## **CALIFORNIA GOVERNMENT CODE SECTION 54953(E)(3) SUMMARY AND RECOMMENDATIONS**

---

**Action:** Findings

**Purpose:** Adopt Findings Per California Government Code Section 54953(e)(3) for the CMFA/CFSC/CFPF/SFA

---

**Background:**

Under the current provisions of California Government Code Section 54953(e)(3), if a state of emergency remains active, or state or local officials have imposed or recommended measures to promote social distancing, meetings of the Board of Directors may continue to be held by teleconference without compliance with certain agenda, quorum and other requirements of California Government Code Section 54953(b)(3), but the Board must make the following findings not later than 30 days after teleconferencing for the first time after October 1, 2021, and every 30 days thereafter, by majority vote:

- (A) The Board of Directors has reconsidered the circumstances of the state of emergency.
- (B) Any of the following circumstances exist:
  - (i) The state of emergency continues to directly impact the ability of the members to meet safely in person.
  - (ii) State or local officials continue to impose or recommend measures to promote social distancing.

For the purposes of these findings, “state of emergency” means a state of emergency proclaimed pursuant to Section 8625 of the California Emergency Services Act (Article 1 (commencing with Section 8550) of Chapter 7 of Division 1 of Title 2).

**Recommendation:**

The Executive Director recommends that the CMFA Board of Directors adopt the findings stated above in this staff report.

## **BOLD PROGRAM SUMMARY AND RECOMMENDATIONS**

---

**Action:** Resolution

**Purpose:** Approve an Interpretation of the Rate and Method of Apportionment of Special Tax for Improvement Area No. 3 of California Municipal Finance Authority Community Facilities District No. 2022-25 (City of Santa Clarita – Tesoro Highlands)

**Activity:** BOLD/ Community Facilities District

**Meeting:** February 3, 2023

---

### Background and Resolution:

On November 18, 2022, the Board of Directors of the California Municipal Finance Authority established the California Municipal Finance Authority Community Facilities District No. 2022-25 (City of Santa Clarita – Tesoro Highlands) and designated therein: (a) Improvement Area No. 1, Improvement Area No. 2 and Improvement Area No. 3 (Open Space Maintenance) of California Municipal Finance Authority Community Facilities District No. 2022-25 (City of Santa Clarita – Tesoro Highlands), in accordance with the Mello-Roos Community Facilities Act of 1982. In the formation proceedings for the CFD and the Improvement Areas, the Authority approved the Rate and Method of Apportionment (RMA) of the special taxes to be levied within Improvement Area No. 1, Improvement Area No. 2, and Improvement Area No. 3. Due to a scrivener's error, there is a reference to "month of April" in the defined term "Consumer Price Index" contained in the Rate and Method of Apportionment for Improvement Area No. 3, which is inconsistent with the Rate and Method of Apportionment for Improvement Area No. 1 and Improvement Area No. 2, each of which refers to the "month of May," as intended.

The Rate and Method of Apportionment for Improvement Area No. 3 provides that interpretations may be made by Resolution of the Board to interpret, clarify, and/or revise the Rate and Method to correct any inconsistency, vagueness, or ambiguity as it relates to the special taxes, method of apportionment, classification of properties, or any definition applicable to the CFD and the Improvement Areas, as long as such correction does not materially affect the levy and collection of special taxes. The resolution before the Board today approves the change of the definition of "Consumer Price Index" contained in the Rate and Method of Apportionment for Improvement Area No. 3 to read:

“Consumer Price Index” means, for each Fiscal Year, the Consumer Price Index published by the U.S. Bureau of Labor Statistics for “All Urban Consumers” in the Los Angeles-Long Beach-Anaheim Area, measured as of the month of May in the previous Fiscal Year. In the event this index ceases to be published, the Consumer Price Index shall be another index that is reasonably comparable to the Consumer Price Index for the Los Angeles-Long Beach-Anaheim Area, as determined by the Administrator.”

The proposed change to the definition of “Consumer Price Index” in the Rate and Method for Improvement Area No. 3 shall not materially affect the levy and collection of the special taxes but will ensure the maximum special tax rates for “Special Tax B” are increased by the same “Consumer Price Index” throughout the CFD.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors approve the interpretation of the Rate and Method of Apportionment of Special Tax for Improvement Area No. 3 of California Municipal Finance Authority Community Facilities District No. 2022-25 (City of Santa Clarita – Tesoro Highlands).

## **SUNBOW COMMUNITY FACILITIES DISTRICT SUMMARY AND RECOMMENDATIONS**

---

Applicant: Lennar

Amount: \$53,000,000

Action: Resolution

Purpose: Approve Resolutions Initiating Formation of CMFA Community Facilities District No. 2022-27 (City of Chula Vista – Sunbow) and to Levy a Special Tax to Finance the Acquisition and Construction of Certain Public Facilities

Activity: BOLD/ Community Facilities District

Meeting: February 3, 2023

---

### Background and Resolutions:

CMFA's BOLD Program ("BOLD") utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the "Act") to raise revenues for the infrastructure needs of local agencies in California. The City of Chula Vista (the "City") is a member of CMFA and a participant in BOLD. Lennar (the "Developer") has submitted an application to CMFA to use BOLD in relation to the Developer's proposed development of certain property located in the City. CMFA and the City have accepted such application.

The developer has requested formation of a community facilities district which will facilitate the future issuance of bonds by the CMFA under the program. Proceeds of bonds will be used to finance public infrastructure and impact fees.

As an initial step in using BOLD for the financing, CMFA needs to form a community facilities district. The proposed community facilities district will be called California Municipal Finance Authority Community Facilities District No. 2022-27 (City of Chula Vista – Sunbow) (the "CFD").

Under the Act, it is a requirement that CMFA, as the entity forming the CFD, adopt a resolution stating its intention to form the CFD, stating the types of public facilities to be financed on behalf of the CFD, setting forth the rate and method of apportionment of a proposed special tax to be

levied in the CFD, and establishing the boundary. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority declaring its intention to establish California Municipal Finance Authority Community Facilities District No. 2022-27 (City of Chula Vista – Sunbow), and to Levy a Special Tax to Finance the Acquisition and Construction of Certain Public Facilities in and for such Community Facilities District (the “Resolution of Intention to Form CFD”).

It is also a requirement under the Act that CMFA, as the entity forming the CFD, adopt a resolution stating its intention to issue bonds payable from the levy of a special tax within the CFD. A resolution meeting that requirement of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Incur Bonded Indebtedness in and for the California Municipal Finance Authority Community Facilities District No. 2022-27 (City of Chula Vista – Sunbow) to Finance the Acquisition and Construction of Certain Public Facilities (the “Resolution of Intention to Incur Bonded Indebtedness”).

#### The Project:

The CFD is comprised of 135.7 acres, 44.2 of which are planned for residential development and .9 containing a community facility site. The development includes 718 for sale units comprised of 184 high density multifamily units and 534 medium density single family units. Lennar is developing the entire project and will build and sell the units to homebuyers.

All discretionary approvals for the project have been received and the final map for all 718 units will be recorded by the end of Q1 2023. Home construction is planned to start Q1 2023 and will be open for sale in August/September 2023. Construction on both unit types will commence at the same time with the final build out anticipated to occur in 2029.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed \$53,000,000 on behalf of the CFD and all improvement areas therein.

#### Future Action:

Under the Act, at a future meeting of the CMFA Board of Directors, the Board of Directors will need to hold a public hearing and adopt additional resolutions formally creating the CFD, authorizing the incurrence of bonded indebtedness for the CFD, levying the special tax within the CFD, and certain other related matters. The Sunbow CFD is a large district that will likely issue more than one series of bonds over time. As a result, it will not be pooled with other financings but instead will have bonds issued over time. Depending on development status, the first improvement area may issue bonds as early as late 2023.

#### Authorized Facilities:

Authorized facilities and costs that may be funded through the California Municipal Finance Authority Community Facilities District No. 2022-27 (City of Chula Vista – Sunbow) (the

“CFD”) include the following public improvements, development impact fees funding public improvements, and formation and administrative expenses.

**Facilities:**

The CFD is authorized to finance the purchase, construction, expansion, improvement, or rehabilitation of any real or other tangible property with an estimated useful life of five years or longer, together with the planning and design work that is directly related to the purchase, construction, expansion, or rehabilitation of any real or tangible property (collectively, the “Facilities”), including, but not be limited to, transportation facilities, water, sewer and storm drain facilities, parks, parkways, and open space.

**Fees Financing Public Improvements:**

Authorized facilities include any facilities authorized by the Mello-Roos Community Facilities Act of 1982 (Mello-Roos Act) that are financed in whole or in part by development impact fees levied in connection with development of the property, whether by the City of Chula Vista (City), the County of San Diego (County), or any other local agency. By way of example and not limitation, authorized facilities include facilities to be constructed using the following development impact fees levied by the city:

- Eastern Transportation Fees
- Traffic Signal Fees
- Park Benefit Fee
- Poggie Sewer Basin DIF
- Public Facilities DIF
- Sewer Capacity Charges

Authorized facilities also include Formation, Administrative, and other Incidental Expenses as authorized by the Mello-Roos Act.

**Recommendation:**

The Executive Director recommends that the CMFA Board of Directors adopt the Resolution of Intention to Form CFD and the Resolution of Intention to Incur Bonded Indebtedness in and amount not to exceed \$53,000,000.

## **PACIFIC AGAVE & PACIFIC LILY COMMUNITY FACILITIES DISTRICT SUMMARY AND RECOMMENDATIONS**

---

**Applicant:** Pacific Communities Builder, Inc.

**Amount:** \$8,550,000

**Action:** Resolution

**Purpose:** Approve Resolutions Initiating Formation of CMFA Community Facilities District No. 2023-1 (City of Lancaster – Pacific Agave & Lily)

**Activity:** BOLD/ Community Facilities District

**Meeting:** February 3, 2023

---

### Background and Resolutions:

CMFA's BOLD Program ("BOLD") utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the "Act") to raise revenues for the infrastructure needs of local agencies in California. The City of Lancaster (the "City") is a member of CMFA and a participant in BOLD. Pacific Communities Builder, Inc. (the "Developer") has submitted an application to CMFA to use BOLD in relation to the Developer's proposed development of certain property located in the City. CMFA and the City have accepted such application.

The applicant has requested formation of a community facilities district which will facilitate the future issuance of bonds by the CMFA under the program. Proceeds of bonds will primarily be used to finance public infrastructure facilities to be owned by the City.

As an initial step in using BOLD for the financing, CMFA needs to form a community facilities district. The proposed community facilities district will be called California Municipal Finance Authority Community Facilities District No. 2023-1 (City of Lancaster – Pacific Agave & Lily).

Under the Act, it is a requirement that CMFA, as the entity forming the CFD, adopt a resolution stating its intention to form the CFD, stating the types of public facilities to be financed on behalf of the CFD, setting forth the rate and method of apportionment of a proposed special tax to be levied in the CFD, and establishing the boundary. A resolution meeting the requirements of the

Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Establish California Municipal Finance Authority Community Facilities District No. 2023-1 (City of Lancaster – Pacific Agave & Lily), and to Levy a Special Tax to Finance the Acquisition and Construction of Certain Public Facilities in and for such Community Facilities District (the “Resolution of Intention to Form CFD”).

It is also a requirement under the Act that CMFA, as the entity forming the CFD, adopt a resolution stating its intention to issue bonds payable from the levy of a special tax within the CFD. A resolution meeting that requirement of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Incur a Bonded Indebtedness in and for the California Municipal Finance Authority Community Facilities District No. 2023-1 (City of Lancaster – Pacific Agave & Lily) to Finance the Acquisition and Construction of Certain Public Facilities (the “Resolution of Intention to Incur Bonded Indebtedness”).

#### The Project:

The proposed CFD includes two developments, Pacific Agave comprised of 18.7 acres and Pacific Lily comprised of 30 acres. Agave is planned to include 108 single family lots and Lily will include 150 single family lots. Agave and Lily are being developed by Pacific Communities Builder, Inc. who will develop the lots, build homes and sell to homebuyers.

Final maps for both Agave and Lily have been submitted and are awaiting final approval. Construction of homes in Agave is planned for Q1 2023 and construction of homes for Lily will commence mid-2023.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed \$8,550,000 on behalf of the CFD and all improvement areas therein.

#### Future Action:

Under the Act, at a future meeting of the CMFA Board of Directors, the Board of Directors will need to hold a public hearing and adopt additional resolutions formally creating the CFD, authorizing the incurrence of bonded indebtedness for the CFD, levying the special tax within the CFD, and certain other related matters. The Pacific Agave & Lily CFD will likely be pooled with other like-sized CFDs, and sold as a combined financing. Depending on development status, the Pacific Palacio CFD may be included in a pool in late 2023 or early 2024.

#### Authorized Facilities:

Authorized facilities and costs that may be funded through the California Municipal Finance Authority Community Facilities District No. 2023-1 (City of Lancaster – Pacific Agave & Pacific Lily) (the “CFD”) include the following public improvements, development impact fees funding public improvements, and formation and administrative expenses.

Fees Financing Public Improvements:

Facilities include those financed by development impact fees paid and not otherwise reimbursed, whether City, County, or other local agency fees, including but not limited to the following:

City of Lancaster:

- Traffic Signals
- Traffic Impact
- Drainage Facilities
- Park Facilities – Park Development
- Park Facilities – Admin Offices
- Park Facilities – Corporate Yard
- Park In Lieu
- Open Space

Other Local Agencies:

- Los Angeles County Sanitation District No. 14

Authorized facilities also include Formation, Administrative, and other Incidental Expenses as authorized by the Mello-Roos Act.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors adopt the Resolution of Intention to Form CFD and the Resolution of Intention to Incur Bonded Indebtedness in and amount not to exceed \$8,550,000.

## **MORGAN KNOLLS COMMUNITY FACILITIES DISTRICT SUMMARY AND RECOMMENDATIONS**

---

Applicant: KB Homes – Sacramento Division

Amount: \$4,800,000

Action: Resolution

Purpose: Approve Resolutions Initiating Formation of CMFA Community Facilities District No. 2023-3 (County of Placer – Morgan Knolls)

Activity: BOLD/ Community Facilities District

Meeting: February 3, 2023

---

### **Background and Resolutions:**

CMFA’s BOLD Program (“BOLD”) utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the “Act”) to raise revenues for the infrastructure needs of local agencies in California. The County of Placer (the “County”) is a member of CMFA and a participant in BOLD. KB Homes – Sacramento Division has submitted an application to CMFA to use BOLD in relation to the Developer’s proposed development of certain property located in the County. CMFA and the County have accepted such application.

The applicant has requested formation of a community facilities district which will facilitate the future issuance of bonds by the CMFA under the program. Proceeds of bonds will primarily be used to finance impact fees owed to the County and other public agencies.

As an initial step in using BOLD for the financing, CMFA needs to form a community facilities district. The proposed community facilities district will be called California Municipal Finance Authority Community Facilities District No. 2023-3 (County of Placer – Morgan Knolls).

Under the Act, it is a requirement that CMFA, as the entity forming the CFD, adopt a resolution stating its intention to form the CFD, stating the types of public facilities to be financed on behalf of the CFD, setting forth the rate and method of apportionment of a proposed special tax to be levied in the CFD, and establishing the boundary. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Establish California Municipal

Finance Authority Community Facilities District No. 2023-3 (County of Placer – Morgan Knolls), and to Levy a Special Tax to Finance the Acquisition and Construction of Certain Public Facilities in and for such Community Facilities District (the “Resolution of Intention to Form CFD”).

It is also a requirement under the Act that CMFA, as the entity forming the CFD, adopt a resolution stating its intention to issue bonds payable from the levy of a special tax within the CFD. A resolution meeting that requirement of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Incur a Bonded Indebtedness in and for the California Municipal Finance Authority Community Facilities District No. 2023-3 (County of Placer – Morgan Knolls) to Finance the Acquisition and Construction of Certain Public Facilities (the “Resolution of Intention to Incur Bonded Indebtedness”).

#### The Project:

The proposed CFD includes approximately 17.5 acres, all of which are proposed for the development. The CFD is planned to include 58 single-family residences between 1,996 and 3,246 square feet. KB Homes is developing the property and will also build 100% of the homes.

The final map has been recorded for the development, and all lots are in finished condition with infrastructure construction complete. First home sales are commenced December 2022 and are expected to conclude February 2024.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed \$4,800,000 on behalf of the CFD and all improvement areas therein.

#### Future Action:

Under the Act, at a future meeting of the CMFA Board of Directors, the Board of Directors will need to hold a public hearing and adopt additional resolutions formally creating the CFD, authorizing the incurrence of bonded indebtedness for the CFD, levying the special tax within the CFD, and certain other related matters. The Morgan Knolls CFD will likely be pooled with other like-sized CFDs, and sold as a combined financing. Depending on development status, the Whitehawk II CFD will likely be included in a pooled financing in 2023.

#### Authorized Facilities:

Authorized facilities and costs that may be funded through the California Municipal Finance Authority Community Facilities District No. 2023-3 (County of Placer – Morgan Knolls) (the “CFD”) include the following public improvements, development impact fees funding public improvements, and formation and administrative expenses.

#### Facilities:

The CFD is authorized to finance the purchase, construction, expansion, improvement, or rehabilitation of any real or other tangible property with an estimated useful life of five years or longer, together with the planning and design work that is directly related to the purchase,

construction, expansion, or rehabilitation of any real or tangible property (collectively, the “Facilities”), including, but not be limited to, transportation facilities, water, sewer and storm drain facilities, parks, parkways, and open space.

**Fees Financing Public Improvements:**

Authorized facilities include any facilities authorized by the Mello-Roos Community Facilities Act of 1982 (“Mello-Roos Act”) that are financed in whole or in part by development impact fees levied in connection with development of the property, whether by the County of Placer (“County”) or any other local agency. By way of example and not limitation, authorized facilities include, but are not limited to, facilities authorized by the Mello-Roos Act to be funded by the following fees:

- County Traffic Fee
- County Park Impact Fee
- County Capital Facilities Fee
- Dry Creek Joint Elementary School District Fee
- Roseville Joint Union High School District Fee
- South Placer Wastewater Authority (SPWA) Sewer Fee
- South Placer Regional Transportation Authority (SPRTA) Transportation Fee

Authorized facilities also include Formation, Administrative, and other Incidental Expenses as authorized by the Mello-Roos Act.

**Recommendation:**

The Executive Director recommends that the CMFA Board of Directors adopt the Resolution of Intention to Form CFD and the Resolution of Intention to Incur Bonded Indebtedness in and amount not to exceed \$4,800,000.

## **MIDDLEFIELD JUNCTION APARTMENTS SUMMARY AND RECOMMENDATIONS**

---

Applicant:	Mercy Housing California
Action:	Initial Resolution
Amount:	\$125,000,000
Purpose:	Finance Affordable Multi-Family Rental Housing Facility Located in Unincorporated San Mateo County, California
Activity:	Affordable Housing
Meeting:	February 3, 2023

---

### **Background:**

Mercy Housing California is the largest regional division of Mercy Housing, Inc. With offices in Los Angeles, San Francisco and West Sacramento, Mercy Housing California offers affordable low-income housing programs and Resident Services. They have served California residents and communities through the development of 128 rental properties across 36 California counties serving low- and very-low-income working poor families, seniors and individuals. Mercy Housing California has developed 10,942 affordable homes including 7,940 in rental and 3,002 in homeownership.

Many California residents struggle daily with the high cost of living. The average household income is more than \$71,805 – nearly \$5,000 more than the national average. The average annual income of a Mercy Housing California resident is \$17,448. Mercy Housing California remains committed to changing lives and revitalizing neighborhoods by providing safe, quality, service-enriched housing.

### The Project:

Middlefield Junction is a 179-unit, 100% affordable development located in the North Fair Oaks community of San Mateo County. The three-acre site is located behind the South County Health Clinic at 2700 Middlefield Road, and will include housing for families, a childcare center and public community space. The 179 units of one-, two-, and three-bedrooms, will be restricted to households earning between 20% to 80% of Area Median Income (AMI), and 10% of the units will be set aside for persons experiencing homelessness. The development offers enormous potential to improve the housing and amenity needs of the North Fair Oaks Community's existing residents, as well as expand the supply of much needed affordable housing in the Bay Area. This financing will create 177 units of affordable housing for households in San Mateo County for the next 55 years.

### The County of San Mateo:

The County of San Mateo is a member of the CMFA and will be asked to hold a TEFRA hearing. Upon closing, the County is expected to receive approximately \$29,220 as part of the CMFA's sharing of Issuance Fees.

### **Background:**

USA Properties Fund, Inc. ("USA") is a privately-owned real estate development organization specializing in the creation of outstanding senior and family communities. Founded in 1981 and headquartered in Roseville, California, USA provides a full range of capabilities for community development, including financing, development, construction services, rehabilitation and property management. Their values, leadership and team structure reflect their success with the development, construction and acquisition/rehabilitation of over 11,000 units of family and senior apartments in over 82 communities throughout California and Nevada.

USA employs over 325 individuals in two states. They also possess active State of California and State of Nevada Contractors Licenses as well as a State of California Department of Real Estate Broker's License. USA is an active Associate member of the California Redevelopment Association (CRA), is active in the Urban Land Institute (ULI) and has sitting Board Members within the North State B.I.A., C.B.I.A and HomeAid.

Nearly all of the communities developed by USA are public/private partnerships. They are confident in their ability to conceive and deliver developments worthy of local agency subsidy and participation. This commitment to enrich and revitalize communities at a neighborhood level is enhanced by their expertise in obtaining public subsidy bond and tax credit financing from local, state and federal sources. They take pride in creating inviting communities that are well known for their quality of construction, innovative design, appealing amenities and outstanding property management.

### The Project:

The Creekview C-40 Apartments is the new construction of a 168-unit rental project located in the City of Roseville. The project will be restricted to households earning between 30% and 70% of Area Median Income, with two units designated for the property managers. ### **Background:**

USA Properties Fund, Inc. ("USA") is a privately-owned real estate development organization specializing in the creation of outstanding senior and family communities. Founded in 1981 and headquartered in Roseville, California, USA provides a full range of capabilities for community development, including financing, development, construction services, rehabilitation and property management. Their values, leadership and team structure reflect their success with the development, construction and acquisition/rehabilitation of over 11,000 units of family and senior apartments in over 82 communities throughout California and Nevada.

USA employs over 325 individuals in two states. They also possess active State of California and State of Nevada Contractors Licenses as well as a State of California Department of Real Estate Broker's License. USA is an active Associate member of the California Redevelopment Association (CRA), is active in the Urban Land Institute (ULI) and has sitting Board Members within the North State B.I.A., C.B.I.A and HomeAid.

Nearly all of the communities developed by USA are public/private partnerships. They are confident in their ability to conceive and deliver developments worthy of local agency subsidy and participation. This commitment to enrich and revitalize communities at a neighborhood level is enhanced by their expertise in obtaining public subsidy bond and tax credit financing from local, state and federal sources. They take pride in creating inviting communities that are well known for their quality of construction, innovative design, appealing amenities and outstanding property management.

### The Project:

The Creekview C-43 Apartments is the new construction of a 116-unit rental project located in the City of Roseville. The project will be restricted to households earning between 30% and 80% of Area Median Income, with one unit designated for the property managers. Located in the City of San Diego, County of San Diego,  
California

Activity: Affordable Housing

Meeting: February 3, 2023

---

### Background:

San Diego Interfaith Housing Foundation (SDIHF) has served the housing needs of San Diegans since 1968. Their mission is to enrich the lives of low and moderate-income families, seniors and persons with disabilities through the provision of affordable housing.

SDIHF has developed more than 1,500 affordable apartment homes in San Diego County, improving the quality of life for thousands of families. The Foundation's role in these developments' ranges from site identification and analysis to negotiating complex purchase agreements and financing packages. SDIHF also has vast experience supervising development teams including the selection of architects, engineers, contractors, and construction management firms.

The staff at SDIHF has more than 100 combined years of housing development and management experience and includes experts in tax credit and equity-debt financing. The Foundation independently finances, owns, and operates all of its affordable housing communities, which are collectively valued at more than \$100 million. SDIHF's annual operating budget is approximately \$14 million with over \$8 million in reserve assets.

All SDIHF communities are maintained at the highest level of quality and excellence. Respected industry groups including the San Diego Housing Commission, the San Diego Housing Federation, the Central City Association and the Fannie Mae Foundation have recognized several of their communities.

### The Project:

The Horton House Apartments project is the acquisition/rehabilitation of an existing 153-unit multifamily apartment complex for seniors located at 333 G Street in the City of San Diego. The project is 14 stories and consists of 150 units restricted to 60% of AMI and 3 units set aside as managers units. Project amenities include a community room and courtyard. ## **TIMBER SENIOR APARTMENTS SUMMARY AND RECOMMENDATIONS**

---

Applicant: Eden Housing, Inc.

Action: Initial Resolution

Amount: \$50,000,000

Purpose: Finance an Affordable Multifamily Rental Housing Project  
Located in the City of Newark, Alameda County, California

Activity: Affordable Housing

Meeting: February 3, 2023

---

### **Background:**

Eden Housing's Mission is to build and maintain high-quality, well-managed, service-enhanced affordable housing communities that meet the needs of lower income families, seniors, and persons with disabilities.

Eden Housing was founded in May of 1968 by six community activists who were greatly concerned about the lack of non-discriminatory, affordable housing in Alameda County. These pioneers, working out of makeshift "headquarters" such as local coffee shops, were initiated into affordable housing development by rehabilitating six older homes in Oakland for first time homebuyer families.

Since those pioneering days, Eden Housing has developed or acquired more than 7,500 affordable housing units within 100 properties that have provided homes for more than 65,000 people over the years. Eden's housing now includes rental apartments, first-time homeowner opportunities, cooperatives, and supportive living environments for families, seniors and people with disabilities.

Eden Housing revitalizes California communities through their affordable housing development and property management activities, the partnerships they establish and the investments they make in California neighborhoods, and through the free social services and supportive programs they provide to meet the needs of their residents.

### The Project:

The Timber Senior Apartments is a new construction project that will provide 79 units of new affordable housing for seniors in a convenient location in the City of Newark, California. The project will redevelop a 1-acre site and fulfill the city's vision of transforming the surrounding neighborhood from light industrial and warehouse space to a vibrant, walkable residential neighborhood. The proposed building is five stories tall with four stories of residential units surrounding an open courtyard that sits on top of the podium parking structure. This design affords the building a safe and private open space environment that is oriented to maximize sunlight. The target population for this development is low-income seniors. All of the units will be 1-bedrooms, so the community will support seniors living on their own as well as couples. This financing will create 78 units of affordable housing for Palo Alto households for the next 55 years.

### The City of Newark:

The City of Newark is a member of the CMFA and will be asked to hold a TEFRA hearing. Upon closing, the City is expected to receive approximately \$17,324 as part of the CMFA's sharing of Issuance Fees.

### **Background:**

BRIDGE Housing Corporation (“BRIDGE”) is one of the country’s premier developers of affordable housing and master planned developments. Their mission is to produce large volumes of high-quality homes for seniors and families of very low, low and moderate incomes. Since beginning active operations in 1983, BRIDGE has participated in the development of over 13,000 housing units in over 80 California communities, valued at more than \$3 billion. BRIDGE Property Management Company has had the management capacity to maintain quality standards and community responsiveness in nearly 8,000 rental units.

BRIDGE builds a range of housing types that both fit comfortably into their surroundings and act as a catalyst for revitalizing and strengthening neighborhoods. BRIDGE not only specializes in bringing affordable housing to all income levels, but it also works to develop housing for all age levels. BRIDGE has been a leader in providing high-quality affordable housing for seniors, helping to enhance the lives of all members of a community. The vast majority of the homes built by BRIDGE are affordable to families who earn approximately \$15,000 - \$50,000. The remainder is primarily affordable to households with moderate incomes. Approximately 78% of BRIDGE units are rentals; the balance of which is comprised of for-sale units affordable to first time homebuyers. BRIDGE is known for creating award winning affordable homes that not only depict the character of the community, but also display the same quality of design and construction as market rate housing.

### The Project:

The 1740 San Pablo apartments project is a new construction project located in Berkeley, CA. The project will provide 54 units of affordable housing for large family households earning between 30-60% Area Median Income (AMI). The unit mix will consist of 5 studios, 17 one-bedrooms, 17 two-bedrooms, and 15 three-bedrooms including one manager's unit. Fourteen units (25% of total units) will be set aside for individuals with Intellectual or Developmental Disabilities (I/DD). East Bay Innovations will be the Lead Service Provider Partner delivering wraparound supportive services to these residents. The project will include a community room, communal laundry facilities, bike parking, property/management offices, and an outdoor courtyard and playground. Services will be offered on-site to all residents of the Project, ongoing in nature and at no cost to residents. Given the mix of low-income, artist and extremely low-income (ELI) populations at the site, the project will be most effectively served by a combination of site-based Service Coordination (light case management) and targeted program delivery focused on three essential areas: community building, adult education, and children and youth. The financing of this project will provide 53 units of affordable households in the City of Berkeley for the next 55 years.

### The City of Berkeley:

### Background:

Wakeland Housing and Development Corporation (“Wakeland”) was founded in 1998 as a nonprofit corporation. With its for-profit and non-profit partners, Wakeland has developed, acquired and rehabilitated over 5,000 units of affordable housing, emerging as a leader in affordable housing communities in San Diego and throughout California.

Wakeland works with a variety of municipalities, developers and redevelopment agencies throughout California. They utilize federal, state and local funding resources including tax exempt bonds and tax credits and leverage other funds from the private and public sectors.

Wakeland’s board of directors is comprised of affordable-housing, community and business leaders. Their team of highly qualified staff has expertise in both affordable housing and on-site resident service programs that offer unique opportunities for families and individuals to enhance their job marketability and enrich their lives. This is the fourth transaction that the CMFA has participated in with Wakeland Development.

### The Project:

The Union Tower Apartments project is a 94-unit, 4 and 7-story new construction development that includes 100% affordable housing for AMI's ranging from 30-60%. 24 of the units will be restricted to Veterans who have experienced homelessness. Union Tower will offer easy access to public transit, shopping, and many other community resources. While living at Union Tower, residents will be able to participate in several on-site activities that offer opportunities for residents to reach greater levels of economic stability and personal growth. Wrap around supportive services will be provided to Veterans who have experienced homeless, including case management, physical and mental health care, and resident service coordination. This financing will provide 93 units of affordable housing for the City of National City for 55 years.

### The City of National City:

The City of National City is a member of the CMFA and will be asked to hold a TEFRA hearing. Upon closing, the City is expected to receive approximately \$16,084 as part of the CMFA's sharing of Issuance Fees.

Applicant: Greenshoots Communities

Action: Initial Resolution

Amount: \$10,000,000

Purpose: Finance an Affordable Multifamily Rental Housing Project  
Located in the City of Crescent City, Del Norte County,  
California

Activity: Affordable Housing

Meeting: February 3, 2023

---

### Background:

GreenShoots Communities was formed by Raymond Junior in 2019 to focus on affordable housing and economic development. Don Herrman serves as GreenShoots' Director of Development.

Raymond Junior: In addition to founding GreenShoots, Mr. Junior has lead acquisitions at Langdon Park Capital since 2021, a real estate investment firm with \$149MM of AUM, 2021. Prior to forming GreenShoots, Mr. Junior was an employee of JPMorgan Chase for approximately 19 years, with approximately 14 of those years in Community Development Banking. His last role at the Bank was as an Executive Director in Community Development Banking, where he focused on the origination of construction and permanent debt for affordable housing development, closing more than \$1 billion in debt financing.

Don Herrman: Mr Herrman has been active in the affordable housing industry since 2012. During his time in the industry, he has qualified for experience points on two deals:

- Vista Hidden Valley Apartments – successful 9% LIHTC acquisition and rehabilitation of a 50 unit project located in Vista California.
- Hacienda del Norte Apartments – successful 9% LIHTC acquisition and rehabilitation of a 44 unit project located in Paso Robles California. Engaged in all pre-development, third party reviews, LIHTC application, financing, rehabilitation activities, operations review and cost certification / 8609 allocation.

Prior to working in the affordable housing industry, Mr. Herrman held various roles in the commercial real estate space as follows:

- Chief Financial Officer for two publicly traded real estate investment trusts, Santa Anita Realty Enterprises and Pacific Gulf Properties
- Chief Operating Officer (overseeing construction and management operations) for a senior apartment developer and owner, Fountain Glen Properties
- Certified Public Accountant

#### The Project:

The Valhalla Townhomes Apartments project is the acquisition and rehabilitation of 45 units of affordable housing, 25 units of which are encumbered with a Regulatory Agreement and Project Based vouchers which are to expire within 5 years, and the addition of a LIHTC Regulatory Agreement creating an additional 20 units of affordable residential rental housing units. All units will be 2 bedroom units, and will be restricted to residents earning between 30% and 80% of AMI. The project has an onsite leasing office and laundry room and is located in the City of Crescent City. This financing will preserve 43 units of affordable housing for the City of Crescent City for the next 55 years.

#### The City of Crescent City:

The City of Crescent City will need to become a member of the CMFA and will be asked to hold a TEFRA hearing. Upon closing, the City is expected to receive approximately \$3,937 as part of the CMFA's sharing of Issuance Fees.

Applicant: Metropolitan Area Advisory Committee on Anti-Poverty of San Diego County, Inc. (MAAC)

Action: Initial Resolution

Amount: \$50,000,000

Purpose: Finance Affordable Multi-Family Rental Housing Facility Located in the City of Escondido, San Diego County, California

Activity: Affordable Housing

Meeting: February 3, 2023

---

**Background:**

MAAC has been in operation in San Diego since 1965. To date, MAAC has developed nearly 1,000 units of affordable housing throughout San Diego County. MAAC prides themselves in providing much needed affordable housing in San Diego County, but they are also aware that effective community serving programs are crucial to have on site. That is why they provide onsite resident service centers; STEP (Striving Towards Economic Prosperity) which encourages participants to achieve and sustain self-sufficiency by overcoming barriers to employment, increasing income, and promoting behaviors that lead to self-reliance. The common thread weaving their programs together is their collective work as an organization and as a community partner to offer the tools needed to achieve self-sufficiency.

MAAC provides services to over 35,000 individuals annually throughout San Diego County. Collaboration with community partners ensures MAAC remains on the forefront of the community's ever-changing needs, while strong relationships with funders foster strategic planning around emerging trends. In keeping with their mission of "maximizing self-sufficiency with families and individuals through high-quality programs and advocacy in their communities," MAAC strives to eliminate social and economic barriers leading to increased self-reliance.

### The Project:

The Ivy is the proposed new construction of a 100% affordable housing development with 126 units for low-income households earning between 30-80% AMI in Escondido, CA. The development will consist of Studio, one-, two-, three- and four-bedroom units. One unit will be reserved for the onsite manager. The development is planned in a community with close proximity to community amenities; offering spacious homes to accommodate large families. Amenities will include leasing and management offices, a business center, community room with kitchen, exercise room, and centrally located laundry facilities, outdoor courtyard/picnic area, playground, vegetable garden, ping pong table and foosball table. The residents will benefit from onsite supportive services in addition to neighborhood-based services. This financing will create 125 units of affordable housing for low-income households in the City of Escondido for the next 55 years.

Applicant: Eden Housing, Inc.

Action: Initial Resolution

Amount: \$75,000,000

Purpose: Finance an Affordable Multifamily Rental Housing Project  
Located in the City of Santa Cruz, Santa Cruz County,  
California

Activity: Affordable Housing

Meeting: February 3, 2023

---

### **Background:**

Eden Housing's Mission is to build and maintain high-quality, well-managed, service-enhanced affordable housing communities that meet the needs of lower income families, seniors, and persons with disabilities.

Eden Housing was founded in May of 1968 by six community activists who were greatly concerned about the lack of non-discriminatory, affordable housing in Alameda County. These pioneers, working out of makeshift "headquarters" such as local coffee shops, were initiated into affordable housing development by rehabilitating six older homes in Oakland for first time homebuyer families.

Since those pioneering days, Eden Housing has developed or acquired more than 7,500 affordable housing units within 100 properties that have provided homes for more than 65,000 people over the years. Eden's housing now includes rental apartments, first-time homeowner opportunities, cooperatives, and supportive living environments for families, seniors and people with disabilities.

Eden Housing revitalizes California communities through their affordable housing development and property management activities, the partnerships they establish and the investments they make in California neighborhoods, and through the free social services and supportive programs they provide to meet the needs of their residents.

### The Project:

The Pacific Station North Apartments project is a new construction project consisting of 128 Apartments in a 7-story structure with new retail and a new Metro Transit Station in downtown Santa Cruz. The project will offer studios, one-, two- and three-bedroom apartments targeting families. The community will feature sustainable design, drought-tolerant landscaping, and high-quality finishes. Amenities will include a community room, computer lab, laundry facilities and outdoor space including a tot lot. Services will be provided to residents by Eden Housing Resident Services, Inc. (EHRSI), who provides services at all of Eden's properties. EHRSI's Resident Services staff works with residents one-on-one and in group settings and coordinates educational, financial literacy, wellness, and community-building activities. This financing will create 126 units of affordable housing for Santa Cruz residents for the next 55 years.

## **LEGACY COURT APARTMENTS SUMMARY AND RECOMMENDATIONS**

---

Applicant:	Community Housing Development Corporation of North Richmond
Action:	Initial Resolution
Amount:	\$32,000,000
Purpose:	Finance Affordable Multi-Family Rental Housing Facility Located in the City of Richmond, Contra Costa County, California
Activity:	Affordable Housing
Meeting:	February 3, 2023

---

### **Background:**

Community Housing Development Corporation of North Richmond (“CHDC”) was founded in 1990 by local leaders in North Richmond working to eliminate blight, improve housing opportunities for current and future residents, and create better economic conditions. It emerged from a housing committee of the North Richmond Neighborhood House and received early support from several local faith-based organizations.

Today, CHDC has added over 200 owner-occupied homes to the Richmond area along with street improvements, public services, senior and family rental housing; CHDC is a leader in the greater Richmond area in affordable homeownership and quality rental housing, and CHDC is recognized statewide for its asset-building programs for low-income households.

CHDC provides a broad range of affordable housing opportunities and services to enable low/moderate income residents to gain better housing and financial stability. Their unique approach to community development engages residents at the grassroots level and ensures that the whole neighborhood benefits from the affordable housing and neighborhood services provided. CHDC serves households throughout Contra Costa County and beyond. The majority of their clients live in the greater Richmond area. They serve people of all income levels but specialize in serving low- and moderate-income families. A large majority of their clients have incomes below 80% of the area median income.

### The Project:

The Legacy Court is a 43-unit new construction, family project in Richmond serving households earning between 30-60% AMI. 13 units will be targeted to households experiencing homelessness. The project consists of 11 separate parcels situated within three separate blocks. CHDC currently owns all the parcels. The project design concept consists of seven (7) individual, 2 and 3 story buildings, with townhouse apartments over flats. The development will provide a variety of common area amenities including landscaped open spaces, onsite parking and bicycle storage and onsite laundry facilities. A computer lab with high-speed internet connections will also be provided in one of the buildings. Onsite offices for property management and resident services are also included. Area amenities include the newly renovated Shields-Reid Park and Recreation Center, baseball field, elementary school, health center, county social services office, police sub-station, and soon to be constructed small grocery. A 3-acre farm by Urban Tilth, a community-based organization, is a ten-minute walk from the proposed housing development. The project will also incorporate solar panels, energy efficient appliances, and green elements maximized to reduce the carbon footprint at Legacy Court. The financing of this project will create affordable housing for 42 low-income households in the City of Richmond for the next 55 years.

### The City of Richmond:

The City of Richmond is a member of the CMFA and will be asked to hold a TEFRA hearing. Upon closing, the City is expected to receive approximately \$13,978 as part of the CMFA's sharing of Issuance Fees.

### **Background:**

Eden Housing's Mission is to build and maintain high-quality, well-managed, service-enhanced affordable housing communities that meet the needs of lower income families, seniors, and persons with disabilities.

Eden Housing revitalizes California communities through their affordable housing development and property management activities, the partnerships they establish and the investments they make in California neighborhoods, and through the free social services and supportive programs they provide to meet the needs of their residents.

### The Project:

The Downtown River Apartments is an existing, occupied 81-unit apartment development with three ground floor retail/commercial spaces located at 35 East Washington Street in Petaluma. Eden built the four-story building in 2005. The development is adjacent to the Petaluma River to the west and is part of the downtown core. The building has three stories of wood frame construction with stucco siding over a podium garage. One elevator serves upper-level floors. The podium parking contains 129 stalls for residents and commercial tenants. Downtown River is 100% affordable and contains apartments ranging from 1-3 bedrooms. The development also contains 5,210 sq. ft. of ground floor commercial space. One of the three commercial spaces is occupied by a restaurant and the other two are vacant. The project includes substantial rehabilitation of the interior and exterior of the building including ventilation and energy efficiency upgrades. Six new units will be added by renovating the under-utilized ground floor commercial space using the recently adopted state Accessory Dwelling Unit (ADU) laws. The financing of this project will result in preserving affordable housing for 80 low-income households and the addition of 6 new units of affordable housing in the City of Oakland for the next 55 years.

## **EAST 12<sup>TH</sup> STREET APARTMENTS SUMMARY AND RECOMMENDATIONS**

---

**Applicant:** East Bay Asian Local Development Corporation

**Action:** Initial Resolution

**Amount:** \$60,000,000

**Purpose:** Finance Affordable Multi-Family Rental Housing Facility  
Located in the City of Oakland, Alameda County, California

**Activity:** Affordable Housing

**Meeting:** February 3, 2023

---

### **Background:**

The East Bay Asian Local Development Corporation (“EBALDC”) was created around the dream of buying and preserving a beautiful but deteriorated warehouse in Oakland's Chinatown. That warehouse became the Asian Resource Center, a multi-service center to house social services and businesses. The Asian Resource center is home to EBALDC, various nonprofit agencies, retail businesses, medical facilities, school district classes, and the Asian Resource Art Gallery.

Since 1975, EBALDC community development efforts have included development of: over 1,600 affordable apartments and townhouses in 17 developments, five of which are historic structures; 124 first-time homeownership units; and 280,000 square feet of space for community organizations, including space for nonprofit organizations, resident services, childcare and small businesses.

In 1999, EBALDC created the Neighborhood Economic Development (NED) Department. The NED Department is dedicated to empowering diverse low-income individuals, families, businesses, and community organizations by mobilizing resources and facilitating collaborations. The NED department includes the following program areas: Family Economic Success (FES), Resident Services and Community Planning and Organizing.

EBALDC is a certified Community Housing Development Organization (CHDO) in Alameda and Contra Costa Counties and has won multiple awards for excellence in architectural design.

### The Project:

The East 12th Street is a proposed affordable housing project that is a six-story mixed-use building consisting of ninety-one (91) affordable units comprised of forty-two (42) studios; twenty-nine (29) one-bedroom units; sixteen (16) two-bedroom units; and four (4) three-bedroom dwelling units. The units will be restricted to households with incomes between 30% and 60% of County of Alameda Area Median Income. There will be an anticipated 425 square feet of ground floor retail area. The project site is underutilized City of Oakland land located near Lake Merritt and Peralta Park. This amenity and transit rich neighborhood will be positively impacted by creating new affordable housing. This financing will provide 90 units of affordable housing for households in the City of Oakland for the next 55 years.

### The City of Oakland:

The City of Oakland is a member of the CMFA and will be asked to hold a TEFRA hearing. Upon closing, the City is expected to receive \$21,443 as part of the CMFA's sharing of Issuance Fees.

**Meeting:** February 3, 2023

---

**Background:**

CRP Affordable Housing and Community Development LLC (“CRP Affordable”) is a wholly owned subsidiary of Castellan Real Estate Partners LLC (“Castellan”), a fully-integrated real estate development firm. Castellan has invested principally in multifamily real estate transactions. The market value of all transactions exceeds \$1.3 billion. Castellan is committed to socially and environmentally successful communities with business lines devoted to real estate development and property management, including affordable housing, rent restricted/government rent controlled, market rate multifamily and workforce housing communities. As of September 2020, Castellan has acquired 71 properties in New York, New Jersey, Pennsylvania and California. Castellan has owned, operated, developed and managed 2,540 units including affordable, rent-restricted and rent-controlled units comprised of approximately 2,131,000 square feet.

CRP’s team of professionals can provide in-house development, construction and property management services. CRP Affordable believes in forming strategic partnerships with community stakeholders to give residents better lives and neighborhoods with more stability and quality of life.

### The Project:

The Arbor View Apartments is the new construction of a 55-unit affordable housing development for large families. The project has 55 three-bedroom units restricted for families earning between 30% and 70% of the Area's Median Income: 6 units restricted at 30% AMI, 6 units restricted to 50% AMI, 18 units restricted at 60% AMI and 24 units restricted at 70% AMI. One of the three-bedroom units will be reserved for on-site managers/property management. The managing general partner in the project, Central Valley Coalition for Affordable Housing, will offer service amenities to tenants including instructor-led adult educational, health and wellness or skill building classes, and after school programs for school-age children. Amenities will include a playground, community room, computer room, laundry room, and on-site property manager. Arbor Views Apartments will provide much needed housing stability to the Fremont community. This financing will provide 54 units of affordable housing for the City of Fremont for the next 55 years.

## **KENSINGTON APARTMENTS SUMMARY AND RECOMMENDATIONS**

---

Applicant:	Pacific West Communities, Inc.
Action:	Initial Resolution
Amount:	\$40,000,000
Purpose:	Finance an Affordable Multi-Family Rental Housing Facility Located in the City of Murrieta, Riverside County, California
Activity:	Affordable Housing
Meeting:	February 3, 2023

---

### **Background:**

Pacific West Communities, Inc. (“PWC”) was formed as a real estate development and financing firm, specializing in the construction and rehabilitation of affordable workforce housing throughout the western United States. With a particular emphasis on the use of the affordable housing tax credits, PWC and its related companies develop multi-family and senior citizen housing in the states of California, Arizona, New Mexico, Utah, Oregon, Montana, Idaho, Nevada, Colorado, Washington, and Wyoming. Currently PWC owns and operates approximately 110 developments with over 6,000 units of affordable housing.

### The Project:

The Kensington Apartments is the new construction of an affordable multifamily apartment project located on approximately 5-acres of land situated southeast of the intersection of Washington Avenue and Nighthawk Way in the City of Murrieta. The property is currently vacant. The area can best be described as a mixed-use area, with single-family residential, multifamily residential, and commercial uses. The proposed development will be a 126-unit rental new construction project. With a mix of 48 one-bedroom units (approximately 582 SF), 42 two-bedroom units (approximately 757 SF), and 36 three-bedroom units (approximately 1,034 SF). Kensington Apartments will provide affordable housing for families earning up to 80% of the area median income (AMI) for Riverside County, with an average affordability of just under 60% AMI. The development will include five (5) residential buildings and a one-story community building. The units will be contained in newly constructed three-story garden style apartments. For the benefit and welfare of its residents, the project will include an approximately 5,100 SF community building. The community building will include a leasing office, spacious clubroom, fitness center, a laundry facility, and restrooms. An on-site resident manager will provide assistance and management while residing in a two-bedroom manager's unit. The development includes other amenities such as a large outdoor children's playground (approximately 1,745 SF), a dog run / park, and plenty of centralized open space which will serve as an excellent setting for family gatherings and play areas for children. A centrally located swimming pool will offer a recreational facility suitable for children ages 13-17. This financing will create 125 units of affordable housing for the City of Murrieta for the next 55 years.

### The City of Murrieta:

The City of Murrieta is a member of the CMFA and will be asked to hold a TEFRA hearing. Upon closing, the City is expected to receive approximately \$15,692 as part of the CMFA's sharing of Issuance Fees.

### **Background:**

Building on more than three decades of strength and experience, Thomas Safran & Associates (“TSA”) has emerged as a leader in the development of affordable housing in Southern California. TSA has developed over 3,500 units and continuously strives to provide premiere housing for seniors and families.

Their rental communities traditionally house 75 to 250 units. Additionally, TSA has developed mixed use and market rate projects.

Their developments are created with excellence in design and with amenities to assist their residents. Such features include basketball courts, playgrounds, large community rooms, wireless internet access, computer rooms, libraries, teen rooms, childcare centers, exercise facilities and other high-quality amenities. While building and managing profitable housing for their investors, their highest goal is to enhance the world in which we live and to enrich the lives of the people who reside in their buildings.

### The Project:

The Arlington Apartments is a new construction project of 83 affordable units and 1 manager unit. The property is currently owned by Steven R. Safran. The site is under the option to purchase by Arlington Heights, LP and assignment of the option to purchase to Kingdom Development, Inc. The project is made up of 41 studio units, 21 two-bedroom units, 20 three-bedroom units and one manager unit. ### Background:

Founded in 1979 and incorporated in 1980 by a group of Japanese Americans activists who wanted to form a multipurpose social service center, Little Tokyo Service Center (LTSC) aimed to provide linguistically and culturally sensitive social services to the Little Tokyo community and the broader Japanese American community in Southern California.

In the late 1980s and early 1990s, LTSC began advocating for the housing rights of low-income residents who were being evicted to make way for private development. Out of this struggle, the community development arm of LTSC was formed in 1994.

Today, the focus is to promote community control and self-determination in Little Tokyo and with partners while continuing to provide social services to those in need.

The Mission of Little Tokyo Service Center is to provide a comprehensive array of social welfare and community development services to assist low-income individuals and other persons in need, contribute to community revitalization and cultural preservation in Little Tokyo and among the broader Japanese community in the Southland, and to provide such resources to neighboring Asian Pacific Islander and other low-income communities.

### The Project:

The Crocker Umeya Apartments will be the new construction of a 100% affordable 175-unit, mixed-use, infill development. 88 of the units will be set aside as permanent supportive housing (PSH) and will serve homeless individuals and families that earn no more than 30% AMI. 85 units will be targeted towards individuals and families that earn no more than 60% AMI. The site currently consists of a vacant two-story building which LTSC plans to demolish at the start of construction and replace it with this new construction project. The previous owner and occupant, Umeya Rice Cake Factory, voluntarily left the property before the site was purchased in April 2019 and the demolition of the vacant building will not result in any residential unit demolition or displacement. A 29-stall basement level parking structure will provide residential parking, as well as additional stalls outfitted with EV charging stations and more than 120 bicycle parking spaces. The project's upper floor units are serviced by 3 elevators. The project will include 102 studios (average 406 SF), 60 one-bedroom units (average 531 SF), and 13 two-bedroom units (average 768 SF), two of which are reserved as on-site Manager's Units. There will be common laundry rooms located on each of the six residential floors. The project will provide accessible units for persons with mobility impairments and units for persons with sensory impairments with communication features per CBC Chapter 11B. This financing will create 173 units of affordable housing for the City of Los Angeles for the next 55 years.

### The City of Los Angeles:

The City of Los Angeles is a member of the CMFA and will be asked to hold a TEFRA hearing. Upon closing, the City is expected to receive approximately \$22,833 as part of the CMFA's sharing of Issuance Fees.

### Background:

Pacific West Communities, Inc. ("PWC") was formed as a real estate development and financing firm, specializing in the construction and rehabilitation of affordable workforce housing throughout the western United States. With a particular emphasis on the use of the affordable housing tax credits, PWC and its related companies develop multi-family and senior citizen housing in the states of California, Arizona, New Mexico, Utah, Oregon, Montana, Idaho, Nevada, Colorado, Washington, and Wyoming. Currently PWC owns and operates approximately 110 developments with over 6,000 units of affordable housing.

### The Project:

The Stevens Creek Promenade Apartments is the proposed new construction of an affordable multifamily apartments project located on approximately 1.59 acres of land currently addressed as 4300 Stevens Creek Boulevard. The project site is located at the southeast corner of Stevens Creek Boulevard and Lopina Way in the City of San Jose, Santa. The proposed development will be a 173-unit rental new construction project. With a mix of 44 studio units (approximately 422 SF), 37 one-bedroom units (approximately 568 SF), 45 two-bedroom units (approximately 776 SF), and 47 three-bedroom units (approximately 1,064 SF), Stevens Creek Promenade will provide affordable housing for families earning up to 80% of the area median income (AMI) for Santa Clara County. The development will consist of one, six-story elevator-serviced residential building with five residential levels over a one-level podium parking structure. For the benefit and welfare of its residents, the project will include an array of amenities including a clubroom, leasing office, a fitness center, an outdoor children's playground, and a basketball halfcourt. Two onsite resident managers will provide assistance and management while residing in three-bedroom manager's units. This financing will create 171 units of affordable housing for the City of San Jose for the next 55 years.

## **BUELLTON GARDEN APARTMENTS SUMMARY AND RECOMMENDATIONS**

---

Applicant: People's Self-Help Housing Corporation

Action: Initial Resolution

Amount: \$45,000,000

Purpose: Finance Affordable Multi-Family Rental Housing Facility  
Located in the City of Buellton, Santa Barbara County,  
California

Activity: Affordable Housing

Meeting: February 3, 2023

---

### Background:

The Mission of Peoples' Self-Help Housing is to provide affordable housing and programs leading to self-sufficiency for low-income families, seniors and other special needs groups on California's Central Coast. Peoples' Self-Help Housing ("PSHH") is a national award-winning non-profit organization that creates affordable housing and self-sufficiency programs on California's Central Coast; San Luis Obispo, Santa Barbara, and Ventura Counties.

In 1970 in San Luis Obispo, California, a small group of people and local community leaders were concerned about the lack of affordable housing available to low-income and special needs households. The group learned of a federally sponsored program available to non-profit sponsors to finance the construction of owner built low-income housing. The group incorporated to form Peoples' Self-Help Housing. Since then, the organization has built approximately 1,100 "sweat equity" and 1,400 affordable rental units. They operate 30 affordable housing complexes in San Luis Obispo, Santa Barbara and Ventura counties. PSHH has helped over 1,150 first time home buyers build and purchase their first home (residents contribute over 2,000 hours of 'sweat equity' in building their home).

### The Project:

The Buellton Garden Apartments is a proposed new construction, fully affordable housing rental development community, located at 10 McMurray Road, in the City of Buellton, Santa Barbara County. The Project site consists of 3.06 acres of vacant, undeveloped land. The Project will consist of eighty-nine (89) units, within two three-story walk-up buildings. Building A will consist of a Community Center and Learning Center, and forty-four (44) units total. Building B will consist of forty-five units total, and includes a courtyard and open community spaces. The unit mix is a combination of one, two, and three-bedroom units. One unit is reserved for the onsite manager. This financing will provide 88 units of affordable housing for households in the City of Buellton for the next 55 years.

### The City of Buellton:

The City of Buellton will be asked to become a member of the CMFA and will be asked to hold a TEFRA hearing. Upon closing, the City is expected to receive \$17,539 as part of the CMFA's sharing of Issuance Fees.

Applicant: MirKa Investment LLC

Action: Initial Resolution

Amount: \$25,000,000

Purpose: Finance Affordable Multi-Family Rental Housing Facility Located in the City of Brawley, Imperial County, California

Activity: Affordable Housing

Meeting: February 3, 2023

---

### Amending Resolution:

The Inducement Resolution was previously approved by the Board of the CMFA on August 5, 2022. The developer has asked the CMFA to increase the previous inducement up to a not to exceed amount of \$25,000,000.

### Background:

MirKa with its strategic partners develops and manages high quality, affordable multifamily rental housing communities. The team at MirKa is an affordable housing industry veteran having spent the last 16 years overseeing the acquisition, predevelopment, development, construction, operations, and asset management of a multitude low-income affordable housing projects, including but not limited to 4% and 9% tax credit, large-family, senior, and special needs.

MirKa has expertise in all applicable low-income housing funding programs, local, state and federal programs, including, but not limited to, MHP, AHSC, VHHP, AHP, USDA 514, NPLH, IHTF, and IIG. Prior to founding MirKa, Kursat Misirlioglu served as the Director of Project Finance at one of the nation's leading affordable housing developers, Chelsea Investment Corporation.

In addition to their expertise in project and financial engineering and planning, the team at MirKa have taken numerous projects from conception to completion, assembling and managing multidisciplinary project teams, including architects, engineers, general contractors, attorneys, appraisers, lenders, tax credit equity investors, property managers, supportive service providers,

capital providers, community-oriented non-profit organizations, and property management companies.

The Project:

The San Pedro Apartments is a new construction project located in Brawley, CA. The project will be a 40-unit affordable housing community. The community will be made up of one-, two- and three-bedroom units and will be restricted to households earning 30%-80% of AMI. Amenities will include a community room at the ground floor, a large residential courtyard with play structures and community gardens, and meeting spaces. The project will provide service coordination to provide residents with access to valuable resources in their communities as well as one-on-one support to address individual needs; job training and referral services. This financing will create 39 units of affordable housing for the residents of Brawley for the next 55 years.

The City of Brawley:

The City of Brawley is a member of the CMFA and will be asked to hold a TEFRA hearing. Upon closing, the City is expected to receive approximately \$11,042 as part of the CMFA's sharing of Issuance Fees.

### Amendment:

The CMFA Board approved a Final Resolution on April 29, 2022, with a not to exceed amount of \$60,000,000 and an amended Resolution on May 27, 2022 with a not to exceed amount of \$70,000,000. Due to project cost increase the CMFA will be asked to approve an amending Final Resolution to cover the supplemental allocation for a not to exceed amount of \$2,000,000.

### Background:

The Meta team has been active in the financing, construction, and management of affordable housing since 1969, and has developed more than 8,729 units. Meta's projects actively engage their tenants in activities such as tutoring, wellness, and art. This approach has consistently won national recognition including the National Association of Home Builders' 50+ Housing Gold Achievement award, PCBC Gold Nugget Award and the SAGE Award. The National Endowment for the Arts has recognized Meta's Burbank Senior Artists Colony as one of the finest examples of the incorporation of services, education and activities with architecture.

Meta works closely with city and community leaders, a variety of local and state housing agencies, and community-based nonprofits that are often in the best position to determine which solutions will work best for a community. Community outreach plays a critical role in developing design and programming, and Meta works closely with local stakeholders to ensure early identification and addressing of key issues.

### The Project:

2400 Long Beach is the proposed new construction of 112 rental units. The development is comprised of 2 five-story residential buildings. The development will feature 80 one-bedroom units, 20 two-bedroom units, and 12 three-bedroom units. The units will be set aside for individuals and families earning between 30% and 60% of Area Median Income. Onsite amenities will include onsite property management and services office spaces, fitness room, community room, outdoor courtyard spaces, and a bicycle storage. Services will include Adult educational classes and after school programs for children. The financing of this project will result in the creation of affordable housing for 112 low-income households in the City of Long Beach for the next 55 years.

## LA PRENSA LIBRE APARTMENTS SUMMARY AND RECOMMENDATIONS

---

Applicant:	AMCAL Enterprises, Inc.
Action:	Final Resolution
Amount:	\$1,592,260
Purpose:	Finance an Affordable Multi-Family Rental Housing Facility Located in the City of Los Angeles, Los Angeles County, California
Activity:	Affordable Housing
Meeting:	February 3, 2023

---

### Amending Resolution:

The Board of the CMFA previously approved a Final Resolution on September 18, 2020 and the project closed November 2020. The project has requested an additional supplemental allocation of \$1,592,260 with an approval from the CMFA board with a not to exceed amount of \$1,592,260. The project needs the additional bond allocation to meet the 50% test.

### Background:

AMCAL strives to develop high-quality, service and amenity-enriched housing for families and individuals at all ranges of the economic spectrum, from special needs to homeownership. Further, it is their mission to seize advantage of their vertically integrated companies: Development, Construction and Asset Management, to ensure that the developments are created in the most economically and ecologically efficient manner. It is their commitment to continue to deliver the highest quality possible at each and every community developed by AMCAL.

AMCAL is one of the most active and financially strong affordable housing developers in the state. AMCAL has completed 70 affordable apartment and workforce condominium developments with 6,500 restricted units throughout California since 1998. All affordable apartments were funded by 4% or 9% tax credits and reserved for very low and low-income households (30-60% of the County's Area Median Income).

### The Project:

The La Prensa Libre Apartments project is a new construction project consisting of 1 building, 4 stories in height, with 105 affordable units, 63 of which are included in this 4%/bond-financed project (62 restricted rental units and 1 managers unit). The development is being financed as two separate affordable housing projects located within one building (a 4%/9% hybrid), thereby necessitating the need for two air rights parcels in a single building and a third air rights parcel for the air surrounding the building. The 4% owner will own the air rights parcel comprising the air around the building plus air rights parcel comprised of the subterranean floor of parking, the entire first floor including residential units and over 8,000sf of community facility space to be operated as a workspace development center by the nonprofit MGP – Coalition for Responsible Community Development (CRCDD), and the residential units in the southern half of floors 2-4. The 4% ownership entity will enter into a reciprocal easement agreement (REA) with the 9% owner for the shared use of all hallways, elevators, and other common spaces.

The project will serve large family populations and 60% of units are larger two-bedroom and three-bedroom units for families with children. All units will have rents affordable to households earning between 30% AMI to 60% AMI. The project will also include 25 special-needs units, 23 one-bedroom units and 2 two-bedroom units, set aside for homeless transitional age youth (TAY). The project has been awarded 25 project-based vouchers from the Housing Authority of the City of Los Angeles (HACLA) to support the special-needs units. The subsidy layering review is with TCAC for review and approval.

The La Prensa Libre Apartments site includes five parcels under different ownership: a combination of privately owned and publicly owned parcels. Two parcels at 1910 S. Los Angeles Street (APN 5127-029-037) and 200 E. Washington Blvd (APN 5127-029-049) are owned by the applicant, AMCAL Washington Fund, L.P. The other three parcels (APNs: 5172-029-902, 5172-029-903, and 5172-029-904) are owned by the City of Los Angeles through the now dissolved Community Redevelopment Agency under jurisdiction of the Department of Housing & Community Investment of Los Angeles (HCIDLA). The City of Los Angeles and the LP have executed a disposition and development agreement known as the Owners Partnership Agreement for the sale of the site for fair market value, which the City determined in a recent appraisal to be \$6,127,000.

All five parcels will be merged as part of this project. The final building address for the affordable housing development will be 200 E. Washington Blvd. This financing will create 62 units of affordable housing in the City of Los Angeles for the next 55 years.

### The City of Los Angeles:

## **GRAND VIEW VILLAGE APARTMENTS SUMMARY AND RECOMMENDATIONS**

---

Applicant: Visionary Home Builders of California, Incorporated

Action: Final Resolution

Amount: \$1,992,265

Purpose: Finance Affordable Multi-Family Rental Housing Facility Located in the City of Stockton, San Joaquin County, California

Activity: Affordable Housing

Meeting: February 3, 2023

---

### Amending Resolution:

The Board of the CMFA previously approved a Final Resolution on January 15, 2021 and the project closed February 2021. The project has requested and additional supplemental allocation of \$1,992,265 with an approval from the CMFA board with a not to exceed amount of \$1,992,265. The project needs the additional bond allocation to meet the 50% test.

### Background:

Visionary Home Builders of California, Inc. ("VHBC") envisions a community where every child and adult has access to safe, decent, affordable housing and educational, training and learning opportunities. Their belief is that a home is the foundation which builds a healthy community where families can grow, strive for their dreams and hope for their future.

Visionary Home Builders' most significant achievement was its emergence from a small group of farm workers in 1983 whose sole purpose was to improve the living environment for farm workers living in public housing, into a prominent leader in the development and renovation of housing in the Central Valley region.

VHBC's recent development of a year-round housing community for farm workers is a vision that began 35 years ago. This vision, started with the construction of nine self-help homes, and today, a 70-unit multi-family development known as Casa de Esperanza shines as the newest jewel. This housing project is distinctively designed to house 70 large families in a beautiful environment including Head Start, a health clinic, job placement, classes to teach English as a second language and many more other services. Although today, Visionary Home Builders is a

multi-cultural agency, the original mission and dreams of a small group of farm workers has never been forgotten. VHBC builds housing and strengthens communities in the toughest neighborhoods that no other developer would consider.

Visionary Home Builders of California, Inc., has brought millions of dollars into the community. From the inception, VHBC has built more than 700 single-family homes and developed more than 1,200 units of rental housing. Homeownership, the American Dream, continues to be one of the main goals for helping their customers.

The Project:

Grand View Village Apartments is the new construction of a four-story building with 75 units of affordable housing for low-income households. The first floor will be comprised of 10,150 square feet of retail. Within this space, there will be a community center and space for a Head Start program. The residential units will make up the top 3 floors. The residents will be low and very-low income, earning between 30% and 80% of area median income. This financing will provide 74 units of affordable housing for the City of Stockton for 55 years.

The City of Stockton:

The City of Stockton is a member of the CMFA and held a TEFRA hearing on January 12, 2021. Upon closing, the City received \$12,451 as part of the CMFA's sharing of Issuance Fees.

## **MONUMENT SPRINGS COMMUNITY FACILITIES DISTRICT SUMMARY AND RECOMMENDATIONS**

---

**Applicant:** Guntert Family and Elliot Homes, Inc.

**Amount:** \$23,400,000

**Action:** Approval

**Purpose:** Approve Resolutions Forming CMFA Community Facilities District No. 2022-4 (City of Rocklin – Monument Springs) Improvement Area No. 1 Authorizing Incurrence of Bonded Indebtedness and Holding Special Landowner Election

**Activity:** BOLD/ Community Facilities District

**Meeting:** February 3, 2022

---

### Background and Resolutions:

The CMFA's BOLD Program ("BOLD") utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the "Act") to raise revenues for the infrastructure needs of local agencies in California. The City of Rocklin (the "City") is a member of the CMFA and a participant in BOLD. Guntert Family and Elliot Homes, Inc. (the "Developer") previously submitted an application to the CMFA to use BOLD in relation to the Developer's proposed development of certain property located in the City. The CMFA and the City previously accepted such application, and on November 18, 2022, the Board of Directors of the CMFA took the initial steps toward formation of a community facilities district for the project under the Act. The resolutions being considered by the Board on January 13, 2022 will complete the formation of the community facilities district and authorize the levying of special taxes and incurrence of bonded indebtedness for the community facilities district.

As an initial step in using BOLD for the financing of public infrastructure to be owned by a local agency such as the City, the CMFA needs to form a community facilities district. On November 18, 2022 the CMFA adopted a resolution stating its intention to form a proposed community facilities district (the "Resolution of Intention to Form CFD") to be called California Municipal Finance Authority Community Facilities No. 2022-4 (City of Rocklin – Monument Springs) Improvement Area No. 1, and a resolution stating its intention to incur bonded indebtedness for such CFD (the "Resolution of Intention to Incur Bonded Indebtedness").

Under the Act, the process of completing the formation of the CFD requires a noticed public hearing, the adoption of a resolution forming the CFD, the holding of a landowner election, and the adoption of an ordinance levying the special taxes. To form the CFD, the Board of Directors of the CMFA will first hold a public hearing on the formation of the CFD and the incurrence of bonded indebtedness for the CFD and consider any public comments received. After such public hearing, if there is no majority protest received, the Board of Directors of the CMFA can then proceed to adopt the resolution of formation for the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Forming California Municipal Finance Authority Community Facilities District No. 2022-4 (City of Rocklin – Monument Springs) Improvement Area No. 1

Next, the Board of Directors of the CMFA can adopt a resolution authorizing the issuance of debt for the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Determining Necessity to Incur Bonded Indebtedness and Other Debt in and for California Municipal Finance Authority Community Facilities District No. 2022-4 (City of Rocklin – Monument Springs) Improvement Area No. 1 (the “Resolution Determining Necessity”).

After adoption of the Resolution Determining Necessity, the Board of Directors of the CMFA can proceed to adopt a resolution calling for a special landowner election of the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Calling Special Election in and for California Municipal Finance Authority Community Facilities District No. 2022-4 (City of Rocklin – Monument Springs) Improvement Area No. 1 (the “Resolution Calling Election”). The election is allowed to be held as part of this meeting since timing waivers from 100% of the landowner voters have been received by the CMFA. The Secretary will canvass the results of the landowner election. These ballots have already been received by the Secretary.

The Board of Directors of the CMFA can then proceed to adopt a resolution declaring the results of the landowner election for the CFD and directing filing of the Notice of the Special Tax Lien with the County Recorder for Placer County. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring Results of Special Election and Directing Recording of Notice of Special Tax Lien in California Municipal Finance Authority Community Facilities District No. 2022-4 (City of Rocklin – Monument Springs) Improvement Area No. 1 (the “Resolution Declaring Election Results”). The special tax lien puts the rate and method of apportionment on record for all parcels within the applicable Community Facilities District.

The final legislative act is the introduction of an ordinance levying special taxes on the land in the CFD. Assuming its introduction on January 13, 2023, the ordinance can be finally adopted at a subsequent Board meeting.

#### The Project:

Improvement Area No. 1 of the CFD will include 95 single family units known as Vista Oaks. Improvement Area No. 1 will include three final maps. The final map for the first 41 lots will be recorded in October of 2022. No development has been started to-date but site development is anticipated to commence in the Spring of 2023.

Additional property will be annexed into the CFD in the future. The exact timing of the annexation is yet to be determined.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed \$23,400,000 on behalf of the CFD and all improvement areas therein.

#### Future Action:

The Ordinance Levying Special Taxes will need to be finally adopted at a future meeting of the Board of Directors. Bonds payable from the special taxes are expected to be issued in late 2023 or early 2024, subject to further resolution and approval. The Monument Springs CFD will be pooled with other CFDs and sold as a combined financing. It is expected that bonds for the CFD will be pooled with other districts at some point late 2023 or early 2024.

#### Authorized Facilities:

Authorized facilities and costs that may be funded through the California Municipal Finance Authority Community Facilities District No. 2022-4 (City of Rocklin – Monument Springs) (the “CFD”) include the following public improvements, development impact fees funding public improvements, and formation and administrative expenses.

#### Facilities:

The CFD is authorized to finance the purchase, construction, expansion, improvement, or rehabilitation of any real or other tangible property with an estimated useful life of five years or longer, together with the planning and design work that is directly related to the purchase, construction, expansion, or rehabilitation of any real or tangible property (collectively, the “Facilities”), including, but not be limited to, transportation facilities, water, sewer and storm drain facilities, parks, parkways, and open space.

#### Fees Financing Public Improvements:

Authorized facilities include development impact fees paid and not otherwise reimbursed, whether City, County, or other local agency fees. The authorized facilities include, but are not limited to, capital facilities funded by the following fees:

#### City of Rocklin

- Traffic Fee
- Public Facilities Fee

#### Other Local Agencies

- Placer County – Public Facilities Impact Fee
- South Placer Regional Transportation Authority Fee

Authorized facilities also include Formation, Administrative, and other Incidental Expenses as authorized by the Mello-Roos Act.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors adopt the Resolution of Formation, the Resolution Determining Necessity to Incur Bonded Indebtedness in an amount not to exceed \$23,400,000, the Resolution Calling Election, the Resolution Declaring Election Results, and introduce the Ordinance.

## **BANA AT PALMDALE APARTMENTS SUMMARY AND RECOMMENDATIONS**

---

Applicant: Milare Housing Investment, Inc.

Action: Initial Resolution

Amount: \$25,000,000

Purpose: Finance Affordable Rental Housing Facilities Located in the City of Palmdale, Los Angeles County, California

Activity: Affordable Housing

Meeting: February 3, 2023

---

### Amending Resolution:

The Board of the CMFA previously approved an Inducement Resolution in August of 2021 for a not to exceed amount of \$14,000,000. The developer has asked that the not to exceed amount be increased to \$25,000,000 due to rising construction costs and interest costs.

### Background:

Milare Housing Investments, Inc. ("Milare") was organized in 2010 to facilitate the construction and preservation of affordable housing. Milare has provided turn-key development and construction consulting services utilizing extensive knowledge of both the 9% and 4% California low-income housing tax credit programs.

Milare specializes in the development of affordable housing in urban, in-fill situations, especially sites that have been bypassed by other developers due to irregular configuration, steep slope conditions and/or other difficult development conditions. They have considerable experience in identifying, pursuing, coordinating, and making both public and private financial resources work together to create affordable housing. The broad spectrum includes identifying both private and institutional potential development sites, applying for and securing soft loans or grants from the local agencies/municipalities, raising equity from the syndication and the sale of tax credits and using owner's and developer's equity to get the affordable housing project built and placed in service.

To accomplish its housing mission, Milare seeks to acquire and develop housing projects in high-density, residential neighborhoods where most of the existing housing stock is predominantly older. Overcrowding is common and housing suffers from neglect and lack of adequate on-going maintenance. Requirements such as major hospitals, employers, public schools, grocery stores and shopping areas are within walking distance of the projects and are easily accessible by the numerous public transportation facilities in the area.

#### The Project:

The Bana at Palmdale Apartments project is the new construction of a 48-unit affordable multifamily housing facility located in Palmdale, CA. The project will be comprised of two- and three-bedroom units. 47 units will be restricted to households with incomes at or below 20% and 60% of AMI. Amenities will include a community room with computer lab, kitchen, gathering space, central laundry, and outdoor gathering/sitting areas. The project will incorporate the minimum construction standards as well as meet or exceed the additional threshold requirements for the Large Family housing type project as set forth in the TCAC regulations. The project will also have a solar system for common areas as well as the community room. This financing will create 47 units of affordable housing for households in the City of Palmdale for the next 55 years.

#### The City of Palmdale:

The City of Palmdale is a member of the CMFA and will be asked to hold a TEFRA hearing. Upon closing, the County is expected to receive approximately \$12,528 as part of the CMFA's sharing of Issuance Fees.

The Children's Crisis Center was established in 1980 to offer child abuse prevention and intervention services to children and families in Stanislaus County. Program services incorporate protective childcare, emergency shelter and crisis management to defend children living in high risk family circumstances. Over the last four decades, the Crisis Center has grown considerably both in scope of program service and capacity.

Program activities address the needs of children living in families impacted by chronic substance abuse, mental illness, domestic violence, extreme poverty, generational abuse and homelessness. Since opening the Crisis Center has held State licensures to provide supervised care and shelter to children, between the ages of newborn to 17 years. Operating under the regulatory controls of Infant Care, Day Care and School Age Care State licensures has allowed the program to benefit children of all ages.

## **Mission:**

We are the Inner City Youth Orchestra of Los Angeles (ICYOLA), the largest majority Black orchestra in America. Founded in 2009, ICYOLA is a California 501(c)(3) nonprofit corporation that transforms the lives and minds of young people in Inner City Los Angeles through high quality music education.

We teach inner-city youth the great music of the world, and provide opportunities for them to perform that music in the most magnificent settings of our community. We prepare our members for advanced study and high caliber success in music and otherwise. We instill the ancillary benefits that music instruction provides: problem-solving skills, critical thinking, self-reliance, self-confidence, self-discipline, and the crystallization and pursuit of meaningful purpose.

**Mission:**

We have started to take items out to Fort Irwin (Army Base) once a month. Since it is at least a 3-hour drive and 145 miles one way, there are many who can't afford the cost to rent a truck. They need that money to purchase food, pay utilities or handle other needs. So, our "mobile warehouse" helps Soldiers stretch their resources so they can focus on the mission.

Patriots and Paws continues to make trips out to Camp Pendleton (Marine Base) serving alongside with Camp Pendleton Rotary to provide much need items. We continue to have our Support Sunday for Veterans. This is a time where they come in and are with their brothers and sisters that have served to talk about what they may need. This is always the 2nd Sunday of the month, regardless of holidays. We know when you need to talk to someone, it doesn't matter if it is a holiday or not. January brings us the beginning of our "All Veteran Recovery" meeting for those who are in recovery and want to be among their military brothers and sisters.

## **Mission:**

Reach Out WorldWide (ROWW) is a 501(c)(3) registered nonprofit founded by Paul Walker. In January of 2010, after a massive earthquake devastated Haiti, Paul spontaneously organized a relief team that responded to the disaster. On the trip, Paul saw a gap between the availability of skilled resources and the requirement for such personnel in post-disaster situations.

Reach Out WorldWide (ROWW) responds to natural disasters with agile groups of volunteer first-responders and other professionals in the medical and construction fields who augment local expertise to accelerate relief efforts. Together with our partners' support we deliver relief supplies to residents in affected areas that help them continue rebuilding their community. Our mission is to deploy quickly to effectively impact as many people as possible

Camp Skyhook partners with LAUSD (Los Angeles Unified School District) to help inspire children from culturally, racially and socio-economically diverse neighborhoods into the great outdoors to work together. Education is the most basic of all social justice issues. Studies have shown time and time again that education most directly impacts one's socio-economic mobility, more so than any other factor. So an investment in education is not only an investment in the individual student, but also in their family, peers and the communities in which they live. With a curriculum developed by UCLA and NASA, students get a hands-on, immersive experience learning about Science, Technology, Engineering and Mathematics in a unique environment. For five days and four nights, students are immersed in the wonder of the world's largest classroom, the Angeles National Forest.

This small group of friends and volunteers were heavily focused on raising funds in support of orphans and women who had experienced domestic violence globally. Recognizing the disparity between the increasing number of victims of domestic violence needing support and the limited availability of services locally in the community, in 2012, Chest of Hope, Inc., expanded its efforts to include the provision of education, intervention and support to individuals and families.

Through education, intervention and support, we build community awareness about domestic violence and empower the lives of the people we serve.
