BOLD PROGRAM
SUMMARY AND RECOMMENDATIONS

Action: Resolution

Purpose: Approve an Interpretation of the Rate and Method of Apportionment of Special Tax for Improvement Area No. 3 of California Municipal Finance Authority Community Facilities District No. 2022-25 (City of Santa Clarita – Tesoro Highlands)

Activity: BOLD/ Community Facilities District

Meeting: February 3, 2023

Background and Resolution:

On November 18, 2022, the Board of Directors of the California Municipal Finance Authority established the California Municipal Finance Authority Community Facilities District No. 2022-25 (City of Santa Clarita – Tesoro Highlands) and designated therein: (a) Improvement Area No. 1, Improvement Area No. 2 and Improvement Area No. 3 (Open Space Maintenance) of California Municipal Finance Authority Community Facilities District No. 2022-25 (City of Santa Clarita – Tesoro Highlands), in accordance with the Mello-Roos Community Facilities Act of 1982. In the formation proceedings for the CFD and the Improvement Areas, the Authority approved the Rate and Method of Apportionment (RMA) of the special taxes to be levied within Improvement Area No. 1, Improvement Area No. 2, and Improvement Area No. 3. Due to a scrivener's error, there is a reference to "month of April" in the defined term "Consumer Price Index" contained in the Rate and Method of Apportionment for Improvement Area No. 3, which is inconsistent with the Rate and Method of Apportionment for Improvement Area No. 1 and Improvement Area No. 2, each of which refers to the "month of May," as intended.

The Rate and Method of Apportionment for Improvement Area No. 3 provides that interpretations may be made by Resolution of the Board to interpret, clarify, and/or revise the Rate and Method to correct any inconsistency, vagueness, or ambiguity as it relates to the special taxes, method of apportionment, classification of properties, or any definition applicable to the CFD and the Improvement Areas, as long as such correction does not materially affect the levy and collection of special taxes. The resolution before the Board today approves the change of the definition of "Consumer Price Index" contained in the Rate and Method of Apportionment for Improvement Area No. 3 to read:

"Consumer Price Index" means, for each Fiscal Year, the Consumer Price Index published by the U.S. Bureau of Labor Statistics for "All Urban Consumers" in the Los Angeles-Long Beach-Anaheim Area, measured as of the month of May in the previous Fiscal Year. In the event this index ceases to be published, the Consumer Price Index shall be another index that is reasonably comparable to the Consumer Price Index for the Los Angeles-Long Beach-Anaheim Area, as determined by the Administrator."

The proposed change to the definition of "Consumer Price Index" in the Rate and Method for Improvement Area No. 3 shall not materially affect the levy and collection of the special taxes but will ensure the maximum special tax rates for "Special Tax B" are increased by the same "Consumer Price Index" throughout the CFD.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors approve the interpretation of the Rate and Method of Apportionment of Special Tax for Improvement Area No. 3 of California Municipal Finance Authority Community Facilities District No. 2022-25 (City of Santa Clarita – Tesoro Highlands).

SUNBOW COMMUNITY FACILITIES DISTRICT
SUMMARY AND RECOMMENDATIONS

Applicant: Lennar

Amount: $53,000,000

Action: Resolution

Purpose: Approve Resolutions Initiating Formation of CMFA Community Facilities District No. 2022-27 (City of Chula Vista – Sunbow) and to Levy a Special Tax to Finance the Acquisition and Construction of Certain Public Facilities

Activity: BOLD/ Community Facilities District

Meeting: February 3, 2023

Background and Resolutions:

CMFA's BOLD Program ("BOLD") utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the "Act") to raise revenues for the infrastructure needs of local agencies in California. The City of Chula Vista (the "City") is a member of CMFA and a participant in BOLD. Lennar (the "Developer") has submitted an application to CMFA to use BOLD in relation to the Developer's proposed development of certain property located in the City. CMFA and the City have accepted such application.

The developer has requested formation of a community facilities district which will facilitate the future issuance of bonds by the CMFA under the program. Proceeds of bonds will be used to finance public infrastructure and impact fees.

As an initial step in using BOLD for the financing, CMFA needs to form a community facilities district. The proposed community facilities district will be called California Municipal Finance Authority Community Facilities District No. 2022-27 (City of Chula Vista – Sunbow) (the "CFD").

Under the Act, it is a requirement that CMFA, as the entity forming the CFD, adopt a resolution stating its intention to form the CFD, stating the types of public facilities to be financed on behalf of the CFD, setting forth the rate and method of apportionment of a proposed special tax to be

levied in the CFD, and establishing the boundary. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority declaring its intention to establish California Municipal Finance Authority Community Facilities District No. 2022-27 (City of Chula Vista – Sunbow), and to Levy a Special Tax to Finance the Acquisition and Construction of Certain Public Facilities in and for such Community Facilities District (the "Resolution of Intention to Form CFD").

It is also a requirement under the Act that CMFA, as the entity forming the CFD, adopt a resolution stating its intention to issue bonds payable from the levy of a special tax within the CFD. A resolution meeting that requirement of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Incur Bonded Indebtedness in and for the California Municipal Finance Authority Community Facilities District No. 2022-27 (City of Chula Vista – Sunbow) to Finance the Acquisition and Construction of Certain Public Facilities (the "Resolution of Intention to Incur Bonded Indebtedness").

The Project:

The CFD is comprised of 135.7 acres, 44.2 of which are planned for residential development and .9 containing a community facility site. The development includes 718 for sale units comprised of 184 high density multifamily units and 534 medium density single family units. Lennar is developing the entire project and will build and sell the units to homebuyers.

All discretionary approvals for the project have been received and the final map for all 718 units will be recorded by the end of Q1 2023. Home construction is planned to start Q1 2023 and will be open for sale in August/September 2023. Construction on both unit types will commence at the same time with the final build out anticipated to occur in 2029.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed $53,000,000 on behalf of the CFD and all improvement areas therein.

Future Action:

Under the Act, at a future meeting of the CMFA Board of Directors, the Board of Directors will need to hold a public hearing and adopt additional resolutions formally creating the CFD, authorizing the incurrence of bonded indebtedness for the CFD, levying the special tax within the CFD, and certain other related matters. The Sunbow CFD is a large district that will likely issue more than one series of bonds over time. As a result, it will not be pooled with other financings but instead will have bonds issued over time. Depending on development status, the first improvement area may issue bonds as early as late 2023.

Authorized Facilities:

Authorized facilities and costs that may be funded through the California Municipal Finance Authority Community Facilities District No. 2022-27 (City of Chula Vista – Sunbow) (the

"CFD") include the following public improvements, development impact fees funding public improvements, and formation and administrative expenses.

Facilities:
The CFD is authorized to finance the purchase, construction, expansion, improvement, or rehabilitation of any real or other tangible property with an estimated useful life of five years or longer, together with the planning and design work that is directly related to the purchase, construction, expansion, or rehabilitation of any real or tangible property (collectively, the "Facilities"), including, but not be limited to, transportation facilities, water, sewer and storm drain facilities, parks, parkways, and open space.

Fees Financing Public Improvements:
Authorized facilities include any facilities authorized by the Mello-Roos Community Facilities Act of 1982 (Mello-Roos Act) that are financed in whole or in part by development impact fees levied in connection with development of the property, whether by the City of Chula Vista (City), the County of San Diego (County), or any other local agency. By way of example and not limitation, authorized facilities include facilities to be constructed using the following development impact fees levied by the city:

- Eastern Transportation Fees
- Traffic Signal Fees
- Park Benefit Fee
- Poggie Sewer Basin DIF
- Public Facilities DIF
- Sewer Capacity Charges

Authorized facilities also include Formation, Administrative, and other Incidental Expenses as authorized by the Mello-Roos Act.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors adopt the Resolution of Intention to Form CFD and the Resolution of Intention to Incur Bonded Indebtedness in and amount not to exceed $53,000,000.

Final maps for both Agave and Lily have been submitted and are awaiting final approval. Construction of homes in Agave is planned for Q1 2023 and construction of homes for Lily will commence mid-2023.

The final map has been recorded for the development, and all lots are in finished condition with infrastructure construction complete. First home sales are commenced December 2022 and are expected to conclude February 2024.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed $4,800,000 on behalf of the CFD and all improvement areas therein.

Future Action:

Under the Act, at a future meeting of the CMFA Board of Directors, the Board of Directors will need to hold a public hearing and adopt additional resolutions formally creating the CFD, authorizing the incurrence of bonded indebtedness for the CFD, levying the special tax within the CFD, and certain other related matters. The Morgan Knolls CFD will likely be pooled with other like-sized CFDs, and sold as a combined financing. Depending on development status, the Whitehawk II CFD will likely be included in a pooled financing in 2023.

TIMBER SENIOR APARTMENTS
SUMMARY AND RECOMMENDATIONS

Applicant:	Eden Housing, Inc.
Action:	Initial Resolution
Amount:	$50,000,000
Purpose:	Finance an Affordable Multifamily Rental Housing Project Located in the City of Newark, Alameda County, California
Activity:	Affordable Housing
Meeting:	February 3, 2023

Background:

Eden Housing's Mission is to build and maintain high-quality, well-managed, service-enhanced affordable housing communities that meet the needs of lower income families, seniors, and persons with disabilities.

Eden Housing was founded in May of 1968 by six community activists who were greatly concerned about the lack of non-discriminatory, affordable housing in Alameda County. These pioneers, working out of makeshift "headquarters" such as local coffee shops, were initiated into affordable housing development by rehabilitating six older homes in Oakland for first time homebuyer families.

Since those pioneering days, Eden Housing has developed or acquired more than 7,500 affordable housing units within 100 properties that have provided homes for more than 65,000 people over the years. Eden's housing now includes rental apartments, first-time homeowner opportunities, cooperatives, and supportive living environments for families, seniors and people with disabilities.

Eden Housing revitalizes California communities through their affordable housing development and property management activities, the partnerships they establish and the investments they make in California neighborhoods, and through the free social services and supportive programs they provide to meet the needs of their residents.

The Project:

The Timber Senior Apartments is a new construction project that will provide 79 units of new affordable housing for seniors in a convenient location in the City of Newark, California. The project will redevelop a 1-acre site and fulfill the city's vision of transforming the surrounding neighborhood from light industrial and warehouse space to a vibrant, walkable residential neighborhood. The proposed building is five stories tall with four stories of residential units surrounding an open courtyard that sits on top of the podium parking structure. This design affords the building a safe and private open space environment that is oriented to maximize sunlight. The target population for this development is low-income seniors. All of the units will be 1-bedrooms, so the community will support seniors living on their own as well as couples. This financing will create 78 units of affordable housing for Palo Alto households for the next 55 years.

Background:

BRIDGE Housing Corporation ("BRIDGE") is one of the country's premier developers of affordable housing and master planned developments. Their mission is to produce large volumes of high-quality homes for seniors and families of very low, low and moderate incomes. Since beginning active operations in 1983, BRIDGE has participated in the development of over 13,000 housing units in over 80 California communities, valued at more than $3 billion. BRIDGE Property Management Company has had the management capacity to maintain quality standards and community responsiveness in nearly 8,000 rental units.

BRIDGE builds a range of housing types that both fit comfortably into their surroundings and act as a catalyst for revitalizing and strengthening neighborhoods. BRIDGE not only specializes in bringing affordable housing to all income levels, but it also works to develop housing for all age levels. BRIDGE has been a leader in providing high-quality affordable housing for seniors, helping to enhance the lives of all members of a community. The vast majority of the homes built by BRIDGE are affordable to families who earn approximately $15,000 - $50,000. The remainder is primarily affordable to households with moderate incomes. Approximately 78% of BRIDGE units are rentals; the balance of which is comprised of for-sale units affordable to first time homebuyers. The Project:

The 1740 San Pablo apartments project is a new construction project located in Berkeley, CA. The project will provide 54 units of affordable housing for large family households earning between 30-60% Area Median Income (AMI). Purpose:	Finance an Affordable Multifamily Rental Housing Project Located in the City of Santa Cruz, Santa Cruz County, California
Activity:	Affordable Housing
Meeting:	February 3, 2023

Background:

Eden Housing's Mission is to build and maintain high-quality, well-managed, service-enhanced affordable housing communities that meet the needs of lower income families, seniors, and persons with disabilities.

Eden Housing was founded in May of 1968 by six community activists who were greatly concerned about the lack of non-discriminatory, affordable housing in Alameda County. These pioneers, working out of makeshift "headquarters" such as local coffee shops, were initiated into affordable housing development by rehabilitating six older homes in Oakland for first time homebuyer families.

Since those pioneering days, Eden Housing has developed or acquired more than 7,500 affordable housing units within 100 properties that have provided homes for more than 65,000 people over the years. Eden's housing now includes rental apartments, first-time homeowner opportunities, cooperatives, and supportive living environments for families, seniors and people with disabilities.

Eden Housing revitalizes California communities through their affordable housing development and property management activities, the partnerships they establish and the investments they make in California neighborhoods, and through the free social services and supportive programs they provide to meet the needs of their residents.

The Project:

The Pacific Station North Apartments project is a new construction project consisting of 128 Apartments in a 7-story structure with new retail and a new Metro Transit Station in downtown Santa Cruz. The project will offer studios, one-, two- and three-bedroom apartments targeting families. The community will feature sustainable design, drought-tolerant landscaping, and high-quality finishes. Amenities will include a community room, computer lab, laundry facilities and outdoor space including a tot lot. Services will be provided to residents by Eden Housing Resident Services, Inc. (EHRSI), who provides services at all of Eden's properties. EHRSI's Resident Services staff works with residents one-on-one and in group settings and coordinates educational, financial literacy, wellness, and community-building activities. This financing will create 126 units of affordable housing for Santa Cruz residents for the next 55 years.

Meeting:	February 3, 2023

Background:

Community Housing Development Corporation of North Richmond ("CHDC") was founded in 1990 by local leaders in North Richmond working to eliminate blight, improve housing opportunities for current and future residents, and create better economic conditions. It emerged from a housing committee of the North Richmond Neighborhood House and received early support from several local faith-based organizations.

Today, CHDC has added over 200 owner-occupied homes to the Richmond area along with street improvements, public services, senior and family rental housing; CHDC is a leader in the greater Richmond area in affordable homeownership and quality rental housing, and CHDC is recognized statewide for its asset-building programs for low-income households.

CHDC provides a broad range of affordable housing opportunities and services to enable low/moderate income residents to gain better housing and financial stability. Their unique approach to community development engages residents at the grassroots level and ensures that the whole neighborhood benefits from the affordable housing and neighborhood services provided. CHDC serves households throughout Contra Costa County and beyond. The majority of their clients live in the greater Richmond area. They serve people of all income levels but specialize in serving low- and moderate-income families. A large majority of their clients have incomes below 80% of the area median income.

The Project:

The Legacy Court is a 43-unit new construction, family project in Richmond serving households earning between 30-60% AMI. 13 units will be targeted to households experiencing homelessness. The project design concept consists of seven (7) individual, 2 and 3 story buildings, with townhouse apartments over flats. The development will provide a variety of common area amenities including landscaped open spaces, onsite parking and bicycle storage and onsite laundry facilities. A computer lab with high-speed internet connections will also be provided in one of the buildings. Onsite offices for property management and resident services are also included. Area amenities include the newly renovated Shields-Reid Park and Recreation Center, baseball field, elementary school, health center, county social services office, police sub-station, and soon to be constructed small grocery. A 3-acre farm by Urban Tilth, a community-based organization, is a ten-minute walk from the proposed housing development. Eden Housing's Mission is to build and maintain high-quality, well-managed, service-enhanced affordable housing communities that meet the needs of lower income families, seniors, and persons with disabilities.

The Project:

The Downtown River Apartments is an existing, occupied 81-unit apartment development with three ground floor retail/commercial spaces located at 35 East Washington Street in Petaluma. Eden built the four-story building in 2005. The development is adjacent to the Petaluma River to the west and is part of the downtown core. The building has three stories of wood frame construction with stucco siding over a podium garage. One elevator serves upper-level floors. The podium parking contains 129 stalls for residents and commercial tenants. Downtown River is 100% affordable and contains apartments ranging from 1-3 bedrooms. The development also contains 5,210 sq. ft. of ground floor commercial space. One of the three commercial spaces is occupied by a restaurant and the other two are vacant. The project includes substantial rehabilitation of the interior and exterior of the building including ventilation and energy efficiency upgrades. Six new units will be added by renovating the under-utilized ground floor commercial space using the recently adopted state Accessory Dwelling Unit (ADU) laws. The financing of this project will result in preserving affordable housing for 80 low-income households and the addition of 6 new units of affordable housing in the City of Oakland for the next 55 years.

Meeting:	February 3, 2023

Background:

The East Bay Asian Local Development Corporation ("EBALDC") was created around the dream of buying and preserving a beautiful but deteriorated warehouse in Oakland's Chinatown. That warehouse became the Asian Resource Center, a multi-service center to house social services and businesses. The Asian Resource center is home to EBALDC, various nonprofit agencies, retail businesses, medical facilities, school district classes, and the Asian Resource Art Gallery.

Since 1975, EBALDC community development efforts have included development of: over 1,600 affordable apartments and townhouses in 17 developments, five of which are historic structures; 124 first-time homeownership units; and 280,000 square feet of space for community organizations, including space for nonprofit organizations, resident services, childcare and small businesses.

In 1999, EBALDC created the Neighborhood Economic Development (NED) Department. The NED Department is dedicated to empowering diverse low-income individuals, families, businesses, and community organizations by mobilizing resources and facilitating collaborations. The NED department includes the following program areas: Family Economic Success (FES), Resident Services and Community Planning and Organizing.

EBALDC is a certified Community Housing Development Organization (CHDO) in Alameda and Contra Costa Counties and has won multiple awards for excellence in architectural design.

CROCKER UMEYA APARTMENTS
SUMMARY AND RECOMMENDATIONS

Applicant:	LTSC Community Development Corporation
Action:	Initial Resolution
Amount:	$100,000,000
Purpose:	Finance an Affordable Multi-Family Rental Housing Facility Located in the City of Los Angeles, Los Angeles County, California
Activity:	Affordable Housing
Meeting:	February 3, 2023

Background:

Founded in 1979 and incorporated in 1980 by a group of Japanese Americans activists who wanted to form a multipurpose social service center, Little Tokyo Service Center (LTSC) aimed to provide linguistically and culturally sensitive social services to the Little Tokyo community and the broader Japanese American community in Southern California.

In the late 1980s and early 1990s, LTSC began advocating for the housing rights of low-income residents who were being evicted to make way for private development. Out of this struggle, the community development arm of LTSC was formed in 1994.

Today, the focus is to promote community control and self-determination in Little Tokyo and with partners while continuing to provide social services to those in need.

The Mission of Little Tokyo Service Center is to provide a comprehensive array of social welfare and community development services to assist low-income individuals and other persons in need, contribute to community revitalization and cultural preservation in Little Tokyo and among the broader Japanese community in the Southland, and to provide such resources to neighboring Asian Pacific Islander and other low-income communities.

The Project:

The Crocker Umeya Apartments will be the new construction of a 100% affordable 175-unit, mixed-use, infill development. 88 of the units will be set aside as permanent supportive housing (PSH) and will serve homeless individuals and families that earn no more than 30% AMI. 85 units will be targeted towards individuals and families that earn no more than 60% AMI. The site currently consists of a vacant two-story building which LTSC plans to demolish at the start of construction and replace it with this new construction project. The previous owner and occupant, Umeya Rice Cake Factory, voluntarily left the property before the site was purchased in April 2019 and the demolition of the vacant building will not result in any residential unit demolition or displacement. A 29-stall basement level parking structure will provide residential parking, as well as additional stalls outfitted with EV charging stations and more than 120 bicycle parking spaces. The project's upper floor units are serviced by 3 elevators. The project will include 102 studios (average. 406 SF), 60 one-bedroom units (average 531 SF), and 13 two-bedroom units (average 768 SF), two of which are reserved as on-site Manager's Units. There will be common laundry rooms located on each of the six residential floors. The project will provide accessible units for persons with mobility impairments and units for persons with sensory impairments with communication features per CBC Chapter 11B. This financing will create 173 units of affordable housing for the City of Los Angeles for the next 55 years.

Amount:	$45,000,000
Purpose:	Finance Affordable Multi-Family Rental Housing Facility Located in the City of Buellton, Santa Barbara County, California
Activity:	Affordable Housing
Meeting:	February 3, 2023

Background:

The Mission of Peoples' Self-Help Housing is to provide affordable housing and programs leading to self-sufficiency for low-income families, seniors and other special needs groups on California's Central Coast. Peoples' Self-Help Housing ("PSHH") is a national award-winning non-profit organization that creates affordable housing and self-sufficiency programs on California's Central Coast; San Luis Obispo, Santa Barbara, and Ventura Counties.

In 1970 in San Luis Obispo, California, a small group of people and local community leaders were concerned about the lack of affordable housing available to low-income and special needs households. The group learned of a federally sponsored program available to non-profit sponsors to finance the construction of owner built low-income housing. The group incorporated to form Peoples' Self-Help Housing. Since then, the organization has built approximately 1,100 "sweat equity" and 1,400 affordable rental units. They operate 30 affordable housing complexes in San Luis Obispo, Santa Barbara and Ventura counties. PSHH has helped over 1,150 first time home buyers build and purchase their first home (residents contribute over 2,000 hours of 'sweat equity' in building their home).

The Project:

The Buellton Garden Apartments is a proposed new construction, fully affordable housing rental development community, located at 10 McMurray Road, in the City of Buellton, Santa Barbara County. LA PRENSA LIBRE APARTMENTS
SUMMARY AND RECOMMENDATIONS

Applicant:	AMCAL Enterprises, Inc.
Action:	Final Resolution
Amount:	$1,592,260
Purpose:	Finance an Affordable Multi-Family Rental Housing Facility Located in the City of Los Angeles, Los Angeles County, California
Activity:	Affordable Housing
Meeting:	February 3, 2023

Amending Resolution:

The Board of the CMFA previously approved a Final Resolution on September 18, 2020 and the project closed November 2020. The project has requested and additional supplemental allocation of $1,592,260 with an approval from the CMFA board with a not to exceed amount of $1,592,260. The project needs the additional bond allocation to meet the 50% test.

Background:

AMCAL strives to develop high-quality, service and amenity-enriched housing for families and individuals at all ranges of the economic spectrum, from special needs to homeownership. Further, it is their mission to seize advantage of their vertically integrated companies: Development, Construction and Asset Management, to ensure that the developments are created in the most economically and ecologically efficient manner. It is their commitment to continue to deliver the highest quality possible at each and every community developed by AMCAL.

AMCAL is one of the most active and financially strong affordable housing developers in the state. AMCAL has completed 70 affordable apartment and workforce condominium developments with 6,500 restricted units throughout California since 1998. All affordable apartments were funded by 4% or 9% tax credits and reserved for very low and low-income households (30-60% of the County's Area Median Income).

The Project:

The La Prensa Libre Apartments project is a new construction project consisting of 1 building, 4 stories in height, with 105 affordable units, 63 of which are included in this 4%/bond-financed project (62 restricted rental units and 1 managers unit). The development is being financed as two separate affordable housing projects located within one building (a 4%/9% hybrid), thereby necessitating the need for two air rights parcels in a single building and a third air rights parcel for the air surrounding the building. The 4% owner will own the air rights parcel comprising the air around the building plus air rights parcel comprised of the subterranean floor of parking, the entire first floor including residential units and over 8,000sf of community facility space to be operated as a worksource development center by the nonprofit MGP – Coalition for Responsible Community Development (CRCD), and the residential units in the southern half of floors 2-4. The 4% ownership entity will enter into a reciprocal easement agreement (REA) with the 9% owner for the shared use of all hallways, elevators, and other common spaces.

The project will serve large family populations and 60% of units are larger two-bedroom and three-bedroom units for families with children. All units will have rents affordable to households earning between 30% AMI to 60% AMI. The project will also include 25 special-needs units, 23 one-bedroom units and 2 two-bedroom units, set aside for homeless transitional age youth (TAY). The project has been awarded 25 project-based vouchers from the Housing Authority of the City of Los Angeles (HACLA) to support the special-needs units. The subsidy layering review is with TCAC for review and approval.

The La Prensa Libre Apartments site includes five parcels under different ownership: a combination of privately owned and publicly owned parcels. Two parcels at 1910 S. Los Angeles Street (APN 5127-029-037) and 200 E. Washington Blvd (APN 5127-029-049) are owned by the applicant, AMCAL Washington Fund, L.P. The other three parcels (APNs: 5172-029-902, 5172-029-903, and 5172-029-904) are owned by the City of Los Angeles through the now dissolved Community Redevelopment Agency under jurisdiction of the Department of Housing & Community Investment of Los Angeles (HCIDLA). The City of Los Angeles and the LP have executed a disposition and development agreement known as the Owners Partnership Agreement for the sale of the site for fair market value, which the City determined in a recent appraisal to be $6,127,000.

All five parcels will be merged as part of this project. The final building address for the affordable housing development will be 200 E. Washington Blvd. This financing will create 62 units of affordable housing in the City of Los Angeles for the next 55 years.

The City of Los Angeles:

The City of Los Angeles is a member of the CMFA and held a TEFRA hearing on September 17, 2020. Upon closing, the City received $14,355 as part of the CMFA's sharing of Issuance Fees.

Background:

Visionary Home Builders of California, Inc. ("VHBC") envisions a community where every child and adult has access to safe, decent, affordable housing and educational, training and learning opportunities. Their belief is that a home is the foundation which builds a healthy community where families can grow, strive for their dreams and hope for their future.

Visionary Home Builders' most significant achievement was its emergence from a small group of farm workers in 1983 whose sole purpose was to improve the living environment for farm workers living in public housing, into a prominent leader in the development and renovation of housing in the Central Valley region.

VHBC's recent development of a year-round housing community for farm workers is a vision that began 35 years ago. This vision, started with the construction of nine self-help homes, and today, a 70-unit multi-family development known as Casa de Esperanza shines as the newest jewel. This housing project is distinctively designed to house 70 large families in a beautiful environment including Head Start, a health clinic, job placement, classes to teach English as a second language and many more other services. Although today, Visionary Home Builders is a

multi-cultural agency, the original mission and dreams of a small group of farm workers has never been forgotten. VHBC builds housing and strengthens communities in the toughest neighborhoods that no other developer would consider.

Visionary Home Builders of California, Inc., has brought millions of dollars into the community. From the inception, VHBC has built more than 700 single-family homes and developed more than 1,200 units of rental housing. Homeownership, the American Dream, continues to be one of the main goals for helping their customers.

MONUMENT SPRINGS COMMUNITY FACILITIES DISTRICT
SUMMARY AND RECOMMENDATIONS

Applicant:	Guntert Family and Elliot Homes, Inc.
Amount:	$23,400,000
Action:	Approval
Purpose:	Approve Resolutions Forming CMFA Community Facilities District No. 2022-4 (City of Rocklin – Monument Springs) Improvement Area No. 1 Authorizing Incurrence of Bonded Indebtedness and Holding Special Landowner Election
Activity:	BOLD/ Community Facilities District
Meeting:	February 3, 2022

Background and Resolutions:

The CMFA's BOLD Program ("BOLD") utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the "Act") to raise revenues for the infrastructure needs of local agencies in California. The City of Rocklin (the "City") is a member of the CMFA and a participant in BOLD. Guntert Family and Elliot Homes, Inc. (the "Developer") previously submitted an application to the CMFA to use BOLD in relation to the Developer's proposed development of certain property located in the City. The CMFA and the City previously accepted such application, and on November 18, 2022, the Board of Directors of the CMFA took the initial steps toward formation of a community facilities district for the project under the Act. The resolutions being considered by the Board on January 13, 2022 will complete the formation of the community facilities district and authorize the levying of special taxes and incurrence of bonded indebtedness for the community facilities district.

As an initial step in using BOLD for the financing of public infrastructure to be owned by a local agency such as the City, the CMFA needs to form a community facilities district. On November 18, 2022 the CMFA adopted a resolution stating its intention to form a proposed community facilities district (the "Resolution of Intention to Form CFD") to be called California Municipal Finance Authority Community Facilities No. 2022-4 (City of Rocklin – Monument Springs) Improvement Area No. 1, and a resolution stating its intention to incur bonded indebtedness for such CFD (the "Resolution of Intention to Incur Bonded Indebtedness").

Under the Act, the process of completing the formation of the CFD requires a noticed public hearing, the adoption of a resolution forming the CFD, the holding of a landowner election, and the adoption of an ordinance levying the special taxes. To form the CFD, the Board of Directors of the CMFA will first hold a public hearing on the formation of the CFD and the incurrence of bonded indebtedness for the CFD and consider any public comments received. After such public hearing, if there is no majority protest received, the Board of Directors of the CMFA can then proceed to adopt the resolution of formation for the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Forming California Municipal Finance Authority Community Facilities District No. 2022-4 (City of Rocklin – Monument Springs) Improvement Area No. 1

Next, the Board of Directors of the CMFA can adopt a resolution authorizing the issuance of debt for the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Determining Necessity to Incur Bonded Indebtedness and Other Debt in and for California Municipal Finance Authority Community Facilities District No. 2022-4 (City of Rocklin – Monument Springs) Improvement Area No. 1 (the "Resolution Determining Necessity").

After adoption of the Resolution Determining Necessity, the Board of Directors of the CMFA can proceed to adopt a resolution calling for a special landowner election of the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Calling Special Election in and for California Municipal Finance Authority Community Facilities District No. 2022-4 (City of Rocklin – Monument Springs) Improvement Area No. 1 (the "Resolution Calling Election"). The election is allowed to be held as part of this meeting since timing waivers from 100% of the landowner voters have been received by the CMFA. The Secretary will canvass the results of the landowner election. These ballots have already been received by the Secretary.

The Board of Directors of the CMFA can then proceed to adopt a resolution declaring the results of the landowner election for the CFD and directing filing of the Notice of the Special Tax Lien with the County Recorder for Placer County. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring Results of Special Election and Directing Recording of Notice of Special Tax Lien in California Municipal Finance Authority Community Facilities District No. 2022-4 (City of Rocklin – Monument Springs) Improvement Area No. 1 (the "Resolution Declaring Election Results"). The special tax lien puts the rate and method of apportionment on record for all parcels within the applicable Community Facilities District.

The final legislative act is the introduction of an ordinance levying special taxes on the land in the CFD. Assuming its introduction on January 13, 2023, the ordinance can be finally adopted at a subsequent Board meeting.

The Project:

Improvement Area No. 1 of the CFD will include 95 single family units known as Vista Oaks. Improvement Area No. 1 will include three final maps. The final map for the first 41 lots will be recorded in October of 2022. No development has been started to-date but site development is anticipated to commence in the Spring of 2023.

Additional property will be annexed into the CFD in the future. The exact timing of the annexation is yet to be determined.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed $23,400,000 on behalf of the CFD and all improvement areas therein.

Future Action:

The Ordinance Levying Special Taxes will need to be finally adopted at a future meeting of the Board of Directors. Bonds payable from the special taxes are expected to be issued in late 2023 or early 2024, subject to further resolution and approval. The Monument Springs CFD will be pooled with other CFDs and sold as a combined financing. It is expected that bonds for the CFD will be pooled with other districts at some point late 2023 or early 2024.

Authorized Facilities:

Authorized facilities and costs that may be funded through the California Municipal Finance Authority Community Facilities District No. 2022-4 (City of Rocklin – Monument Springs) (the "CFD") include the following public improvements, development impact fees funding public improvements, and formation and administrative expenses.

Facilities:
The CFD is authorized to finance the purchase, construction, expansion, improvement, or rehabilitation of any real or other tangible property with an estimated useful life of five years or longer, together with the planning and design work that is directly related to the purchase, construction, expansion, or rehabilitation of any real or tangible property (collectively, the "Facilities"), including, but not be limited to, transportation facilities, water, sewer and storm drain facilities, parks, parkways, and open space.

Fees Financing Public Improvements:
Authorized facilities include development impact fees paid and not otherwise reimbursed, whether City, County, or other local agency fees. The authorized facilities include, but are not limited to, capital facilities funded by the following fees:

City of Rocklin
- Traffic Fee
- Public Facilities Fee

Other Local Agencies
- Placer County – Public Facilities Impact Fee
- South Placer Regional Transportation Authority Fee

Authorized facilities also include Formation, Administrative, and other Incidental Expenses as authorized by the Mello-Roos Act.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors adopt the Resolution of Formation, the Resolution Determining Necessity to Incur Bonded Indebtedness in an amount not to exceed $23,400,000, the Resolution Calling Election, the Resolution Declaring Election Results, and introduce the Ordinance.
