BANK ACCOUNT RESOLUTION FOR RECYCLE BOND PROGRAM SUMMARY AND RECOMMENDATIONS

Action:	Resolution
Purpose:	Establishing a Bank Account for the CMFA Multifamily Housing Bond Volume Recycling Program
Activity:	Preservation and Recycling of Private Activity Bond Volume Cap
Meeting:	October 14, 2022

Background:

The CMFA and RBC Capital Markets, LLC (“RBCCM” or the “Bank”) established a Tax-Exempt Multifamily Housing Bond Recycling Program in 2021. The current program requires a significant amount of administration to align the timing of the financing with the timing of the revolving credit facility draw and related investments of draw proceeds. RBC has proposed streamlining the process by utilizing bank account time deposits at the Royal Bank of Canada (“RBC”) which will require a new account to be established.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors approve a new bank account for the Preservation and Recycling of Private Activity Bond Volume Cap at RBC.

THE RIVERS IMPROVEMENT AREA NO. 2 COMMUNITY FACILITIES DISTRICT SUMMARY AND RECOMMENDATIONS

Amount:	\$9,050,000
Action:	Approve Resolution Authorizing the Issuance of Community Facilities District No. 2021-6 (City of West Sacramento – The Rivers Improvement Area No. 2), Special Tax Bonds, Series 2022, Related Issuance and Purchase of Special Tax Bonds for and on Behalf of CMFA Community Facilities District (“District” or “CFD”), Along With All Related Documents
Purpose:	Issuing Bonds to finance infrastructure, including funding impact fees, within the Community Facilities District 2021-6 (City of West Sacramento – The Rivers Improvement Area No. 2).
Activity:	BOLD/ Community Facilities District
Meeting:	October 14, 2022

Background:

The CMFA’s BOLD Program (“BOLD”) utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the “Act”) to raise revenues for the infrastructure needs of local agencies in California. The Developer within City of West Sacramento, as a member of the CMFA, has submitted an application to participate in the BOLD program, and the City has held the required public hearings and made the required findings under applicable law related to the issuance by the CMFA of revenue bonds under the Marks-Roos Local Bond Pooling Act of 1985. In addition, the CMFA has taken all actions necessary to form the District and is now looking to issue bonds on a stand-alone basis to fund the facilities within the District.

The CMFA will issue CMFA Community Facilities District No. 2021-6 (City of West Sacramento – The Rivers Improvement Area No. 2) Special Tax Bonds, Series 2022 (the “Bonds”). The not to exceed amount of the underlying obligation shall not exceed \$9,050,000.

The not to exceed par amount for the Revenue Bonds to be sold will be \$9,050,000. Bonds will be issued as a single series of bonds.

The District:

Century Communities is developing 30.5 acres in CFD 2021-6 Improvement Area No. 2 into 202 single family homes. A final map was recorded on June 15, 2022. Site development is underway and is anticipated to be completed in October 2022, except for a required park and common area landscaping. The development will feature two product lines (referred to as “Parkside” and “Trailside”) offering a total of six floor plans ranging in size from 1,910 to 2,833 square feet. The project has two lot categories with typical lot sizes of 5,000 and 2,660 square feet. Home prices range from \$639,990 for the lowest cost units in the “Trailside Neighborhood” up to \$779,990 in the “Parkside Neighborhood.”

As of September 16, 2022 (the date of value of the Appraisal), building permits had been paid for 18 homes and construction of those was underway. Sales are expected to commence shortly, with the majority of the project being completed in 2023 and 2024.

An appraisal was completed by Integra Realty Resources which demonstrated a value of \$36,230,000 as of the September 22, 2022, date of value, subject to the conditions and qualifications set forth in the Appraisal. Based on a not to exceed par amount of \$9,050,000 of the 2022 Bonds, the bonds will have a value to lien of 4.00 to 1. We expect additional bonds will be issued in early to mid-2023 once additional development supports such additional bonds. The additional bonds will likely be a participant in a future pool. As additional bonds are issued, the value to lien ratio may be higher or lower, but will never be less than the required 4 to 1 value to lien ratio in the additional bonds test.

Financing Documents:

The Resolution approves the forms of Supplemental Indenture of Trust, Bond Purchase Agreement, Preliminary Official Statement, and Continuing Disclosure Certificate presented to the Board at the meeting, as well as related actions and documents. The principal documents being approved are summarized as follows:

- Indenture of Trust. The Indenture of Trust is the legal document pursuant to which the Community Facilities District No. 2021-6 (City of West Sacramento –The Rivers Improvement Area No. 2) Special Tax Bonds, Series 2022 (“2022 Bonds”) are issued by CMFA. The 2022 Bonds and future parity bonds are payable from special taxes received from property within CFD 2021-6 (City of West Sacramento—The Rivers Improvement Area No. 2). US Bank National Association will serve as trustee under the Indenture, and Goodwin Consulting will serve as special tax administrator, responsible for ensuring the special tax levy for the District is placed on the County property tax roll each year so that debt service and administrative costs can be paid each year. The Indenture contains typical provisions related to the 2022 Bonds and the underlying special tax bonds, including as it relates to optional redemption and special mandatory redemption from special tax prepayments, and the establishment and administration of reserve accounts, project accounts and other accounts for the deposit of proceeds of the underlying special tax bonds.

Under the Indenture, a reserve fund will be established for the benefit of the holders of the 2022 Bonds. In the event of a delinquency in payment of special taxes by property owners within the District of CFD 2021-6, amounts in the reserve account established for the CFD can be used to cover the shortfall.

Under the Original and Supplemental Indenture, the CMFA covenants to bring a foreclosure action against delinquent property owners based on either an overall delinquency rate within the District (5%) or based on a threshold dollar amount of delinquencies for a particular owner (\$7,000). The first step in the foreclosure process would be having the CFD administrator (Goodwin Consulting) send out a written demand letter to the applicable owner(s). Amounts levied each year within CFD 2021-6 for administrative costs, as well as amounts set-aside in the reserve account, would be available to the CMFA to pay for the costs associated with any potential foreclosure proceeding.

- Bond Purchase Agreement. The Bond Purchase Agreement is the legal document pursuant to which the 2022 Bonds are sold by the CMFA to Piper Sandler for further sale and distribution to ultimate purchasers. The BPA contains customary representations and warranties from the CMFA regarding the formation of CFD 2021-6 and the issuance of the 2022 Bonds. Forms of certificates of the Developer is also included.
- Preliminary Official Statement. The Preliminary Official Statement (“POS”) is the document pursuant to which material information is disclosed to potential purchasers of the 2022 Bonds. Once final pricing information is available for the 2022 Bonds, the POS will be turned into the Official Statement and distributed to actual purchasers of the 2022 Bonds. Among other things, the POS contains information regarding the 2022 Bonds, the underlying special tax bonds, the Indenture, the CMFA, the trustee, the BOLD Program, and various potential risks associated with investing in the 2022 Bonds. Included in various appendices to the POS is additional detailed information regarding CFD 2021-6, the rate and method of apportionment, and an appraisal performed by Integra Realty Resources of the estimated market value of the land within the District.
- Continuing Disclosure Certificate. The form of Continuing Disclosure Certificate is included as Appendix D-1 to the draft POS. The Continuing Disclosure Certificate is the document pursuant to which the CMFA agrees to provide certain information to investors in the 2022 Bonds, via postings to the MSRB’s Electronic Municipal Market Access (“EMMA”) website. On an annual basis, the CMFA will need to supply its audited financial statements and information concerning the CFD as enumerated therein, including total assessed value, delinquency information, prepayment information, changes to any of the rate and method of apportionments for the CFDs, and annual information required to be provided to the California Debt and Investment Advisory Commission (CDIAC) each year. In addition, in a timely manner, the CMFA will need to report on the occurrence of any listed event enumerated therein, including relating to delinquencies, draws on the reserve fund, and bankruptcy events. Goodwin Consulting will serve as dissemination agent for the 2022 Bonds, assisting the CMFA in meeting its requirements under the Continuing Disclosure Certificate.

Assuming the Board approves this financing, staff will work with the Bond finance team to determining the final Bond sizing, and the preliminary Official Statement will be finalized and posted electronically for investors to review. Assuming the market remains stable, Authority and

Piper Sandler, the bond underwriter, will hold a pre-pricing call as early as the week of October 24^h, 2022 to review bond market conditions and the preliminary interest rates, after which, the Bonds will be sold. An authorized officer will then execute, on behalf of the Authority, a Bond Purchase Agreement with Piper Sandler, finalizing the bond interest rates and setting the delivery date, which is anticipated to occur the week of pricing.

Fiscal Impact:

None. The Special Tax Bonds are secured solely by the Special Taxes levies within the District. Costs of issuance are payable solely from Bond proceeds.

In accordance with Government Code 5852.1, the following information consists of estimates of certain costs and charges for the Bonds that have been provided by the underwriter, Piper Sandler & Co., which has been represented by such party to have been provided in good faith: (1) estimated true interest cost of the Bonds: 6.31%; (2) estimated finance charge of the Bonds (sum of all fees and charges paid to third parties): \$641,725; (3) estimated amount of proceeds of the Bonds received (net of finance charges, reserves and capitalized interest, if any): \$6,873,203; and (4) estimated total payment amount (sum total of all payments to pay debt service on the Bonds plus the finance charge not paid with proceeds of the Bonds) calculated to the final maturity of the Bonds: \$21,187,583.

(producing a 4:1 value to lien at the time). Based on the Not-to-Exceed amount of \$4,150,000, this project would have a value to lien of 4.39 to 1.

Community Facilities District No. 2020-4 (County of Sacramento—Barrett Ranch East IA 3

The property in the District is entitled for, and developing into, 101 single-family homes by Lennar Homes. The District is Phase 3 of the overall “Barrett Ranch East” master planned community, which consists of approximately 128 gross acres being developed into a 482-lot subdivision. Final maps were recorded for the 101 lots in Barrett Ranch East Improvement Area No. 3 in June 2022. Of the villages in the Barrett Ranch East Community Facilities District, only Villages 5, 6, and 7 are within Barrett Ranch East Improvement Area No. 3. The other villages within the Barrett Ranch East Community Facilities District are located either in Improvement Area No. 1 or in Improvement Area No. 2 and are not part of the security for the CFD Bonds.

The property withing Improvement Area No. 3 includes part of all of Villages 5, 6 and 8, all of which are for the Garnet neighborhood. When the Piper Sandler bankers did a site tour, it appeared that Lennar would begin vertical construction shortly.

As of the date of appraisal, the appraised estimated value of property within the District was \$15,236,000. Based on the Not-to-Exceed amount of the non-escrow bond of \$3,780,000 this project would have a value to lien of 4.00 to 1. In addition to the non-escrow bonds, a not to exceed par of \$1,400,000 in escrow bonds will be issued. The escrow bonds proceeds will be deposited into a escrow account, and can only be released once an updated appraisal is prepared that shows an increase in value so that upon the release of the escrowed bond proceeds, the value to lien ratio is in excess of 4:1. Lennar expects to meet this threshold by June of 2023.

Community Facilities District No. 2022-15 (City of Lincoln—Fullerton Ranch): Fullerton Ranch is located with the City of Lincoln adjacent to the Twelve Bridges development. The property within the District is entitled for, and developing into, 81 single-family homes by Lennar Homes. A final map for the District was recorded in March 2022. As of the date of appraisal, the appraised estimated value of property within the District was \$13,979,000. Based on the Not-to-Exceed amount of the non-escrow bond of \$3,455,000 this project would have a value to lien of 4.00 to 1. In addition to the non-escrow bonds, a not to exceed par of \$2,200,000 in escrow bonds will be issued. The escrow bonds proceeds will be deposited into a escrow account, and can only be released once an updated appraisal is prepared that shows an increase in value so that upon the release of the escrowed bond proceeds, the value to lien ratio is in excess of 4:1. Financing Documents:

The Resolution approves the forms of Indenture of Trust, Bond Purchase Agreement, Preliminary Official Statement, and Continuing Disclosure Certificate presented to the Board at the meeting, as well as related actions and documents. The principal documents being approved are summarized as follows:

- Indenture of Trust. The Indenture is the legal document pursuant to which the Special Tax Revenue Bonds, BOLD Program Series 2022B (“2022B Bonds”) and the underlying special tax bonds for each of the CFDs/Improvement Areas being issued by the CMFA. The underlying special tax bonds for each CFD/Improvement Area will be purchased by the CMFA for the benefit of the holders of the 2022B Bonds, and the debt service payable on the underlying special tax bonds will be used to pay debt service on the 2022B Bonds, replenish amounts in the reserve fund created for the 2022B Bonds, and pay administrative costs of the CMFA in administering the bonds and the CFDs. U.S. Bank National Association will serve as trustee under the Indenture, and Goodwin Consulting will serve as special tax administrator, responsible for ensuring the special tax levy for each of the three CFDs is placed on the applicable County property tax roll each year so that debt service and administrative costs can be paid each year. The Indenture contains typical provisions related to the 2022B Bonds and the underlying special tax bonds, including as it relates to optional redemption and special mandatory redemption from special tax prepayments, and the establishment and administration of reserve accounts, project accounts and other accounts for the deposit of proceeds from each of the underlying special tax bonds.

Under the Indenture, a pooled reserve fund will be established for the benefit of the holders of the 2022B Bonds. In the event of a delinquency in payment of special taxes by property owners within CFD 2020-04 IA2 or IA3 or CFD 2022-15, amounts in the reserve account can be used to cover the shortfall; replenishment of the reserve account can only be made from the CFD that caused the shortfall.

In the Indenture, the CMFA covenants to bring a foreclosure action against delinquent property owners based on either an overall delinquency rate within a particular CFD (5%) or based on a threshold dollar amount of delinquencies for a particular owner (\$3,000 for Barrett Ranch East IA2, \$6,000 for Barrett Ranch East IA3, and \$8,500 for Fullerton Ranch). The first step in the foreclosure process would be having the CFD administrator (Goodwin Consulting) send out a written demand letter to the applicable owner(s). Amounts levied each year within the applicable CFD for administrative costs, as well as amounts set-aside in the applicable reserve account, would be available to the CMFA to pay for the costs associated with any potential foreclosure proceeding.

No additional bonds are anticipated or permitted to be issued under the Indenture, except for refunding bonds. No additional CFD Bonds can be issued within each CFD except for refunding bonds.

- Bond Purchase Agreement. The Bond Purchase Agreement is the legal document pursuant to which the 2022B Bonds are sold by the CMFA to Piper Sandler for further sale and distribution to ultimate purchasers. The BPA contains customary representations and warranties from the CMFA regarding the formation of each of the CFDs/Improvement Areas, the issuance of the underlying special tax bonds, and the

issuance of the 2022B Bonds. Forms of certificates of each of the developers that own the property in the CFDs are also included.

- Preliminary Official Statement. The Preliminary Official Statement (“POS”) is the document pursuant to which material information is disclosed to potential purchasers of the 2022B Bonds. Once final pricing information is available for the 2022B Bonds, the POS will be turned into the Official Statement and distributed to actual purchasers of the 2022B Bonds. Among other things, the POS contains information regarding the 2022B Bonds, the underlying special tax bonds, the Indenture, the CMFA, the trustee, the BOLD Program, and various potential risks associated with investing in the 2022B Bonds. Included in various appendices to the POS is additional detailed information regarding each of the CFDs/Improvement Areas, the rate and method of apportionment of each of the CFDs/Improvement Areas, and an appraisal performed by Integra Realty Resources of the estimated market value of the land within each of the CFDs/Improvement Areas.
- Continuing Disclosure Certificate. The form of Continuing Disclosure Certificate is included as Appendix F1 to the draft POS. The Continuing Disclosure Certificate is the document pursuant to which the CMFA agrees to provide certain information to investors in the 2022B Bonds, via postings to the MSRB’s Electronic Municipal Market Access (“EMMA”) website. On an annual basis, the CMFA will need to supply its audited financial statements and information concerning each of the CFDs/Improvement Areas as enumerated therein, including total assessed value, delinquency information, prepayment information, changes to any of the rate and method of apportionments for the CFDs, and annual information required to be provided to the California Debt and Investment Advisory Commission (CDIAC) each year. In addition, in a timely manner, the CMFA will need to report on the occurrence of any listed event enumerated therein, including relating to delinquencies, draws on the reserve fund, and bankruptcy events. Goodwin Consulting will serve as dissemination agent for the 2022B Bonds, assisting the CMFA in meeting its requirements under the Continuing Disclosure Certificate.

Assuming the Board approves this financing, staff will work with the Bond finance team to determining the final Bond sizing, and the preliminary Official Statement will be finalized and posted electronically for investors to review. Assuming the market remains stable, the Authority and Piper Sandler, the bond underwriter, will hold a pre-pricing call the week of October 24, 2022 to review bond market conditions and the preliminary interest rates, after which, the Bonds will be sold. An authorized officer will then execute, on behalf of the Authority, a Bond Purchase Agreement with Piper Sandler, finalizing the bond interest rates and setting the delivery date, which is anticipated to occur the week of pricing.
