying the special tax within the CFD, and certain other related matters. The Greyson CFD will likely be pooled with other like-sized CFDs and sold as a combined financing.

Authorized Facilities:

Authorized facilities include any facilities authorized by the Mello-Roos Community Facilities Act of 1982 (Mello-Roos Act) that are financed in whole or in part by development impact fees, whether City of Lincoln (City) or other local agency fees levied in connection with development of the property. The authorized facilities include, but are not limited to, facilities authorized by the Mello-Roos Act to be funded by the following fees:

- City of Lincoln Fees
- County of Placer Fees
- South Placer Regional Transportation Authority Fees
- Western Placer Unified School District Fees

Authorized facilities also include Prepayment of Overlapping Liens, as well as Administrative and Incidental Expenses.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors adopt the Resolution of Intention to Form the CFD and the Resolution of Intention to Incur Bonded Indebtedness in an amount not to exceed $2,460,000.

The specific integration partnership ideas are youth (especially ages 18-24), housing, medical/health, employment/entrepreneurship, City/County and faith-based.

LBWF is a unique safe haven for animals providing top-quality, lifelong care to the animals it rescues. We emphasize proper nutrition, provide first-class veterinary care, comfortable facilities, training, socializing, and of course, an abundance of love. Using the media as an outlet for education, we hope to raise the level of awareness on important issues such as pet overpopulation and dog fighting, as well as debunking the unfounded, illogical and fear-based arguments that all too often lead to breed-specific bans and the heartbreaking extermination of beautiful animals whose only crime is having been born. The recent economic recession and financial crisis have resulted in a record number of foreclosures and people aren't the only ones to suffer in times like these. Homelessness is a harsh reality facing more and more animals, as people heartlessly abandon them or are reluctantly forced to leave them behind at already overcrowded shelters because they can no longer afford to care for them.
