Under the Act, it is a requirement that the CMFA, as the entity forming the CFD, adopt a resolution stating its intention to form the CFD, stating the types of public facilities to be financed on behalf of the CFD, setting forth the rate and method of apportionment of a proposed special tax to be levied in the CFD, and establishing the boundary. A resolution meeting the requirements

of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Establish California Municipal Finance Authority Community Facilities District No. 2022-22 (City of Riverbank – Countryside Phase 3), and to Levy a Special Tax to Finance the Acquisition and Construction of Certain Public Facilities in and for such Community Facilities District (the “Resolution of Intention to Form CFD”).

It is also a requirement under the Act that the CMFA, as the entity forming the CFD, adopt a resolution stating its intention to issue bonds payable from the levy of a special tax within the CFD. A resolution meeting that requirement of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Incur a Bonded Indebtedness in and for the California Municipal Finance Authority Community Facilities District No. 2022-22 (City of Riverbank – Countryside Phase 3) to Finance the Acquisition and Construction of Certain Public Facilities (the “Resolution of Intention to Incur Bonded Indebtedness”).

#### The Project:

The proposed CFD currently includes 4.56 acres and is planned to include 22 single family units. The Developer intends to sell the property to LGI, who will construct the 22 homes. The CFD is part of a larger development that includes Countryside Phase I and Countryside Phase II (Countryside Phase II is going through a separate CFD formation process). LGI is developing Phase II.

It is anticipated that all mass grading and backbone infrastructure will be completed by 9/1/22. The project has been approved by the City and has all necessary entitlements. First home closings are expected in early 2023.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed \$1,300,000 on behalf of the CFD and all improvement areas therein.

#### Future Action:

Under the Act, at a future meeting of the CMFA Board of Directors, the Board of Directors will need to hold a public hearing and adopt additional resolutions formally creating the CFD, authorizing the incurrence of bonded indebtedness for the CFD, levying the special tax within the CFD, and certain other related matters. The Countryside Phase 3 CFD will likely be pooled with other like-sized CFDs and sold as a combined financing. Depending on development status, the Countryside Phase 3 CFD will likely be included in a pooled financing in late 2022 or early 2023.

#### Authorized Facilities:

Authorized facilities and costs that may be funded through the California Municipal Finance Authority Community Facilities District No. 2022-22 (City of Riverbank – Countryside, Phase 3) (the “CFD”) include the following public improvements, development impact fees funding public improvements, and formation and administrative expenses.

The CFD is authorized to finance the purchase, construction, expansion, improvement, or rehabilitation of any real or other tangible property with an estimated useful life of five years or longer, together with the planning and design work that is directly related to the purchase, construction, expansion, or rehabilitation of any real or tangible property (collectively, the “Facilities”), including, but not be limited to, transportation facilities, water, sewer and storm drain facilities, parks, parkways, and open space.

**Fees Financing Public Improvements:**

Facilities include those financed by development impact fees paid and not otherwise reimbursed, whether City, County, or other local agency fees, including but not limited to the following:

**City of Riverbank:**

- Water Fee
- Sewer Fee
- Storm Fee
- Park/Rec Fee
- Traffic Fee

Authorized facilities also include Formation, Administrative, and other Incidental Expenses as authorized by the Mello-Roos Act.

**Recommendation:**

The Executive Director recommends that the CMFA Board of Directors adopt the Resolution of Intention to Form CFD and the Resolution of Intention to Incur Bonded Indebtedness in an amount not to exceed \$1,300,000.

## **RUBY STREET APARTMENTS SUMMARY AND RECOMMENDATIONS**

---

Applicant: Eden Housing, Inc.

Action: Initial Resolution

Amount: \$45,000,000

Purpose: Finance an Affordable Multifamily Rental Housing Project  
Located in the Census-Designated Place of Castro Valley,  
Alameda County, California

Activity: Affordable Housing

Meeting: July 15, 2022

---

### **Background:**

Eden Housing's Mission is to build and maintain high-quality, well-managed, service-enhanced affordable housing communities that meet the needs of lower income families, seniors, and persons with disabilities.

Eden Housing was founded in May of 1968 by six community activists who were greatly concerned about the lack of non-discriminatory, affordable housing in Alameda County. These pioneers, working out of makeshift "headquarters" such as local coffee shops, were initiated into affordable housing development by rehabilitating six older homes in Oakland for first time homebuyer families.

Since those pioneering days, Eden Housing has developed or acquired more than 7,500 affordable housing units within 100 properties that have provided homes for more than 65,000 people over the years. Eden's housing now includes rental apartments, first-time homeowner opportunities, cooperatives, and supportive living environments for families, seniors and people with disabilities.

Eden Housing revitalizes California communities through their affordable housing development and property management activities, the partnerships they establish and the investments they make in California neighborhoods, and through the free social services and supportive programs they provide to meet the needs of their residents.

### The Project:

The Ruby Street Apartments is a new construction project located in Castro Valley, CA. The project will be a 72-unit affordable housing community. The community will be made up of studio, one-, two- and three-bedroom units and will be restricted to households earning 20%-60% of AMI. ### Background and Resolutions:

The CMFA’s BOLD Program (“BOLD”) utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the “Act”) to raise revenues for the infrastructure needs of local agencies in California. The City of Rocklin (the “City”) is a member of the CMFA and a participant in BOLD. Tim Lewis Communities (the “Developer”) previously submitted an application to the CMFA to use BOLD in relation to the Developer’s proposed development of certain property located in the City. The CMFA and the City previously accepted such application, and on June 3, 2022, the Board of Directors of the CMFA took the initial steps toward formation of a community facilities district for the project under the Act. The resolutions being considered by the Board on July 15, 2022 will complete the formation of the community facilities district and authorize the levying of special taxes and incurrence of bonded indebtedness for the community facilities district.

As an initial step in using BOLD for the financing of public infrastructure to be owned by a local agency such as the City, the CMFA needs to form a community facilities district. On June 3, 2022 the CMFA adopted a resolution stating its intention to form a proposed community facilities district (the “Resolution of Intention to Form CFD”) to be called California Municipal Finance Authority Community Facilities No. 2022-10 (City of Rocklin – Croftwood II & Crowne Point), and a resolution stating its intention to incur bonded indebtedness for such CFD (the “Resolution of Intention to Incur Bonded Indebtedness”).

Under the Act, the process of completing the formation of the CFD requires a noticed public hearing, the adoption of a resolution forming the CFD, the holding of a landowner election, and the adoption of an ordinance levying the special taxes. To form the CFD, the Board of Directors of the CMFA will first hold a public hearing on the formation of the CFD and the incurrence of bonded indebtedness for the CFD and consider any public comments received. After such public hearing, if there is no majority protest received, the Board of Directors of the CMFA can then proceed to adopt the resolution of formation for the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Forming California Municipal Finance Authority Community Facilities District No. 2022-10 (City of Rocklin – Croftwood II & Crowne Point).

Next, the Board of Directors of the CMFA can adopt a resolution authorizing the issuance of debt for the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Determining Necessity to Incur Bonded Indebtedness and Other Debt in and for California Municipal Finance Authority Community Facilities District No. 2022-10 (City of Rocklin – Croftwood II & Crowne Point) (the “Resolution Determining Necessity”).

After adoption of the Resolution Determining Necessity, the Board of Directors of the CMFA can proceed to adopt a resolution calling for a special landowner election of the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Calling Special Election in and for California Municipal Finance Authority Community Facilities District No. 2022-10 (City of Rocklin – Croftwood II & Crowne Point) (the “Resolution Calling Election”). The election is allowed to be held as part of this meeting since timing waivers from 100% of the landowner voters have been received by the CMFA. The Secretary will canvass the results of the landowner election. These ballots have already been received by the Secretary.

The Board of Directors of the CMFA can then proceed to adopt a resolution declaring the results of the landowner election for the CFD and directing filing of the Notice of the Special Tax Lien with the County Recorder for Placer County. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring Results of Special Election and Directing Recording of Notice of Special Tax Lien in California Municipal Finance Authority Community Facilities District No. 2022-10 (City of Rocklin – Croftwood II & Crowne Point) (the “Resolution Declaring Election Results”). The special tax lien puts the rate and method of apportionment on record for all parcels within the applicable Community Facilities District.

The final legislative act is the introduction of an ordinance levying special taxes on the land in the CFD. Assuming its introduction on July 15, 2022, the ordinance can be finally adopted at a subsequent Board meeting.

#### The Project:

The proposed CFD includes two subdivisions including Croftwood II and Crowne Point. Croftwood II encompasses 25.4 acres proposed for development and Crowne Point encompasses roughly 27.33 acres proposed for development.

Croftwood II includes 55 single family units and Crowne Point includes 17 single family units for a total unit count of 72 single family units within the CFD. Grading for Croftwood II began in

April of 2022 and all infrastructure is anticipated to be complete by the end of 2022. The Crowne Point subdivision is fully graded and infrastructure improvements began in December of 2021.

Model homes for Croftwood II are anticipated to open in November of 2022 with first home occupancy occurring in September 2023. Crowne Point Model homes will open Q2 2022 with first home occupancy to occur January 2023.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed \$8,000,000 on behalf of the CFD and all improvement areas therein.

#### Future Action:

The Ordinance Levying Special Taxes will need to be finally adopted at a future meeting of the Board of Directors. Bonds payable from the special taxes are expected to be issued in late 2022 or early 2023, subject to further resolution and approval. The Croftwood II and Crowne Point CFD will be pooled with other CFDs and sold as a combined financing. It is expected that bonds for the Croftwood II and Crowne Point CFD will be pooled with other districts at some point late 2022 or early 2023.

#### Authorized Facilities:

Authorized facilities and costs that may be funded through the California Municipal Finance Authority Community Facilities District No. 2022-10 (City of Rocklin – Croftwood II and Crowne Point) (the “CFD”) include the following public improvements, development impact fees funding public improvements, and formation and administrative expenses.

#### Facilities:

- Transportation Improvements
- Wastewater System Improvements
- Potable and Non-Potable Water System Improvements
