ELK GROVE LANDING COMMUNITY FACILITIES DISTRICT SUMMARY AND RECOMMENDATIONS

Applicant: KB Homes

Amount: \$6,500,000

Action: Approval

Purpose: Approve Waiver of 2nd Reading and Adoption of Ordinance Levying Special Taxes within CMFA Community Facilities District No. 2022-23 (City of Elk Grove – Elk Grove Landing)

Activity: BOLD/ Community Facilities District

Meeting: November 18, 2022

Background and Resolutions:

The CMFA's BOLD Program ("BOLD") utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the "Act") to raise revenues for the infrastructure needs of local agencies in California. The City of Elk Grove (the "City") is a member of the CMFA and a participant in BOLD. KB Homes, LP (the "Developer") previously submitted an application to the CMFA to use BOLD in relation to the Developer's proposed development of certain property located in the City.

On September 16, 2022 the CMFA adopted a resolution stating its intention to form a proposed community facilities district (the "Resolution of Intention to Form CFD") to be called California Municipal Finance Authority Community Facilities No. 2022-23 (City of Elk Grove – Elk Grove Landing), and a resolution stating its intention to incur bonded indebtedness for such CFD (the "Resolution of Intention to Incur Bonded Indebtedness").

On October 28, 2022, the CMFA held a public hearing on the formation of the CFD and the incurrence of bonded indebtedness for the CFD and held the special election on the formation of the CFD. The CMFA then adopted the following resolutions to facilitate the formation of California Municipal Finance Authority Community Facilities District No. 2022-23:

- Resolution of the Board of Directors of the California Municipal Finance Authority Forming California Municipal Finance Authority Community Facilities District No. 2022-23 (City of Elk Grove – Elk Grove Landing) (the “Resolution of Formation”).
- Resolution of the Board of Directors of the California Municipal Finance Authority Determining Necessity to Incur Bonded Indebtedness and Other Debt in and for California Municipal Finance Authority Community Facilities District No. 2022-23 (City of Elk Grove – Elk Grove Landing) (the “Resolution Determining Necessity”).
- Resolution of the Board of Directors of the California Municipal Finance Authority Calling Special Election in and for California Municipal Finance Authority Community Facilities District No. 2022-23 (City of Elk Grove – Elk Grove Landing) (the “Resolution Calling Election”).
- Resolution of the Board of Directors of the California Municipal Finance Authority Declaring Results of Special Election and Directing Recording of Notice of Special Tax Lien in and for Each Improvement Area in California Municipal Finance Authority Community Facilities District No. 2022-23 (City of Elk Grove – Elk Grove Landing) (the “Resolution Declaring Election Results”).

Ordinance:

The final legislative act for the formation of California Municipal Finance Authority Community Facilities District No. 2022-23 at the October 28, 2022 CMFA meeting of the Board of Directors was the introduction of the ordinance levying special taxes on the land in the CFD. The Board of Directors of the CMFA is now being asked to approve this Ordinance.

The Ordinance of the Board of Directors Levying Special Taxes on the land in the CFD will support the bonds and the services by this ordinance. The special tax lien puts the rate and method of apportionment for each Improvement Area on record for all parcels within the applicable Improvement Area. The levy conforms to the special tax formula approved by the Board in the Resolution of Formation and provides for the taxes to be collected each year on the general tax rolls of the County.

The Project:

The proposed CFD includes approximately 12 acres being developed as 85 single family residential units ranging in size from 1,404 sq. ft to 2,111 sq. ft.. The Developer KB Homes will develop the lots and will build 100% of the homes within the CFD.

The final map for the project was recorded in August of 2022. Model homes are anticipated to be completed by November 2022 with sales starting in February 2023. Production homes are anticipated to be issued in March 2023, with first deliveries to homeowners in September 2023. All infrastructure and grading for the project is anticipated to be complete by October 2022. Full build out is expected to occur April 2025.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed \$6,500,000 on behalf of the CFD and all improvement areas therein.

Future Action:

Bonds payable from the special taxes are expected to be issued in late 2023 subject to further resolution and approval. The Elk Grove Landing CFD will be sold as a pooled financing.

MONUMENT SPRINGS COMMUNITY FACILITIES DISTRICT

Applicant: Guntert Family and Elliot Homes, Inc.

Amount: \$23,400,000

Action: Approval

Purpose: Approve Resolutions Initiating Formation of CMFA Community Facilities District No. 2022-4 (City of Rocklin – Monument Springs) Improvement Area No. 1 and Future Annexation Area

Activity: BOLD/ Community Facilities District

Meeting: November 18, 2022

Background and Resolutions:

The CMFA's BOLD Program ("BOLD") utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the "Act") to raise revenues for the infrastructure needs of local agencies in California. The City of Rocklin (the "City") is a member of the CMFA and a participant in BOLD. Guntert Family and Elliot Homes, Inc. (the "Developer") have submitted an application to the CMFA to use BOLD in relation to the Developer's proposed development of certain property located in the City. The CMFA and the City have accepted such application.

The applicant has requested formation of a community facilities district which will facilitate the future issuance of bonds by the CMFA under the program. Proceeds of bonds will primarily be used to finance fees and public infrastructure facilities to be owned by the City.

As an initial step in using BOLD for the financing, the CMFA needs to form a community facilities district. The proposed community facilities district will be called California Municipal Finance Authority Community Facilities District No. 2022-4 (City of Rocklin – Monument Springs) (the "CFD").

Under the Act, it is a requirement that the CMFA, as the entity forming the CFD, adopt a resolution stating its intention to form the CFD, stating the types of public facilities to be financed on behalf of the CFD, setting forth the rate and method of apportionment of a proposed special tax to be levied in the CFD, and establishing the boundary of the CFD. A resolution meeting the

requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Establish California Municipal Finance Authority Community Facilities District No. 2022-4 (City of Rocklin – Monument Springs), and to Levy a Special Tax to Finance the Acquisition and Construction of Certain Public Facilities in and for such Community Facilities District (the “Resolution of Intention to Form CFD”).

It is also a requirement under the Act that the CMFA, as the entity forming the CFD, adopt a resolution stating its intention to issue bonds payable from the levy of a special tax within the CFD. A resolution meeting that requirement of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Incur a Bonded Indebtedness in and for the California Municipal Finance Authority Community Facilities District No. 2022-4 (City of Rocklin – Monument Springs) to Finance the Acquisition and Construction of Certain Public Facilities (the “Resolution of Intention to Incur Bonded Indebtedness”).

The Project:

Improvement Area No. 1 of the CFD will include 95 single family units known as Vista Oaks. Improvement Area No. 1 will include three final maps. The final map for the first 41 lots will be recorded in October of 2022. No development has been started to-date, but site development is anticipated to commence in the Spring of 2023.

Additional property will be annexed into the CFD in the future. The exact timing of the annexation is yet to be determined.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed \$23,400,000 on behalf of the CFD allocated as follows: (i) for Improvement Area No. 1, the bonded indebtedness limit is \$11,300,000, and (ii) for the portion of the CFD that is not currently in Improvement Area No. 1, the bonded indebtedness limit is not to exceed \$12,100,000.

Future Action:

Under the Act, at a future meeting of the CMFA Board of Directors, the Board of Directors will need to hold a public hearing and adopt additional resolutions formally creating the CFD, authorizing the incurrence of bonded indebtedness for the CFD, levying the special tax within the CFD, and certain other related matters. The Monument Springs CFD will likely be pooled with other like-sized CFDs, and sold as a combined financing. Depending on development status, the Monument Springs Bridge CFD may be included in a pool in 2023 or 2024.

Authorized Facilities:

Authorized facilities and costs that may be funded through the California Municipal Finance Authority Community Facilities District No. 2022-4 (City of Rocklin – Monument Springs) (the “CFD”) include the following public improvements, development impact fees funding public improvements, and formation and administrative expenses.

Facilities:

The CFD is authorized to finance the purchase, construction, expansion, improvement, or rehabilitation of any real or other tangible property with an estimated useful life of five years or longer, together with the planning and design work that is directly related to the purchase, construction, expansion, or rehabilitation of any real or tangible property (collectively, the “Facilities”), including, but not be limited to, transportation facilities, water, sewer and storm drain facilities, parks, parkways, and open space.

Fees Financing Public Improvements:

Authorized facilities include development impact fees paid and not otherwise reimbursed, whether City, County, or other local agency fees. The authorized facilities include, but are not limited to, capital facilities funded by the following fees:

City of Rocklin

- Traffic Fee
- Public Facilities Fee

Other Local Agencies

Amount:	\$5,000,000
Purpose:	Finance Affordable Multi-Family Rental Housing Facility Located in the City of Santa Ana, Orange County, California
Activity:	Affordable Housing
Meeting:	November 18, 2022

Amendment - February 26, 2021:

The North Harbor Village Final Resolution was approved on February 26, 2021. The project has applied and received Supplemental allocation of \$5,000,000.

Background:

Jamboree's mission is to create opportunity for their residents with the homes they build and the services they provide. It's an opportunity for families, seniors and those with special needs to access homes they can afford, with distinctive resident services that are responsive and that strengthen the community.

They achieve their mission through the development and construction of new affordable rental and for-sale housing; the preservation of existing affordable housing units through acquisition and rehabilitation; and partnerships with cities to develop broader community and economic opportunities.

Founded in 1990 by the late Lila Lieberthal, a life-long affordable housing advocate, Jamboree has experienced steady growth and geographic expansion. Today, their portfolio includes development and/or ownership interest of nearly 6,300 affordable homes in 61 California communities – topping a market value of \$1 billion.

The Project:

North Harbor Village is a new construction project located in Santa Ana on a 1.79-acre site. The project will consist of 89 restricted rental units and 2 unrestricted manager units. The project will have 89 studios, 1 two-bedroom unit and 1 three-bedroom unit. The project will feature a community garden, sports court and dog run. The leasing area will be where the existing motel lobby area is located. New unit amenities will include air conditioning, refrigerator, range/oven, microwave, various furnishings, wall mounted A/C and curtains/blinds. Current units will be upgraded with new kitchen and bathroom cabinetry, new vinyl plank flooring, interior paint, 2-burner electric stove top, refrigerator, and microwave furnishing. The units will also get new heating and cooling equipment. The property currently has a pool that will be removed for a new resident services/leasing building. Solar panels will be added to the project's roof area. The construction is expected to begin March 2021 and complete by June 2022. The financing of this project will result in the addition of 89 units of affordable housing for low-income households in the City of Santa Ana for 55 years.

RANCHO SIERRA SENIOR APARTMENTS SUMMARY AND RECOMMENDATIONS

Applicant:	Many Mansions
Action:	Final Resolution
Amount:	\$45,000,000
Purpose:	Finance an Affordable Multi-Family Rental Housing Facility Located in Unincorporated Ventura County, California
Activity:	Affordable Housing
Meeting:	November 18, 2022

Background:

On August 24, 1979, Many Mansions was incorporated as a California nonprofit corporation. Many Mansions initially devoted themselves to rental assistance. Over the next approximately eight years, Many Mansions ran the successful “Adopt-A-Family” program in which donors from the community would donate money to be used as rental assistance for families that needed help. However, Many Mansions had no control over this housing—its condition, its rental levels, and the amenities. During 1986-87, Many Mansions embarked upon its first development project. Many Mansions, along with the City of Thousand Oaks and the Conejo Future Foundation, developed Schillo Gardens. Financed through the federal tax credit program and with assistance from the City of Thousand Oaks, Schillo Gardens housed individuals and families who were low-income and whose rent would be set accordingly. Many Mansions has continued to grow its portfolio and develop affordable housing.

Many Mansions Children and Adult Service Programs have distinguished them from other affordable housing providers. They have led the fight to end homelessness, and their compassionate and supportive services have made them the ideal housing provider of the disabled.

The Project:

Rancho Sierra Senior Apartments is a new construction project located in Unincorporated Ventura County on a 2.02-acre site. The project consists of 49 restricted rental units and 1 unrestricted manager's unit. The project will have 49 one-bedroom units and 1 two-bedroom unit for the on-site manager. The building will be a two-story elevator serviced residential building. The bathrooms will include fiberglass tub/shower combination, mirror, sinks, and medicine cabinets. The construction is expected to begin December 2022 and be completed in April 2024. Purpose: Finance the Development of Affordable Multi-Family Rental Housing in the City of Morgan Hill, Santa Clara County, California

Activity: Affordable Housing

Meeting: November 18, 2022

Background:

Eden Housing's Mission is to build and maintain high-quality, well-managed, service-enhanced affordable housing communities that meet the needs of lower income families, seniors, and persons with disabilities.

Eden Housing was founded in May of 1968 by six community activists who were greatly concerned about the lack of non-discriminatory, affordable housing in Alameda County. These pioneers, working out of makeshift "headquarters" such as local coffee shops, were initiated into affordable housing development by rehabilitating six older homes in Oakland for first time homebuyer families.

Since those pioneering days, Eden Housing has developed or acquired more than 7,500 affordable housing units within 100 properties that have provided homes for more than 65,000 people over

the years. Eden's housing now includes rental apartments, first-time homeowner opportunities, cooperatives, and supportive living environments for families, seniors and people with disabilities.

Eden Housing revitalizes California communities through their affordable housing development and property management activities, the partnerships they establish and the investments they make in California neighborhoods, and through the free social services and supportive programs they provide to meet the needs of their residents.

TESORO HIGHLANDS COMMUNITY FACILITIES DISTRICT SUMMARY AND RECOMMENDATIONS

Applicant: Newport Pacific Land Company, LLC

Amount: \$91,000,000

Action: Approval

Purpose: Approve Resolutions Forming CMFA Community Facilities District No. 2022-25 (City of Santa Clarita – Tesoro Highlands) Authorizing Incurrence of Bonded Indebtedness and Holding Special Landowner Election

Activity: BOLD/ Community Facilities District

Meeting: November 18, 2022

Background and Resolutions:

The CMFA's BOLD Program ("BOLD") utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the "Act") to raise revenues for the infrastructure needs of local agencies in California. The City of Santa Clarita (the "City") is a member of the CMFA and a participant in BOLD. Newport Pacific Land Company, LLC (the "Developer") previously submitted an application to the CMFA to use BOLD in relation to the Developer's proposed development of certain property located in the City. The CMFA and the City previously accepted such application, and on October 7, 2022, the Board of Directors of the CMFA took the initial steps toward formation of a community facilities district for the project under the Act. The resolutions being considered by the Board on November 18, 2022 will complete the formation of the community facilities district and authorize the levying of special taxes and incurrence of bonded indebtedness for the community facilities district.

As an initial step in using BOLD for the financing of public infrastructure to be owned by a local agency such as the City, the CMFA needs to form a community facilities district. On October 7, 2022 the CMFA adopted a resolution stating its intention to form a proposed community facilities district (the "Resolution of Intention to Form CFD") to be called California Municipal Finance Authority Community Facilities No. 2022-25 (City of Santa Clarita – Tesoro Highlands), and a resolution stating its intention to incur bonded indebtedness for such CFD (the "Resolution of Intention to Incur Bonded Indebtedness").

Under the Act, the process of completing the formation of the CFD requires a noticed public hearing, the adoption of a resolution forming the CFD, the holding of a landowner election, and the adoption of an ordinance levying the special taxes. To form the CFD, the Board of Directors of the CMFA will first hold a public hearing on the formation of the CFD and the incurrence of bonded indebtedness for the CFD and consider any public comments received. After the public hearing, if there are no majority protests received, the Board of Directors of the CMFA can then proceed to adopt the resolution of formation for the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Forming California Municipal Finance Authority Community Facilities District No. 2022-25 (City of Santa Clarita – Tesoro Highlands).

Next, the Board of Directors of the CMFA can adopt a resolution authorizing the issuance of debt for the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Determining Necessity to Incur Bonded Indebtedness and Other Debt in and for California Municipal Finance Authority Community Facilities District No. 2022-25 (City of Santa Clarita – Tesoro Highlands) (the “Resolution Determining Necessity”).

After adoption of the Resolution Determining Necessity, the Board of Directors of the CMFA can proceed to adopt a resolution calling for a special landowner election of the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Calling Special Election in and for California Municipal Finance Authority Community Facilities District No. 2022-25 (City of Santa Clarita – Tesoro Highlands) (the “Resolution Calling Election”). The election is allowed to be held as part of this meeting since timing waivers from 100% of the landowner voters have been received by the CMFA. The Secretary will canvass the results of the landowner election. These ballots have already been received by the Secretary.

The Board of Directors of the CMFA can then proceed to adopt a resolution declaring the results of the landowner election for the CFD and directing filing of the Notice of the Special Tax Lien with the County Recorder for Los Angeles County. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring Results of Special Election and Directing Recording of Notice of Special Tax Lien in California Municipal Finance Authority Community Facilities District No. 2022-25 (City of Santa Clarita – Tesoro Highlands) (the “Resolution Declaring Election Results”). The special tax lien puts the rate and method of apportionment on record for all parcels within the applicable Community Facilities District.

The final legislative act is the introduction of an ordinance levying special taxes on the land in the CFD. Assuming its introduction on November 18, 2022, the ordinance can be finally adopted at a subsequent Board meeting.

The Project:

The proposed CFD includes approximately 470 acres being developed as 820 single family residential units. The Developer will develop the lots and will then sell the lots to national homebuilders. 365 of the units will be age qualified. The age qualified units will be exempt from the CFD special tax other than the services component of the tax. The CFD will include three improvement Areas – IA1 consisting of 318 units, IA2 consisting of 137 units and IA3 consisting of the 365 age restricted units.

Grading is currently underway as well as infrastructure improvements. First lot closings are anticipated to occur in Q4 2022 with vertical construction commencing Q1 2023 and first home closings occurring Q3 2023. The project is fully entitled but final tract maps still need to be recorded.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed \$91,000,000 on behalf of the CFD and all improvement areas therein.

Future Action:

The ordinance levying special taxes on the land in the CFD will be finally adopted at a subsequent Board meeting of the CMFA Board of Directors. The Tesoro Highlands CFD is a large district that will issue more than one series of bonds over time. As a result, it will not be pooled with other financings but instead will have bonds issued over time. Depending on development status, the first improvement area may issue bonds in late 2023.

Authorized Facilities:

The California Municipal Finance Authority Community Facilities District No. 2022-25 (City of Santa Clarita – Tesoro Highlands) (the “CFD”) is authorized to finance, in whole or in part, the following facilities and services:

Authorized Facilities, Including Fees Financing Facilities:

In accordance with the Act, the CFD is authorized to finance the purchase, construction, expansion, improvement, or rehabilitation of any real or other tangible property with an estimated useful life of five years or longer, together with the planning and design work that is directly related to the purchase, construction, expansion, or rehabilitation of any real or tangible property (collectively, the “Facilities”), including, but not be limited to, transportation facilities, water, sewer and storm drain facilities, parks, parkways, and open space. The Facilities may be constructed and installed by the City of Santa Clarita (the “City”) and/or acquired by the City from private parties that construct the Facilities. Authorized facilities include, but are not limited to, the following:

- Avenida Rancho Tesoro Street Improvements
- Copper Hills Bridge
- Storm drain improvements and debris basins

Authorized facilities include facilities financed by development impact fees paid and not otherwise reimbursed, whether the City, County, or other local agency fees, including but not limited to the following:

- Bridge and Thoroughfare Fees
- Los Angeles County Sanitation District Fees

Authorized Services:

The CFD is authorized to finance the operation and maintenance of open space in the City (the "Services.") By way of example and not limitation, the CFD may fund any of the following related to the Services: furnishing, operating and maintaining equipment, apparatus or facilities related to providing the Services and/ or equipment, apparatus, facilities or fixtures in areas to be maintained, paying the salaries and benefits of personnel necessary or convenient to provide the Services, payment of insurance costs and other related expenses and the provision of reserves for repairs and replacements and for the future provision of Services. It is expected that the Services will be provided by the City, either with its own employees or by contract with third parties, or any combination thereof.

Authorized facilities also include Formation, Administrative, and other Incidental Expenses as authorized by the Mello-Roos Act.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors adopt the Resolution of Formation, the Resolution Determining Necessity to Incur Bonded Indebtedness in an amount not to exceed \$91,000,000, the Resolution Calling Election, the Resolution Declaring Election Results, and introduce the Ordinance.

JASPER & CROSSINGS COMMUNITY FACILITIES DISTRICT SUMMARY AND RECOMMENDATIONS

Applicant: Pacific Communities

Amount: \$12,760,000

Action: Approval

Purpose: Approve Resolutions Forming CMFA Community Facilities District No. 2022-28 (City of Victorville – Jasper & Crossings) Authorizing Incurrence of Bonded Indebtedness and Holding Special Landowner Election

Activity: BOLD/ Community Facilities District

Meeting: November 18, 2022

Background and Resolutions:

The CMFA's BOLD Program ("BOLD") utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the "Act") to raise revenues for the infrastructure needs of local agencies in California. The City of Victorville (the "City") is a member of the CMFA and a participant in BOLD. Pacific Communities (the "Developer") previously submitted an application to the CMFA to use BOLD in relation to the Developer's proposed development of certain property located in the City. The CMFA and the City previously accepted such application, and on October 7, 2022, the Board of Directors of the CMFA took the initial steps toward formation of a community facilities district for the project under the Act. The resolutions being considered by the Board on November 18, 2022 will complete the formation of the community facilities district and authorize the levying of special taxes and incurrence of bonded indebtedness for the community facilities district.

As an initial step in using BOLD for the financing of public infrastructure to be owned by a local agency such as the City, the CMFA needs to form a community facilities district. On October 7, 2022 the CMFA adopted a resolution stating its intention to form a proposed community facilities district (the "Resolution of Intention to Form CFD") to be called California Municipal Finance Authority Community Facilities No. 2022-28 (City of Victorville – Jasper & Crossings), and a resolution stating its intention to incur bonded indebtedness for such CFD (the "Resolution of Intention to Incur Bonded Indebtedness").

Under the Act, the process of completing the formation of the CFD requires a noticed public hearing, the adoption of a resolution forming the CFD, the holding of a landowner election, and the adoption of an ordinance levying the special taxes. To form the CFD, the Board of Directors of the CMFA will first hold a public hearing on the formation of the CFD and the incurrence of bonded indebtedness for the CFD and consider any public comments received. After such public hearing, if there is no majority protest received, the Board of Directors of the CMFA can then proceed to adopt the resolution of formation for the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Forming California Municipal Finance Authority Community Facilities District No. 2022-28 (City of Victorville – Jasper & Crossings).

Next, the Board of Directors of the CMFA can adopt a resolution authorizing the issuance of debt for the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Determining Necessity to Incur Bonded Indebtedness and Other Debt in and for California Municipal Finance Authority Community Facilities District No. 2022-28 (City of Victorville – Jasper & Crossings) (the “Resolution Determining Necessity”).

After adoption of the Resolution Determining Necessity, the Board of Directors of the CMFA can proceed to adopt a resolution calling for a special landowner election of the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Calling Special Election in and for California Municipal Finance Authority Community Facilities District No. 2022-28 (City of Victorville – Jasper & Crossings) (the “Resolution Calling Election”). The election is allowed to be held as part of this meeting since timing waivers from 100% of the landowner voters have been received by the CMFA. The Secretary will canvass the results of the landowner election. These ballots have already been received by the Secretary.

The Board of Directors of the CMFA can then proceed to adopt a resolution declaring the results of the landowner election for the CFD and directing filing of the Notice of the Special Tax Lien with the County Recorder for San Bernardino County. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring Results of Special Election and Directing Recording of Notice of Special Tax Lien in California Municipal Finance Authority Community Facilities District No. 2022-28 (City of Victorville – Jasper & Crossings) (the “Resolution Declaring Election Results”). The special tax lien puts the rate and method of apportionment on record for all parcels within the applicable Community Facilities District.

The final legislative act is the introduction of an ordinance levying special taxes on the land in the CFD. Assuming its introduction on November 18, 2022, the ordinance can be finally adopted at a subsequent Board meeting.

The Project:

The proposed CFD includes approximately 44 acres being developed as 246 single family residential units. The Developer will develop the lots and will then build 100% of the homes located within the CFD.

The CFD consists of two tracts which were partially completed by a prior developer. All lots are in finished condition with recorded final maps. 4 model homes are under construction and will open Q4 2022. First home closings are expected to occur in February of 2022.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed \$12,760,000 on behalf of the CFD and all improvement areas therein.

Future Action:

The ordinance levying special taxes on the land in the CFD will be finally adopted at a subsequent Board meeting of the CMFA Board of Directors. The Jasper & Crossings CFD will likely be pooled with other like-sized CFDs and sold as a combined financing. Depending on development status, the Jasper & Crossings CFD will likely be included in a pooled financing in 2023.

Authorized Facilities:

Authorized facilities and costs that may be funded through the California Municipal Finance Authority Community Facilities District No. 2022-28 (City of Victorville – Jasper & Crossings) (the “CFD”) include the following public improvements, development impact fees funding public improvements, and formation and administrative expenses.

Facilities:

The CFD is authorized to finance the purchase, construction, expansion, improvement, or rehabilitation of any real or other tangible property with an estimated useful life of five years or longer, together with the planning and design work that is directly related to the purchase, construction, expansion, or rehabilitation of any real or tangible property (collectively, the “Facilities”), including, but not be limited to, transportation facilities, water, sewer and storm drain facilities, parks, parkways, and open space.

Fees Financing Public Improvements:

Facilities include those financed by development impact fees paid and not otherwise reimbursed, whether City, County, or other local agency fees, including but not limited to the following:

City of Victorville

- Public Buildings
- Fire Facilities
- Parks
- Police Facilities
- Roads
- Drainage Fee
- Wastewater Treatment Plant Fee
- Sewer Capacity Fee
- Water Fee and Meter Fee

Other Local Agencies

- Victorville Water District Fees

Authorized facilities also include Formation, Administrative, and other Incidental Expenses as authorized by the Mello-Roos Act.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors adopt the Resolution of Formation, the Resolution Determining of Necessity to Incur Bonded Indebtedness in and amount not to exceed \$12,760,000, the Resolution Calling Election, the Resolution Declaring Election Results, and introduce the Ordinance.
