Action:	Resolution
Purpose:	Approve a Charitable Affordable Housing Program Application for a Proposed Grant for an Affordable Rental Housing Facility Located in the City of Escondido, San Diego County, California
Activity:	Charitable Affordable Housing
Meeting:	April 17, 2026

Background:

KDF Communities, LLC (“KDF”) is a real estate development and investment company based in Newport Beach, CA. Since inception in 1996, it has emerged as one of the largest developers and owners of affordable housing in California, primarily through the Low-Income Housing Tax Credit program (“LIHTC”), with experience in acquisition-rehabilitations as well as tax credit re-syndications. To date, KDF has been involved in the construction, acquisition, and rehabilitation of more than 6,000 affordable rental units in over 50 properties throughout California, Washington, Colorado, and Utah. Currently, the firm owns over 5,000 units across over 40 properties. Led by an experienced executive team, KDF prides itself in the continuity of its owners and employees as well as the longevity of its relationships with partners and lenders.

Nonprofit Partner:

Affordable Housing Access, Inc. (“AHA”) is an owner or partner in over 130 affordable housing communities across the United States. They are particularly committed to affordable housing in California where affordability has reached crisis proportions. Their presence in California ranges across the length and breadth of the State.

They have deep experience in the development, acquisition, rehabilitation and preservation of affordable housing. Together with their partners, they use a wide variety of financing tools,

including low-income housing tax credits and tax equity investment, tax-exempt and taxable bonds, HUD/FHA loan programs, Fannie Mae and Freddie Mac loan programs, as well as traditional debt financing.

AHA has taken a number of roles to create and preserve affordable housing - it acts as a managing general partner in partnership with trusted developer partners, it partners with other non-profit developers and owners, it directly owns affordable housing, and it acts as an investor and lender to facilitate production and preservation of more affordable housing.

The Project:

Elan River Village is an existing 123-unit low-density multifamily garden-style community in Escondido, CA built in 1989. The unit mix consists of 59 one-bedroom and 64 two-bedroom units. All units include wood-burning fireplaces, walk-in closets, and private patios. Community amenities include a swimming pool, spa, fitness center, tennis court, basketball court, and clubhouse, with 240 total parking spaces available (117 surface, 83 carports, 40 garage spaces). The property is conveniently located on N Broadway a few blocks from Escondido High School and along the North I-15 Corridor, which benefits from exceptional regional connectivity to major San Diego employment hubs. The grant for this project will create an affordable housing project in the City of Escondido for the next 55 years.

The City of Escondido:

The City of Escondido is a member of the CMFA and will be notified of the anticipated grant award. Upon closing, the City is expected to receive approximately \$18,450 as part of the CMFA's sharing of Closing Fees.

Terms of Transaction:

Amount: \$10,000 Grant
Estimated Closing: July 2026

Public Benefit:

A total of 123 low-income households will be able to enjoy high-quality, independent, affordable housing in the City of Escondido for the next 55 years. The property will serve low-income tenants and utilize the cost savings of the Welfare Tax Exemption towards preserving high-quality affordable housing and providing substantial capital improvements to the property.

Action:	Resolution
Purpose:	Charitable Affordable Housing Grant for an Affordable Rental Housing Facility Located in the City of El Cerrito, Contra Costa County, California
Activity:	Charitable Affordable Housing
Meeting:	April 17, 2026

Background:

From 1992 to 2003, MG Properties acquired 32 apartment communities totaling more than 2,500 units in San Diego County. As the values of San Diego properties increased, the company expanded into the Inland Empire with the acquisition of 6 new properties comprising 1,764 units. From 2004 to 2007, the company pursued opportunities in Northern California, Phoenix, Seattle and Tucson; all markets with compelling investment attributes. In recent years, properties in Nevada, Oregon and Colorado have been added to the portfolio.

With each stage of expansion, MG Properties has continued its focus on self-managed value-add workforce housing. In most cases, acquisitions have required renovations and operational improvements to make them successful. In some cases, the dramatic improvements made to the properties have been the impetus for the revitalization of surrounding neighborhoods. MG has received numerous awards from local communities and industry associations for property renewal and management accomplishments, in combination with their philanthropic efforts in the local communities they serve. As they continue to expand, their unparalleled dedication to their properties, employees, and investment partners will continue to be steadfast across all their markets and beyond.

PVSP PROPERTY 2 COMMUNITY FACILITIES DISTRICT SUMMARY AND RECOMMENDATIONS

Applicant: Woodside 05N, LP (Woodside Homes)

Amount: \$116,500,000

Action: Approval

Purpose: Approve Waiver of 2nd Reading and Adoption of Ordinance Levying Special Taxes within CMFA Community Facilities District No. 2026-1 (County of Placer—PVSP Property 2) Improvement Area No. 1 & Improvement Area No. 2

Activity: BOLD/ Community Facilities District

Meeting: April 17, 2026

Background and Resolutions:

The CMFA’s BOLD Program (“BOLD”) utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the “Act”) to raise revenues for the infrastructure needs of local agencies in California. The County of Placer (the “County”) is a member of the CMFA and a participant in BOLD. Woodside Homes (the “Developer”) previously submitted an application to the CMFA to use BOLD in relation to the Developer’s proposed development of certain property located in the County.

On February 20, 2026 the CMFA adopted a resolution stating its intention to form a proposed community facilities district (the “Resolution of Intention to Form CFD”) to be called California Municipal Finance Authority Community Facilities District No. 2026-1 (County of Placer – PVSP Property 2) Improvement Area No. 1 & Improvement Area No. 2 (the “CFD”), and a resolution stating its intention to incur bonded indebtedness for such CFD (the “Resolution of Intention to Incur Bonded Indebtedness”).

On March 27, 2026, the CMFA held a public hearing on the formation of the CFD and the incurrence of bonded indebtedness for the CFD and held the special election on the formation of the CFD. The CMFA then adopted the following resolutions to facilitate the formation of California Municipal Finance Authority Community Facilities District No. 2026-1:

- Resolution of the Board of Directors of the California Municipal Finance Authority Forming California Municipal Finance Authority Community Facilities District No. 2026-1 (County of Placer—PVSP Property 2) Improvement Area No. 1 & Improvement Area No. 2 (the “Resolution of Formation”).
- Resolution of the Board of Directors of the California Municipal Finance Authority Determining Necessity to Incur Bonded Indebtedness and Other Debt in and for California Municipal Finance Authority Community Facilities District No. 2026-1 (County of Placer—PVSP Property 2) Improvement Area No. 1 & Improvement Area No. 2 (the “Resolution Determining Necessity”).
- Resolution of the Board of Directors of the California Municipal Finance Authority Calling Special Election in and for California Municipal Finance Authority Community Facilities District No. 2026-1 (County of Placer—PVSP Property 2) Improvement Area No. 1 & Improvement Area No. 2 (the “Resolution Calling Election”).
- Resolution of the Board of Directors of the California Municipal Finance Authority Declaring Results of Special Election and Directing Recording of Notice of Special Tax Lien in and for California Municipal Finance Authority Community Facilities District No. 2026-1 (County of Placer—PVSP Property 2) Improvement Area No. 1 & Improvement Area No. 2 (the “Resolution Declaring Election Results”).

Ordinance:

The final legislative act for the formation of California Municipal Finance Authority Community Facilities District No. 2026-1 at the March 27, 2026 CMFA meeting of the Board of Directors was the introduction of the ordinance levying special taxes on the land in the CFD. The Board of Directors of the CMFA is now being asked to approve this Ordinance.

The Ordinance of the Board of Directors Levying Special Taxes on the land in the CFD will support the bonds and the services by this ordinance. The special tax lien puts the rate and method of apportionment for each Improvement Area on record for all parcels within the applicable Improvement Area. The levy conforms to the special tax formula approved by the Board in the Resolution of Formation and provides for the taxes to be collected each year on the general tax rolls of the County.

The Project:

The proposed CFD includes approximately 137.6 gross acres on which the developer is building 259 low density residential units, 145 medium density units and 40 affordable housing units (which will not be taxed).

There are 4 plan types within each density category. Home prices and the respective sizes for the MDR (medium density residential units) average \$699,307 for a 2,062 square foot home. Home prices and the respective sizes for the LDR (low density residential units) depend on lot size. For lot sizes that are 55 x 105 feet, home prices average \$781,250 for an average size of 2,874 square feet. For lot sizes of 75 x 110 feet, home prices average \$1,238,792 for an average home size of 3,728 square feet.

The project is fully entitled and has all necessary environmental approvals in place. Development started in March 2025. All backbone improvements are complete, the site is graded, and the

Developer expects to begin model construction in April of 2026, production homes in early summer, with sales in the third quarter of 2026.

The CFD is broken into two Improvement Areas, which are being formed currently. Improvement Area No. 1 includes 194 units and Improvement Area No. 2 includes 210 units. Improvement Area No. 1 is being developed initially, and bonds will be sold on that Improvement Area first.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed \$116,500,000 (\$55,100,000 for Improvement Area No. 1 and \$61,400,000 for Improvement Area No. 2) on behalf of the CFD and all improvement areas therein.

Future Action:

Bonds payable from the special taxes are expected to be issued in late 2026, subject to further resolution and approval. The PVSP Property 2 CFD Improvement Area No. 1 & Improvement Area No. 2 will be sold as stand-alone financings.

Authorized Facilities:

The California Municipal Finance Authority Community Facilities District No. 2026-1 (County of Placer – PVSP Property 2), including Improvement Area No. 1 and Improvement Area No. 2 therein (collectively, the “CFD”) is authorized to finance all or a portion of the costs of the purchase, modification, expansion, rehabilitation, acquisition, construction, and improvement of facilities and services permitted under the Mello-Roos Community Facilities Act of 1982 (“Act”) and that are provided in connection with the development of the property located in the CFD, including, but not limited to, those described below.

Facilities:

The CFD is authorized to finance the purchase, construction, expansion, improvement, or rehabilitation of any real or other tangible property with an estimated useful life of five years or longer, together with the planning and design work that is directly related to the purchase, construction, expansion, or rehabilitation of any real or tangible property, including, but not be limited to, transportation facilities, water, sewer and storm drain facilities, parks, parkways, and open space.

Fees Financing Public Improvements:

Authorized facilities include any facilities authorized by the Act that are financed in whole or in part by development impact fees and/or mitigation payments levied or collected in connection with development of the property, whether by the County of Placer (“County”) or any other local agency. By way of example and not limitation, authorized facilities include, but are not limited to, facilities authorized by the Act to be funded by the following:

- PVSP Fees
- South Placer Regional Transportation Authority (“SPRTA”)
- Placer County Traffic Fee
- Placer County Capital Facilities Fee

Authorized facilities also include Formation, Administrative, and other Incidental Expenses as authorized by the Mello-Roos Act.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors Approve the Waiver of 2nd Reading and Adopt the Ordinance Levying Special Taxes within CMFA Community Facilities District No. 2026-1 (County of Placer—PVSP Property 2) Improvement Area No. 1 & Improvement Area No. 2.

Meritage Homes (the “Developer”) previously submitted an application to the CMFA to use BOLD in relation to the Developer’s proposed development of certain property located in the City.

On February 20, 2026 the CMFA adopted a resolution stating its intention to form a proposed community facilities district (the “Resolution of Intention to Form CFD”) to be called California Municipal Finance Authority Community Facilities District No. 2026-5 (City of Tustin – Compass at Red Hill) (the “CFD”), and a resolution stating its intention to incur bonded indebtedness for such CFD (the “Resolution of Intention to Incur Bonded Indebtedness”).

On March 27, 2026, the CMFA held a public hearing on the formation of the CFD and the incurrence of bonded indebtedness for the CFD and held the special election on the formation of the CFD. The CMFA then adopted the following resolutions to facilitate the formation of California Municipal Finance Authority Community Facilities District No. 2026-5:

- Resolution of the Board of Directors of the California Municipal Finance Authority Forming California Municipal Finance Authority Community Facilities District No. 2026-5 (City of Tustin—Compass at Red Hill) (the “Resolution of Formation”).

- Resolution of the Board of Directors of the California Municipal Finance Authority Determining Necessity to Incur Bonded Indebtedness and Other Debt in and for California Municipal Finance Authority Community Facilities District No. 2026-5 (City of Tustin—Compass at Red Hill) (the “Resolution Determining Necessity”).
- Resolution of the Board of Directors of the California Municipal Finance Authority Calling Special Election in and for California Municipal Finance Authority Community Facilities District No. 2026-5 (City of Tustin—Compass at Red Hill) (the “Resolution Calling Election”).
- Resolution of the Board of Directors of the California Municipal Finance Authority Declaring Results of Special Election and Directing Recording of Notice of Special Tax Lien in and for California Municipal Finance Authority Community Facilities District No. 2026-5 (City of Tustin—Compass at Red Hill) (the “Resolution Declaring Election Results”).

Ordinance:

The final legislative act for the formation of California Municipal Finance Authority Community Facilities District No. 2026-5 at the March 27, 2026, CMFA meeting of the Board of Directors was the introduction of the ordinance levying special taxes on the land in the CFD. The Board of Directors of the CMFA is now being asked to approve this Ordinance.

The Ordinance of the Board of Directors Levying Special Taxes on the land in the CFD will support the bonds and the services by this ordinance. The special tax lien puts the rate and method of apportionment for each Improvement Area on record for all parcels within the applicable Improvement Area. The levy conforms to the special tax formula approved by the Board in the Resolution of Formation and provides for the taxes to be collected each year on the general tax rolls of the County.

The Project:

The proposed CFD includes approximately 3.39 gross acres on which the developer is building 73 residential townhome units, of which 4 will be affordable (and not taxed) in the City of Tustin. The 73 units will be developed as 9 buildings.

The townhomes that are being taxed (not the affordable units) will range in size from 1,215 to 1,705 square feet, with prices ranging from \$933,990 to \$1,089,990. The 4 affordable units will range in size from 1,215 to 1,765 square feet and will be sold with prices ranging from \$193,000 to \$240,350.

The project has all entitlements in place and expects to begin grading in April 2026. Model starts are expected in the fall of 2026, with a grand opening in February 2027.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed \$8,470,000 on behalf of the CFD and all improvement areas therein.

Future Action:

Bonds payable from the special taxes are expected to be issued in early 2027, subject to further resolution and approval. The Compass at Red Hill CFD will be pooled with other districts and sold as a combined financing.

Authorized Facilities:

The California Municipal Finance Authority Community Facilities District No. 2026-5 (City of Tustin – Compass at Red Hill) (the “CFD”) is authorized to finance all or a portion of the costs of the purchase, modification, expansion, rehabilitation, acquisition, construction, and improvement of facilities permitted under the Mello-Roos Community Facilities Act of 1982 (“Act”) and that are provided in connection with the development of the property located in the CFD, including, but not limited to, those described below.

Facilities:

The CFD is authorized to finance the purchase, construction, expansion, improvement, or rehabilitation of any real or other tangible property with an estimated useful life of five years or longer, together with the planning and design work that is directly related to the purchase, construction, expansion, or rehabilitation of any real or tangible property (collectively, the “Facilities”), including, but not be limited to, transportation facilities, water, sewer and storm drain facilities, parks, parkways, and open space.

Fees Financing Public Improvements:

Authorized facilities include any facilities authorized by the Act that are financed in whole or in part by development impact fees and/or mitigation payments levied or collected in connection with development of the property, whether by the City, Orange County or any other local agency. By way of example and not limitation, authorized facilities include, but are not limited to, facilities authorized by the Act to be funded by the following:

- Park Fees
- Traffic Fees
- Water Connection Fees
- Storm Drainage Fees
- Sewer Fees

Authorized facilities also include Formation, Administrative, and other Incidental Expenses as authorized by the Mello-Roos Act.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors Approve the Waiver of 2nd Reading and Adopt the Ordinance Levying Special Taxes within CMFA Community Facilities District No. 2026-5 (City of Tustin—Compass at Red Hill).

CALIFORNIA CONTRACT CITIES ASSOCIATION ANNUAL MUNICIPAL SEMINAR DINNER SPONSORSHIP

Subject: California Contract Cities Association Annual Municipal Seminar Dinner Sponsorship

Meeting: April 20, 2026

Background:

The Mission of the California Contract Cities Associations (CCCA) is to “Advance the benefits of the contracting model and strengthen local control and governance”. The four main functions of the CCCA are education, advocacy, networking, and access. Many of the CCCA member cities are current CMFA members and have previously worked with the CMFA to promote public benefit projects in their jurisdictions.

CCCA's Annual Municipal Seminar is designed to provide opportunities to hear from industry leaders, build and enhance skills and get the latest on cities working together through issues including Local Control, Public Safety, Economic Development, Housing/Land Use Development, and Homelessness.

The seminar will be held May 14-17, 2026, in Indian Wells, CA. The sponsorship will not exceed \$6,000.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors approve an up to \$6,000 sponsorship for the California Contract Cities Association's Annual Municipal Seminar Dinner.

SPONSORSHIP OF THE CALIFORNIA HOUSING CONSORTIUM (CHC) POLICY FORUM & CALIFORNIA HOUSING HALL OF FAME AWARDS

Subject: Sponsorship of the California Housing Consortium (CHC)
Policy Forum & CA Housing Hall of Fame Awards

Meeting: April 17, 2026

Background:

The California Housing Consortium (CHC) was founded in 1997 to complement the efforts of established regional associations of non-profit housing developers and service providers by bringing together the private, non-profit, and public sectors in a non-partisan effort to enhance the delivery of affordable housing in California.

The CHC Policy Forum & California Housing Hall of Fame Awards will be held on May 22, 2026 at the University of California, Los Angeles. As the premier “big tent” housing advocacy organization for affordable housing and community development across California, attendees will hear from experts from across the state on their new approaches and innovative ideas on where affordable housing is heading.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors approve an Emerald Sponsorship of \$20,000 for the CHC Policy Forum & California Housing Hall of Fame Awards.

SOLA SECURITIZATION SUMMARY AND RECOMMENDATIONS

Applicant:	SoLa Impact Opportunity Zone Fund, LP
Action:	Final Resolution
Amount:	Up to \$150,000,000
Purpose:	Finance Taxable Affordable Housing Revenue Bonds and Securitizing the Affordable Housing Revenue Bonds for Projects Located in the City of Los Angeles, County of Los Angeles
Activity:	Securitization of Affordable Housing Revenue Bonds
Meeting:	April 17, 2026

SoLa Impact:

SoLa Impact (“SoLa Impact”) is a family of social impact real estate funds with a double-bottom line strategy focused on preserving, refreshing, and creating high-quality, affordable housing in low-income communities. The company's proven track record leverages data-driven social impact strategies to deliver superior financial returns.

SoLa Impact currently owns and manages a portfolio of 1,500+ apartments in the greater South Los Angeles area. With multiple projects in various stages of rehab, construction, and pre-construction, they are positioned to build and renovate another 1,500 affordable units with their current pipeline of Opportunity Zone projects.

SoLa Impact believes the most effective way to impact key societal issues such as homelessness, the cycle of poverty, access to education, and the lack of economic opportunities lies in leveraging measurable, data-driven social impact strategies. SoLa Impact not only provides affordable housing but assists residents in accessing additional community resources to address these issues. SoLa has

- Assisted residents in obtaining roughly \$1.4M in additional resources.
- Distributed \$588K in School Supplies, Toys & Family Resources.
- Delivered \$20M Furniture, Household Goods & Food Aid.
- Helped 1700+ students received 2,537 hours of free tech career skills instruction.

SoLa Impact strives to prevent homelessness, break intergenerational poverty, create jobs, and help revitalize the underinvested communities of South LA. With their philosophy to uplift, not uproot, SoLa

Impact provides tenants with access to workforce training, job placement, financial literacy, and educational opportunities designed to enhance their health, well-being, job skills, and economic trajectory.

SoLa Opportunity Zone Fund:

SoLa Impact operates SoLa Opportunity Zone Fund (“Sola”) which owns and operates affordable housing projects in Los Angeles California. SoLa has 14 existing work-force housing projects listed on Appendix A (the “Properties”) which it is requesting CMFA assist it in refinancing. The Properties’ tenant base is almost exclusively qualified low-income individuals/families receiving Section 8 Housing Choice Vouchers from the City of Los Angeles/LA County Housing Authority. Each Property is currently financed by senior and subordinate taxable loans. All of the Properties have been constructed and are in operation other than MLK & Halldale which is substantially complete and currently in lease up.

Project:

SoLA proposes that the CMFA lend SoLa an amount not to exceed \$150,000,000 for the purpose of refinancing the existing taxable debt on the Properties (the “Project”). The Project will actually consist of multiple steps:

- CMFA to enter into 14 separate Loan Agreements (the “Loans”) with SoLa as the owner of each Property
 - Each Loan to be secured by the real estate and all other assets related to each Property
 - Each Loan will be assigned to US Bank as Bond Trustee
- CMFA will issue 14 separate Bonds, each payable from, and secured by the SoLa Loans
- CMFA will deliver the Bonds to US Bank as Certificate Trustee, pooling the Bonds into a single trust estate
- CMFA will issue two series of CMFA Taxable Certificates Series 2026-1 (SoLa) consisting of (Class A and Class B) which will be sold by Wells Fargo Bank, National Association and group of underwriters in a limited offering

Ultimately the funds to make the Loans to SoLa will be raised from the sale of the Class A and Class B Taxable Certificates.

The Certificates will represent the entire beneficial ownership of the Bonds, including: (i) the rights, title and interests of the CMFA under the Loan Documents, including the Notes and Bonds; (ii) the rights, title and interests of the CMFA, if any, in any Property; (iii) the CMFA’s rights under the Portfolio Purchase Agreements; (iv) any rights to escrowed funds; and (v) all funds and accounts created pursuant to the Trust Agreement (collectively referred to herein as the “Portfolio Assets”). The Portfolio Assets will be held by the Trustee under the Trust Agreement.

The interest paid on the Bonds and distributed to the holders of the Taxable Certificates is anticipated to be subject to federal income taxation but exempt from State of California income tax.

While complex, the creation of separate Loans and Bonds will permit SoLa to sell or refinance individual Properties without having to payoff all the Certificates. By pooling all of the Bonds together, investors are able to diversify their risk and obtain better financing terms.

The Certificates will be rated by Standard & Poor’s.

Security for the Certificates:

The Certificates will be secured by the cash flows from the Bonds and are further supported by the first lien mortgages on each Property. Each Bond will have a 10-year term and a 35-year amortization schedule. Due to the balloon payment at maturity, SoLa will need to either refinance or sell the Properties prior to the 10-year maturity date of the Certificates.

- All of the Properties are located in Los Angeles or San Pedro California.
- All projects are operating and occupied in the permanent phase with at least 1 year of operating data other than the MLK & Halldale Property.
- The Properties will be appraised for an amount not less than the par value of the Certificates.
- SoLa will also create a cash escrow of approximately \$4,000,000 providing additional support for the payment of the Bonds.

Proposed Financing:

Sources of Funds:

Taxable Class A Certificates:	\$ 141,000,000
Taxable Class B Certificates:	\$ <u>5,320,000</u>
Total Sources:	\$ 146,320,000

Uses of Funds:

Bond Purchase Price:	\$ 137,943,000
Reserve Fund:	\$ 3,976,700
Cost of Issuance:	\$ <u>4,399,400</u>
Total Uses:	\$ 146,320,000

Terms of Transaction:

Amount:	Up to \$150,000,000
Offering:	Public Offering or Limited Public Offering
Purchasers:	Institutional Buyers
Reserves:	Approximately 3% reserve fund for Class A
Rate Mode:	Variable
Class Structure:	Class A and Class B Certificates representing approximately 96%, and 4% of Pool balance
Anticipated Ratings:	Class A (BBB), Class B (unrated)
Maturity:	March 2036
Security:	First Mortgage lien and assignments of rents and leases
Estimated Closing:	June 2026

The Transaction Team has prepared form bond documents for the approval of the Board, however, final documents for each of the 14 Bonds and Loans will need to be submitted to Standard & Poor's in connection with the rating of the Certificates.

The CMFA will be under no obligation to make any Loans or issue the Bonds, unless and until all of the Certificates have been sold, providing CMFA to make the Loans to SoLa.

Project Public Benefit:

There is an urgent need for affordable housing in many communities throughout California. SoLa Impact has been working diligently to help alleviate the problem. The proposed securitization will help reduce SoLa's borrowing costs by diversifying the risks associated with single projects. By lowering SoLa's borrowing costs, SoLa will be able to improve the Properties and develop additional affordable housing in California.

ONTARIO AFFORDABLE HOUSING PHASE 2 APARTMENTS SUMMARY AND RECOMMENDATIONS

Applicant:	National Community Renaissance
Action:	Initial Resolution
Amount:	\$50,000,000
Purpose:	Finance Affordable Multi-Family Rental Housing Facility Located in the City of Ontario, San Bernardino County, California
Activity:	Affordable Housing
Meeting:	April 17, 2026

Background:

National Community Renaissance (“National CORE”) understands that affecting prosperity, security, revitalization, and growth requires a concerted collaboration and is the result of shared ambitions. Part of that process is a commitment to go beyond bricks and mortar; to create healthy communities that thrive and prosper for many generations to come.

National CORE is a nonprofit affordable housing developer that builds and manages affordable housing communities that are safe and good quality. They enhance neighborhood stability through long-term management and maintenance, and enrich their rental properties with services proven to make a positive impact such as senior wellness initiatives, afterschool programs, and low-cost/free preschool.

National CORE created the Hope Through Housing Foundation (“Hope”) in order to provide high quality services for seniors and children. Hope strives to meet or exceed nationally recognized benchmarks and best practices for senior and youth programs. It evaluates its program delivery and publishes the results on its website, www.hthf.org, every year.

The Project:

The Ontario Affordable Housing Phase 2 Apartments is a new construction project of 144 units near the northeast corner of East Holt Boulevard and Allyn Avenue in Ontario, CA. The 5.73-acre

site includes five vacant parcels. The development envisions two residential buildings, up to four stories in height, accommodating a total of 144 residential units. 143 units will be restricted to residents earning 30-60% of the Area Media Income and there will be one unrestricted manager's unit. The westernmost building, referred to as Building A, is proposed as a four-story double-loaded corridor U-shaped structure fronting Holt Blvd with 91 residential units. Building A includes 8 one-bedroom units, 40 two-bedroom units and 43 three-bedroom units. Building A also includes several recreational spaces on the ground floor including a community room, a warming kitchen, a technology room, as well as offices for property management and supportive service providers. The easternmost building, referred to as Building B, is proposed as an L-shaped building three stories in height, stepping up to four stories fronting Holt Boulevard. Building B comprises 53 residential units, including 5 one-bedroom units, 28 two-bedroom units and 20 three-bedroom units. Each building includes a landscaped courtyard that will provide both passive and active common open spaces. The courtyard for Building A includes a dog run, an outdoor gym with exercise stations, and a swimming pool with a restroom facility, outdoor showers, BBQs, and seating areas. The courtyard for Building B includes a kids' play area and a plaza with outdoor study areas for teens, BBQs, and picnic and lounge seating. All residents living on site will have access to all recreational amenities offered onsite regardless of the building they reside in. In and around the Project site there are passive and active landscaped areas incorporating raised planters, drought-tolerant and native ground covers, and decomposed granite walkways for residents to access community spaces. To accommodate residents, visitors, and staff onsite, approximately 234 surface parking spaces would be provided. Hope through Housing Foundation will coordinate supportive services for all Low-Income units, including health and fitness classes (exercise, cooking, and screenings), community activities to reduce social isolation and encourage engagement, and direct services coordination/referrals (healthcare, transportation, utility assistance, food banks, mental health). The financing of this project will create affordable housing for 143 households in the City of Ontario for the next 55 years.

The City of Ontario:

The City of Ontario is a member of the CMFA and will be asked to hold a TEFRA hearing. Upon closing, the City is expected to receive approximately \$18,766 as part of the CMFA's sharing of Issuance Fees.

THE VILLAGE AT FAIRVIEW APARTMENTS SUMMARY AND RECOMMENDATIONS

Applicant:	Burbank Housing Corporation
Action:	Initial Resolution
Amount:	\$30,000,000
Purpose:	Finance Affordable Multi-Family Rental Housing Facility Located in the City of Burbank, Los Angeles County, California
Activity:	Affordable Housing
Meeting:	April 17, 2026

Background:

Burbank Housing is a North Bay nonprofit dedicated to building quality, professionally managed and innovative affordable housing that fosters opportunities for people with limited income from all ages, backgrounds and needs.

To live in their rental properties, residents must generally earn less than 60% of the Area Median Income. In Sonoma County, for example, that means a family of four with an annual household income less than \$71,280 could be eligible. Given the vast need, there is no single type of Burbank Housing resident or homeowner.

Existing rental properties provide workforce housing to approximately 9,400 residents, while simultaneously using many local economic resources and creating jobs in property management and maintenance.

The Project:

The Village at Fairview will redevelop four contiguous Burbank Housing Corporation (“BHC”) affordable housing parcels at 2321–2335 N. Fairview Street into a new 60-unit, family-oriented affordable housing community. The project replaces 16 existing affordable homes with a larger, more efficient development that adds net new affordable units while protecting current residents through a third-party relocation program and a right-to-return. BHC has owned and operated the

Fairview properties as affordable housing for many years. After completing feasibility work, BHC identified the site as a strong candidate for redevelopment to expand affordable housing capacity on the same footprint. BHC began coordinating with Homes & Hope in late 2021, and the partnership advanced due diligence, relocation planning, and a layered financing strategy anchored by 4% LIHTC and local public resources. The project serves low-income households with deep affordability and a strong family focus. Approximately 15 units will be supportive housing for homeless families and individuals. The plan includes 20 Project-Based Section 8 vouchers to support rents for those 15 homeless units, plus 5 additional very low-income units. The affordability mix spans 30%–80% AMI, with one unrestricted manager’s unit. The unit mix consists of 23 one-bedroom, 22 two-bedroom, 12 three-bedroom, and 3 four-bedroom units. Amenities include a community room, tot lot, teen activity space, outdoor exercise stations, walking path, laundry rooms, mail room, on-site management, on-site supportive services, parking, landscaped courtyards and congregating spaces. The financing of this project will create affordable housing for 59 households in the City of Burbank for the next 55 years.

The City of Burbank:

The City of Burbank is a member of the CMFA and will be asked to hold a TEFRA hearing. Upon closing, the City is expected to receive approximately \$14,037 as part of the CMFA’s sharing of Issuance Fees.

Applicant: Step Up Housing

Action: Initial Resolution

Amount: \$100,000,000

Purpose: Finance Affordable Multi-Family Rental Housing Facility
Located in the Unincorporated Sacramento County,
California

Activity: Affordable Housing

Meeting: April 17, 2026

Background:

Step Up Housing ("Step Up") is a California nonprofit public benefit corporation formed in 2021. Step Up was formed to (i) acquire and provide housing for low- and moderate-income persons and households and (ii) serve as general partner in limited partnerships or managing member of other entities which develop, own and/or operate housing for the benefit of low- and moderate-income persons in need of affordable housing and related services. Step Up currently owns and operates 1,204 units of affordable housing across six properties.

Christine Lundy serves as President of Step Up. Ms. Lundy's prior experience is working in the non-profit sector for over 15 years. Ms. Lundy manages and oversees Step Up's fundraising and operations. Dani Evanson serves as Treasurer and Secretary of Step Up. PARK VIEW TERRACE II APARTMENTS SUMMARY AND RECOMMENDATIONS

Applicant: Community HousingWorks

Action: Final Resolution

Amount: \$15,000,000

Purpose: Finance Affordable Multi-Family Rental Housing Facility
Located in the City of Poway, San Diego County, California

Activity: Affordable Housing

Meeting: April 17, 2026

Background:

Community HousingWorks (CHW) is a nationally recognized 501(c)(3) nonprofit organization that believes “opportunity begins with a stable home.” Founded and headquartered in San Diego County in 1988, Community HousingWorks develops and owns life-changing affordable apartment communities with resident-centered services for working families, older adults, and people with disabilities to forge stronger futures.

CHW has successfully developed new and renovated existing multi-family, affordable rental apartments in urban, suburban and rural communities in California and Texas. With 4,289 rental apartments operating in 47 communities statewide as of October 2023, and with approximately 428 apartments currently in construction and another 306 apartments in predevelopment, CHW proudly serves more than 11,000 children and adults each year. CHW is an exemplary member of the national NeighborWorks Network®, a founding member of the Housing Opportunities Collaborative, an award-winning affiliate of UnidosUS, and the national Housing Partnership Network.

In addition to developing quality, cost-effective apartment communities, CHW distinguishes itself from other developers with outcome-based programs for their residents. CHW delivers innovative, nationally recognized onsite programs to residents to give people the knowledge and tools to achieve their goals and dreams. As a result, many adult residents are able to get out of debt, improve their credit, and start a practice of saving for the future, all of which are critical elements to forging pathways out of poverty. Youth have a safe place to learn and grow, to improve their reading ability, and have a better opportunity to succeed in school.

The Project:

Park View Terrace II is located at 13250 Civic Center Dr., and is a community comprised of 18 two-story residential buildings, a community building, and on-premises parking. There are 92 total units with 11 one-bedroom units with a full bathroom, 36 two-bedroom units with a full bathroom, 35 three-bedrooms with two full bathrooms and a half bathroom, and 10 units with four-bedrooms and two bathrooms. Park View Terrace II will have 91 units restricted at 50% AMI and one set-aside as a manager's unit. Residents have access to ample parking, a community center, laundry facility, computer lab, playground, tennis court, BBQ area, and is located within walking distance of a bus stop, shopping, restaurants, a medical clinic and, entertainment near the library and civic center.

The proposed rehabilitation at Park View Terrace II consists of common area updates, including new landscaping, repair of stairways, accessible handrails, replacement of the security system and replacement of sections of the sidewalks. The units will have new energy-efficient windows, new flooring, repairs to the walls and doors, and new appliances. This financing will help preserve 91 units of affordable housing for the City of Poway for the next 55 years.

The City of Poway:

The City of Poway is a member of the CMFA and held a TEFRA hearing on December 22, 2025. The City is expected to receive approximately \$2,876 as part of the CMFA's sharing of Issuance Fees.

HERITAGE PARK APARTMENTS SUMMARY AND RECOMMENDATIONS

Applicant:	LINC Housing
Action:	Final Resolution
Amount:	\$2,500,000
Purpose:	Finance Affordable Multi-Family Rental Housing Facility Located in the Town of Windsor, Sonoma County, California
Activity:	Affordable Housing
Meeting:	April 17, 2026

Amendment – November 1, 2024:

The Heritage Park Apartments Final Resolution was approved on November 1, 2024 and bonds were issued on December 30, 2024. The project has since applied for and received supplemental allocation of \$1,985,000.

Original Staff Report:

Background:

LINC Housing (“LINC”) has a 40-year history of creating communities for thousands of families and seniors throughout California. LINC is committed to building and preserving housing that is affordable, environmentally sustainable, and a catalyst for community improvement. Through their LINC Cares program, they are also providing life-enhancing services that improve the quality of life for their residents.

LINC Housing and LINC Cares remain committed to their overall goal of serving California communities through housing. Now more than ever, they are focused on helping their residents through these difficult times and finding new and creative ways to keep building and preserving affordable homes. They will accomplish their goals by implementing the following strategies:

- Develop and construct new affordable housing for seniors, families and special needs populations.

- Protect California’s affordable housing supply through purchase of existing rentals.
- Develop sustainable urban in-fill, mixed-use, and transit-oriented properties.
- Retrofit existing affordable housing to create energy savings, healthful living environments, and positive environmental impact.
- Provide supportive services that enhance the lives of our residents.
- Advocate strong public policy for affordable housing.

The Project:

The Heritage Park Apartments is a “shovel ready” project for very low- and low-income families and individuals. It consists of 33 housing units in one elevator building. While 10% of the units are fully accessible, all units are adaptable. There are 4 one-bedroom units, 20 two-bedroom units and 8 three-bedroom units. Amenities include a community room, laundry room, and management offices, as well as storage and maintenance on the ground floor. The community room includes a non-commercial kitchen and a computer area with high-speed internet. 63 parking spaces are provided, including 36 that are covered carports. Additional amenities include a tot lot for younger children, a teen workout area, and an outdoor BBQ lounge area. Services include case management supportive services from Reach for Home, a well-respected local homeless service provider who provides wrap around services. The financing of this project will result in providing affordable housing for 32 households in the Town of Windsor for the next 55 years.

The Town of Windsor:

The Town of Windsor is a member of the CMFA and held a TEFRA hearing on October 2, 2024. Upon closing, the Town received \$11,423 as part of the CMFA’s sharing of Issuance Fees.

CLARA GARDENS APARTMENTS SUMMARY AND RECOMMENDATIONS

Applicant:	Resources for Community Development
Action:	Final Resolution
Amount:	\$85,000,000
Purpose:	Finance Affordable Multi-Family Rental Housing Facility Located in the City of Santa Clara, Santa Clara County, California
Activity:	Affordable Housing
Meeting:	April 17, 2026

Background:

For 30 years, Resources for Community Development (“RCD”) has created and preserved affordable housing for very low-income individuals and families. Thousands of low-income families have benefitted from rent that’s within their means, allowing them to live independently. For low-income seniors, working families and people with special needs – the Mission of RCD is to create and preserve affordable housing for them, to build community and enrich lives.

Rents in the Bay Area have been relatively high for many years. That’s what motivated a group of Berkeley community members to found the non-profit to address the problem of an inadequate supply of safe, affordable housing for low-income people who were being pressured to leave the community because of rising rents. Today, RCD continues to look for opportunities to work together with the community to reimagine, recreate, and redefine how to provide affordable homes, for a better future for those with the fewest options.

RCD serves low-income people with household incomes of 20 to 60 percent of the Area Median Income (up to \$56,100 for a family of four in the Bay Area). Starting with a range of housing options, from studios and single room occupancy to four-bedroom apartments, RCD also reserves over 30 percent of their units for people with special needs.

The Project:

The Clara Gardens Apartments, located at 3550 El Camino Real in Santa Clara on a 1.12-acre site, is the new construction & adaptive reuse of 120 units of housing, consisting of 119 restricted rental units and 1 unrestricted manager's unit. The project will have 40 studio units, 16 one-bedroom units, 34 two-bedroom units, and 30 three-bedroom units, serving families with rents affordable to households earning 30%-50% of area median income (AMI). The financing of this project will result in providing affordable housing for 119 households in the City of Santa Clara for the next 55 years.

The City of Santa Clara:

The City of Santa Clara is a member of the CMFA and has been asked to hold a TEFRA hearing on May 5, 2026. The City is expected to receive approximately \$22,044 as part of the CMFA's sharing of Issuance Fees.

Purpose:	Finance Affordable Multi-Family Rental Housing Facility Located in the City of Palmdale, Los Angeles County, California
Activity:	Affordable Housing
Meeting:	April 17, 2026

Background:

Lincoln Avenue Communities is a family owned and operated, owner and developer of affordable housing nationwide. Since their founding in 2016, they have been driven by a commitment to provide individuals and families with quality, sustainable, and affordable homes while delivering social, environmental, and financial returns. They measure their impact against a triple bottom line and believe that businesses thrive when they are delivering financial, social, and environmental returns. The challenges from the pandemic have only brought greater focus to the importance of their work. COVID-19 has revealed the inextricable link between affordable housing and public health – and heightened the pressing need for quality, affordable homes.

Their company brings together a diverse and innovative team – with a range of experience inside the affordable housing industry and across the business, government, and nonprofit sectors – all who are focused on putting forward solutions that will generate returns for generations to come. Their vision is to raise the standards in affordable housing investing, ownership, and development with integrity, excellence, teamwork, and accountability. Their team members are dedicated to this vision, while creating long-term value for their stakeholders and in the communities they operate. The Company’s investments strengthen communities. They create and implement a range of innovative solutions to support their residents and communities.

Purpose:	Finance Affordable Multi-Family Rental Housing Facility Located in the City of Concord, Contra Costa County, California
Activity:	Affordable Housing
Meeting:	April 17, 2026

Background:

Lincoln Avenue Communities is a family owned and operated, owner and developer of affordable housing nationwide. Since their founding in 2016, they have been driven by a commitment to provide individuals and families with quality, sustainable, and affordable homes while delivering social, environmental, and financial returns. They measure their impact against a triple bottom line and believe that businesses thrive when they are delivering financial, social, and environmental returns. The challenges from the pandemic have only brought greater focus to the importance of their work. COVID-19 has revealed the inextricable link between affordable housing and public health – and heightened the pressing need for quality, affordable homes.

Their company brings together a diverse and innovative team – with a range of experience inside the affordable housing industry and across the business, government, and nonprofit sectors – all who are focused on putting forward solutions that will generate returns for generations to come. Their vision is to raise the standards in affordable housing investing, ownership, and development with integrity, excellence, teamwork, and accountability. Their team members are dedicated to this vision, while creating long-term value for their stakeholders and in the communities they operate. The Company’s investments strengthen communities. They create and implement a range of innovative solutions to support their residents and communities.

HALEY RANCH & HILLSIDE VILLAGE II APARTMENTS SUMMARY AND RECOMMENDATIONS

Applicant: Community HousingWorks

Action: Final Resolution

Amount: \$20,000,000

Purpose: Finance Affordable Multi-Family Rental Housing Facility
Located in the City of Poway, San Diego County, California

Activity: Affordable Housing

Meeting: April 17, 2026

Background:

Community HousingWorks (“CHW”) is a nationally recognized 501(c)(3) nonprofit organization that believes “opportunity begins with a stable home.” Founded and headquartered in San Diego County in 1988, Community HousingWorks develops and owns life-changing affordable apartment communities with resident-centered services for working families, older adults, and people with disabilities to forge stronger futures.

CHW has successfully developed new and renovated existing multi-family, affordable rental apartments in urban, suburban and rural communities in California and Texas. With 4,289 rental apartments operating in 47 communities statewide as of October 2023, and with approximately 428 apartments currently in construction and another 306 apartments in predevelopment, CHW proudly serves more than 11,000 children and adults each year. CHW is an exemplary member of the national NeighborWorks Network®, a founding member of the Housing Opportunities Collaborative, an award-winning affiliate of UnidosUS, and the national Housing Partnership Network.

In addition to developing quality, cost-effective apartment communities, CHW distinguishes itself from other developers with outcome-based programs for their residents. CHW delivers innovative, nationally recognized onsite programs to residents to give people the knowledge and tools to achieve their goals and dreams. As a result, many adult residents are able to get out of debt, improve their credit, and start a practice of saving for the future, all of which are critical elements to forging pathways out of poverty. Youth have a safe place to learn and grow, to improve their reading ability, and have a better opportunity to succeed in school.

The Project:

WARNER CENTER II APARTMENTS SUMMARY AND RECOMMENDATIONS

Applicant:	Meta Housing
Action:	Final Resolution
Amount:	\$70,000,000
Purpose:	Finance Affordable Multi-Family Rental Housing Facility Located in the City of Los Angeles, Los Angeles County, California
Activity:	Affordable Housing
Meeting:	April 17, 2026

Background:

The Meta Housing team has been active in the financing, construction, and management of affordable housing since 1969, and has developed more than 8,729 units. Meta's projects actively engage their tenants in activities such as tutoring, wellness, and art. This approach has consistently won national recognition including the National Association of Home Builders' 50+ Housing Gold Achievement award, PCBC Gold Nugget Award and the SAGE Award. The National Endowment for the Arts has recognized Meta's Burbank Senior Artists Colony as one of the finest examples of the incorporation of services, education, and activities with architecture.

Meta works closely with city and community leaders, a variety of local and state housing agencies, and community-based nonprofits that are often in the best position to determine which solutions will work best for a community. Community outreach plays a critical role in developing design and programming, and Meta works closely with local stakeholders to ensure early identification and addressing of key issues.

The Project:

Warner Center Phase II is the proposed new construction of 128 units, including 127 restricted affordable units and one unrestricted manager's unit. The development is comprised of six residential stories over two levels of podium parking at grade. The development will feature 6 studio units, 18 one-bedroom units, 67 two-bedroom units, and 37 three-bedroom units. Warner

Center Phase II will provide affordable housing in the City of Los Angeles. The units will be set aside for individuals and families earning between 30% and 80% of Area Median Income. This financing will provide affordable housing for the residents of the City of Los Angeles for the next 55 years.

The City of Los Angeles:

Purpose:	Finance Affordable Multi-Family Rental Housing Facility Located in the City of Palm Desert, Riverside County, California
Activity:	Affordable Housing
Meeting:	April 17, 2026

Background:

Compass for Affordable Housing (the “Corporation”) is a California nonprofit corporation classified by the Internal Revenue Service as tax-exempt under Section 501(c)(3) of the Internal Revenue Code of 1986. The Corporation was organized in 2009 to develop, manage and provide affordable housing and resident services for low- and moderate- income families, seniors and handicapped, veterans and homeless individuals.

Their mission is to connect a diverse group of individuals residing in affordable housing communities to education and resources that navigate and enrich their lives. Through awareness and empowerment, Compass provides direction.

The Project:

Palm Desert Family Housing Apartments, located at Frank Sinatra Drive and Cook Street in Palm Desert on a 7.74-acre site, is the new construction of 298 units of housing, consisting of 295 restricted rental units and 3 unrestricted manager's units. The project will have 7 studio units, 113 one-bedroom units, 101 two-bedroom units, 61 three-bedroom units, and 16 four-bedroom units, serving families with rents affordable to households earning 30%-70% of area median income (AMI). This financing will provide 295 units of affordable housing for the residents of the city of Palm Desert for the next 55 years.

The City of Palm Desert:

The City of Palm Desert is a member of the CMFA and has been asked to hold a TEFRA hearing on April 23, 2026. The City is expected to receive approximately \$18,101 as part of the CMFA's sharing of Issuance Fees.

THE DEWEY HOTEL APARTMENTS SUMMARY AND RECOMMENDATIONS

Applicant: Hope For an Affordable LA

Action: Final Resolution

Amount: \$8,000,000

Purpose: Finance Affordable Multi-Family Rental Housing Facility
Located in the City of Los Angeles, Los Angeles County,
California

Activity: Affordable Housing

Meeting: April 17, 2026

Background:

Hope for an Affordable LA, LP (“Hope”) is a newly formed, privately funded affordable housing owner/operator of almost 1,200 units in downtown Los Angeles. Hope has a team of about 50 employees with the plan to add about 900 units this year in downtown Los Angeles. Leo Pustilnikov has led private commercial real estate investment and development activities in Southern California for 15 years; specializing in the adaptive reuse of historic properties, leveraging subsidies for housing, stabilization of affordable housing properties that offer robust services to their residents, and creating stable communities for the residents of Southern California. Leo pioneered builder’s remedy in Los Angeles, pursuing the legal remedies available to develop housing thousands of apartment units (including affordable housing) in those cities that were failing to meet the minimum housing units under the State’s housing allocation. Leo has worked closely with local non-profits and service providers, including Hope The Mission, for its experience in providing robust services to the homeless population of Los Angeles. Ramtin Rafiee is a California licensed real estate broker and has over 15 years of experience overseeing investment activities and transactions related to the redevelopment of hotels into affordable housing. Ramtin owns and operates affordable housing throughout Los Angeles and has deep relationships in the affordable housing community and the services community that meet the needs of permanent supportive housing.

The Project:

The Dewey Hotel Apartments is a 43-unit existing affordable housing property in downtown Los Angeles serving homeless residents earning less than 45% AMI. It is seeking tax exempt bonds and 4% tax credits to finance a substantial rehab and resyndication to return the existing studio apartment property back to operation and extend affordability restrictions. The rehab will include significant capital improvements to repair fire damaged areas of the property and bring the property up to current accessibility code requirements. The rehab began February 2026 and will be completed by February 2027. Amenities on the project include a community room, management offices, and storage spaces. Services will include an on-site resident and case management services. The financing of this project will create 42 units of affordable housing for the residents of Los Angeles for the next 55 years.

The City of Los Angeles:

MARSHALL ROAD COMMUNITY FACILITIES DISTRICT SUMMARY AND RECOMMENDATIONS

Applicant:	Artisan Homes of California Inc.
Amount:	\$3,000,000
Action:	Approval
Purpose:	Approve Resolution of Intention to Form CMFA Community Facilities District No. 2026-10 (City of West Sacramento – Marshall Road), and Approve Resolution of Intention to Incur Bonded Indebtedness
Activity:	BOLD/ Community Facilities District
Meeting:	April 17, 2026

Background and Resolutions:

The CMFA’s BOLD Program (“BOLD”) utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the “Act”) to raise revenues for the infrastructure needs of local agencies in California. The City of West Sacramento (the “City”) is a member of the CMFA and a participant in BOLD. Artisan Homes of California Inc (the “Developer”) has submitted an application to the CMFA to use BOLD in relation to the Developer’s proposed development of certain property located in the City. The CMFA and the City have accepted such application.

The applicant has requested formation of a community facilities district which will facilitate the future issuance of bonds by the CMFA under the program. Proceeds of bonds will primarily be used to finance public infrastructure facilities to be owned by the City.

As an initial step in using BOLD for the financing, the CMFA needs to form a community facilities district. The proposed community facilities district will be called California Municipal Finance Authority Community Facilities District No. 2026-10, (City of West Sacramento - Marshall Road) (the “CFD”).

Under the Act, it is a requirement that CMFA, as the entity forming the CFD, adopt a resolution stating its intention to form the CFD, stating the types of public facilities to be financed on behalf of the CFD, setting forth the rate and method of apportionment of a proposed special tax to be

levied in the CFD, and establishing the boundary. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Establish California Municipal Finance Authority Community Facilities District No. 2026-10 (City of West Sacramento – Marshall Road), and to Levy a Special Tax to Finance the Acquisition and Construction of Certain Public Facilities in and for such Community Facilities District (the “Resolution of Intention to Form CFD”).

It is also a requirement under the Act that the CMFA, as the entity forming the CFD, adopt a resolution stating its intention to issue bonds payable from the levy of a special tax within the CFD. A resolution meeting that requirement of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Incur a Bonded Indebtedness in and for the California Municipal Finance Authority Community Facilities District No. 2026-10 (City of West Sacramento – Marshall Road) to Finance the Acquisition and Construction of Certain Public Facilities (the “Resolution of Intention to Incur Bonded Indebtedness”).

The Project:

Artisan Homes of California is developing 9 custom homes on 10.85 gross acres in the City of West Sacramento. The homes will be built on large lots, with home sizes ranging from 3,981 square feet to 4,007 square feet. Home prices are expected to range from \$1.6 million to \$1.7 million.

Artisan Homes is managed by Katherine Bardis-Miry. Her other development entities have done several projects through the CMFA BOLD program, including several large projects in Sacramento County.

Land development is complete for this project, and home construction is under way. First closings are projected for this summer.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed \$3,000,000 on behalf of the CFD and all improvement areas therein.

Future Action:

Under the Act, at a future meeting of the CMFA Board of Directors, the Board of Directors will need to hold a public hearing and adopt additional resolutions formally creating the CFD, authorizing the incurrence of bonded indebtedness for the CFD, levying the special tax within the CFD, and certain other related matters. Marshall Road CFD will likely be pooled with other small CFD’s and sold as a combined financing. Depending on development status, this CFD may be included in a pool as early as late 2026.

Authorized Facilities:

The California Municipal Finance Authority Community Facilities District No. 2026-10 (City of West Sacramento – Marshall Road) (the “CFD”) is authorized to finance all or a portion of the costs of the purchase, modification, expansion, rehabilitation, acquisition, construction, and improvement of facilities permitted under the Mello-Roos Community Facilities Act of 1982

("Act") and that are provided in connection with the development of the property located in the CFD, including, but not limited to, those described below.

Facilities:

The CFD is authorized to finance the purchase, construction, expansion, improvement, or rehabilitation of any real or other tangible property with an estimated useful life of five years or longer, together with the planning and design work that is directly related to the purchase, construction, expansion, or rehabilitation of any real or tangible property (collectively, the "Facilities"), including, but not be limited to, transportation facilities, water, sewer and storm drain facilities, parks, parkways, and open space.

Fees Financing Public Improvements:

Authorized facilities include any facilities authorized by the Act that are financed in whole or in part by development impact fees and/or mitigation payments levied or collected in connection with development of the property, whether by the City, Yolo County or any other local agency. By way of example and not limitation, authorized facilities include, but are not limited to, facilities authorized by the Act to be funded by the following:

City of West Sacramento:

- City Traffic Mitigation Fee
- Water Connection Fee
- City Sewer Fee
- Neighborhood Park Fee
- Community Park Fee

Other Local Agencies:

- Sacramento Area Sewer District (SASD)

Authorized facilities also include Formation, Administrative, and other Incidental Expenses as authorized by the Mello-Roos Act.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors adopt the Resolution of Intention to Form CFD and the Resolution of Intention to Incur Bonded Indebtedness in an amount not to exceed \$3,000,000.

The proposed community facilities district will be called California Municipal Finance Authority Community Facilities District No. 2026-12, (County of Sacramento - Morvai South) Improvement Area No. 1 and Improvement Area No. 2 (the “CFD”).

Under the Act, it is a requirement that the CMFA, as the entity forming the CFD, adopt a resolution stating its intention to form the CFD, stating the types of public facilities to be financed on behalf of the CFD, setting forth the rate and method of apportionment of a proposed special tax to be

levied in the CFD, and establishing the boundary. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Establish California Municipal Finance Authority Community Facilities District No. 2026-12 (County of Sacramento – Morvai South) Improvement Area No. 1 and Improvement Area No. 2, and to Levy a Special Tax to Finance the Acquisition and Construction of Certain Public Facilities in and for such Community Facilities District (the “Resolution of Intention to Form CFD”).

It is also a requirement under the Act that the CMFA, as the entity forming the CFD, adopt a resolution stating its intention to issue bonds payable from the levy of a special tax within the CFD. A resolution meeting that requirement of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Incur a Bonded Indebtedness in and for the California Municipal Finance Authority Community Facilities District No. 2026-12 (County of Sacramento – Morvai South) Improvement Area No. 1 and Improvement Area No. 2 to Finance the Acquisition and Construction of Certain Public Facilities (the “Resolution of Intention to Incur Bonded Indebtedness”).

The Project:

Beazer Homes is in the process of developing the Morvai South project in Sacramento County. The development includes adjacent properties, which are being included with CFD 2026-12 as two separate improvement areas. Two improvement areas are being formed now with no future annexation area. The developments within the two improvement areas are summarized below:

Improvement Area No. 1:

The property within Improvement Area No. 1 will include 70 single family homes being developed on 13.4 acres. There will be 5 plan types, with home sizes ranging from 1,935 square feet to 3,200 square feet. Home prices are projected between \$667,689 for the smallest models, up to \$1,093,676 for the largest models.

Grading is complete and utilities have been installed. Beazer Homes expects to pull its first building permits shortly, with home closings expected in July 2026.

Improvement Area No. 2:

The property within Improvement Area No. 2 will include 102 single family homes being developed on 23.56 gross acres. There will be 6 plan types, with home sizes ranging from 2,334 square feet up to 3,500 square feet, and home prices ranging from \$732,789 to \$873,839. Bonds for Improvement Area No. 2 will be issued after bonds issued for Improvement Area No. 1, with the expectation that bonds will be issued in 2027.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed \$27,800,000 (\$7,300,000 for Improvement Area No. 1 and \$20,500,000 for Improvement Area No. 2) on behalf of the CFD and all improvement areas therein.

Future Action:

Under the Act, at a future meeting of the CMFA Board of Directors, the Board of Directors will need to hold a public hearing and adopt additional resolutions formally creating the CFD, authorizing the incurrence of bonded indebtedness for the CFD, levying the special tax within the CFD, and certain other related matters. Each Improvement Area will likely be pooled with other similar sized CFDs and sold as a combined financing. Depending on development status, Improvement Area No. 1 may be included in a pool as early as late 2026. Improvement Area No. 2 will likely be included in a future financing as early as Spring 2027.

Authorized Facilities:

The California Municipal Finance Authority Community Facilities District No. 2026-12 (County of Sacramento – Morvai South), including Improvement Area No. 1 and Improvement Area No. 2 therein (collectively, the “CFD”) is authorized to finance all or a portion of the costs of the purchase, modification, expansion, rehabilitation, acquisition, construction, and improvement of facilities permitted under the Mello-Roos Community Facilities Act of 1982 (“Act”) and that are provided in connection with the development of the property located in the CFD, including, but not limited to, those described below.

Facilities:

The CFD is authorized to finance the purchase, construction, expansion, improvement, or rehabilitation of any real or other tangible property with an estimated useful life of five years or longer, together with the planning and design work that is directly related to the purchase, construction, expansion, or rehabilitation of any real or tangible property, including, but not be limited to, transportation facilities, water, sewer and storm drain facilities, parks, parkways, and open space.

Authorized facilities include any facilities authorized by the Act that are financed in whole or in part by development impact fees and/or mitigation payments levied or collected in connection with development of the property, whether by the County of Sacramento (“County”) or any other local agency. By way of example and not limitation, authorized facilities include, but are not limited to, facilities authorized by the Act to be funded by the following:

- DOT Development Fee – SCTDF
- North Vineyard Station Fee – Roadway
- Sacramento Area Sewer District (SASD) Treatment Fee
- Sacramento Area Sewer District (SASD) Collection Fee

Authorized facilities also include Formation, Administrative, and other Incidental Expenses as authorized by the Mello-Roos Act.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors adopt the Resolution of Intention to Form CFD and the Resolution of Intention to Incur Bonded Indebtedness in an amount not to exceed \$27,800,000.

LUNARIA COMMUNITY FACILITIES DISTRICT SUMMARY AND RECOMMENDATIONS

Applicant: D.R. Horton, Inc.

Amount: \$ 11,600,000

Action: Approval

Purpose: Approve Resolution of Intention to Form CMFA Community Facilities District No. 2026-14 (City of Hanford – Lunaria) Improvement Area No. 1 and Future Annexation Area, and Approve Resolution of Intention to Incur Bonded Indebtedness

Activity: BOLD/ Community Facilities District

Meeting: April 17, 2026

Background and Resolutions:

The CMFA’s BOLD Program (“BOLD”) utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the “Act”) to raise revenues for the infrastructure needs of local agencies in California. The City of Hanford (the “City”) is a member of the CMFA and a participant in BOLD. D.R. Horton, Inc. (the “Developer”) has submitted an application to the CMFA to use BOLD in relation to the Developer’s proposed development of certain property located in the City. The CMFA and the City have accepted such application.

The applicant has requested formation of a community facilities district which will facilitate the future issuance of bonds by the CMFA under the program. Proceeds of bonds will primarily be used to finance public infrastructure facilities to be owned by the City.

As an initial step in using BOLD for the financing, the CMFA needs to form a community facilities district. The proposed community facilities district will be called California Municipal Finance Authority Community Facilities District No. 2026-14, (City of Hanford - Lunaria) Improvement Area No. 1 and Future Annexation Area (the “CFD”).

Under the Act, it is a requirement that the CMFA, as the entity forming the CFD, adopt a resolution stating its intention to form the CFD, stating the types of public facilities to be financed on behalf of the CFD, setting forth the rate and method of apportionment of a proposed special tax to be

levied in the CFD, and establishing the boundary. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Establish California Municipal Finance Authority Community Facilities District No. 2026-14 (City of Hanford – Lunaria) Improvement Area No. 1 and Future Annexation Area, and to Levy a Special Tax to Finance the Acquisition and Construction of Certain Public Facilities in and for such Community Facilities District (the “Resolution of Intention to Form CFD”).

It is also a requirement under the Act that the CMFA, as the entity forming the CFD, adopt a resolution stating its intention to issue bonds payable from the levy of a special tax within the CFD. A resolution meeting that requirement of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Incur a Bonded Indebtedness in and for the California Municipal Finance Authority Community Facilities District No. 2026-14 (City of Hanford – Lunaria) Improvement Area No. 1 and Future Annexation Area to Finance the Acquisition and Construction of Certain Public Facilities (the “Resolution of Intention to Incur Bonded Indebtedness”).

The Project:

D.R. Horton, Inc. is constructing the Lunaria project in Hanford, which at buildout is projected to consist of a total of 457 homes on 59.86 net acres. The project is being developed in three phases. The first Improvement Area is for 107 single family homes. The second phase, Improvement Area No. 2, is projected for 216 homes, while the third phase, Improvement Area No. 3, is projected for 134 homes. Improvement Area No. 2 and Improvement Area No. 3 are in the future annexation area and will be annexed into the district at a later time. Improvement Area No. 1 is being formed at this time.

Improvement Area No. 1 will include 107 homes. Homes will range in size from 1,378 square feet to 1,842 square feet, and will be priced from \$359,990 to \$394,990.

Grading for Improvement Area No. 1 commenced in the spring of 2025, and as of the time of the application (January) backbone infrastructure was 95% complete. Permits are being pulled now and the first home sales are projected for this spring. Depending on the pace of development, a bond issuance for Improvement Area No. 1 will occur in the fall of 2026.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed \$11,600,000 (\$2,700,000 for Improvement Area No. 1 and \$8,900,000 for the Future Annexation Area) on behalf of the CFD and all improvement areas therein.

Future Action:

Under the Act, at a future meeting of the CMFA Board of Directors, the Board of Directors will need to hold a public hearing and adopt additional resolutions formally creating the CFD, authorizing the incurrence of bonded indebtedness for the CFD, levying the special tax within the CFD, and certain other related matters. Lunaria CFD will likely be pooled with other small CFDs and sold as a combined financing. Depending on development status, this CFD may be included in a pool as early as late 2026.

Authorized Facilities:

The California Municipal Finance Authority Community Facilities District No. 2026-14 (City of Hanford – Lunaria) (the “CFD”) is authorized to finance all or a portion of the costs of the purchase, modification, expansion, rehabilitation, acquisition, construction, and improvement of facilities permitted under the Act and that are provided in connection with the development of the property located in the CFD, including, but not limited to, those described below.

Facilities:

The CFD is authorized to finance the purchase, construction, expansion, improvement, or rehabilitation of any real or other tangible property with an estimated useful life of five years or longer, together with the planning and design work that is directly related to the purchase, construction, expansion, or rehabilitation of any real or tangible property, including, but not be limited to, transportation facilities, water, sewer and storm drain facilities, parks, parkways, open space.

Fees Financing Public Improvements:

Authorized facilities include any facilities authorized by the Act that are financed in whole or in part by development impact fees and/or mitigation payments levied or collected in connection with development of the property, whether by the City, the County or any other local agency. By way of example and not limitation, authorized facilities include, but are not limited to, facilities authorized by the Act to be funded by the following:

City of Hanford:

- Fire Fee
- Police Fee
- Water Impact Fee
- Wastewater Impact Fee
- Storm Drainage Fee
- Refuse Impact Fee
- Circulation Fee

Other Local Agencies:

- Hanford Elementary School District Fee
- Hanford Joint Union High School District Fee

Authorized facilities also include Formation, Administrative, and other Incidental Expenses as authorized by the Mello-Roos Act.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors adopt the Resolution of Intention to Form CFD and the Resolution of Intention to Incur Bonded Indebtedness in an amount not to exceed \$11,600,000.

EVE AT FOUNDERS POINT COMMUNITY FACILITIES DISTRICT SUMMARY AND RECOMMENDATIONS

Applicant: D.R. Horton Bay, Inc.

Amount: \$8,900,000

Action: Approval

Purpose: Approve Resolution of Intention to Form CMFA Community Facilities District No. 2026-19 (City of Modesto – Eve at Founders Point), and Approve Resolution of Intention to Incur Bonded Indebtedness

Activity: BOLD/ Community Facilities District

Meeting: April 17, 2026

Background and Resolutions:

The CMFA’s BOLD Program (“BOLD”) utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the “Act”) to raise revenues for the infrastructure needs of local agencies in California. The City of Modesto (the “City”) is a member of the CMFA and a participant in BOLD. D.R. Horton Bay, Inc. (the “Developer”) has submitted an application to the CMFA to use BOLD in relation to the Developer’s proposed development of certain property located in the City. The CMFA and the City have accepted such application.

The applicant has requested formation of a community facilities district which will facilitate the future issuance of bonds by the CMFA under the program. Proceeds of bonds will primarily be used to finance public infrastructure facilities to be owned by the City.

As an initial step in using BOLD for the financing, the CMFA needs to form a community facilities district. The proposed community facilities district will be called California Municipal Finance Authority Community Facilities District No. 2026-19, (City of Modesto - Eve at Founders Point) (the “CFD”).

Under the Act, it is a requirement that the CMFA, as the entity forming the CFD, adopt a resolution stating its intention to form the CFD, stating the types of public facilities to be financed on behalf of the CFD, setting forth the rate and method of apportionment of a proposed special tax to be levied in the CFD, and establishing the boundary. A resolution meeting the requirements of the Act

is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Establish California Municipal Finance Authority Community Facilities District No. 2026-19 (City of Modesto – Eve at Founders Point), and to Levy a Special Tax to Finance the Acquisition and Construction of Certain Public Facilities in and for such Community Facilities District (the “Resolution of Intention to Form CFD”).

It is also a requirement under the Act that the CMFA, as the entity forming the CFD, adopt a resolution stating its intention to issue bonds payable from the levy of a special tax within the CFD. A resolution meeting that requirement of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring its Intention to Incur a Bonded Indebtedness in and for the California Municipal Finance Authority Community Facilities District No. 2026-19 (City of Modesto – Eve at Founders Point) to Finance the Acquisition and Construction of Certain Public Facilities (the “Resolution of Intention to Incur Bonded Indebtedness”).

The Project:

D.R. Horton Bay, Inc. is developing the second phase of its Founders Point project, which will include 138 single family homes within the City of Modesto.

The Developer plans to construct several home plans at various square footages and price points. A preliminary estimate of the Developer’s home plan assumptions, unit counts, square footages, and preliminary sales price estimates is seen below:

Plan Name	Muir	Palisade	Rockaway	Montara	Total/Avg.
Unit Mix	13	13	55	57	138
Size	1,582	1,858	2,098	2,311	2,115
Estimated Sales Price	\$558,970	\$593,212	\$627,453	\$640,236	\$623,056

Grading for the Founders Point project began in the summer of 2025, and backbone infrastructure is substantially complete. Building permits for models have been pulled and construction is underway. D.R. Horton Bay, Inc. expects the first home sales in May 2026, with the first closings in late summer.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed \$8,900,000 on behalf of the CFD and all improvement areas therein.

Future Action:

Under the Act, at a future meeting of the CMFA Board of Directors, the Board of Directors will need to hold a public hearing and adopt additional resolutions formally creating the CFD, authorizing the incurrence of bonded indebtedness for the CFD, levying the special tax within the CFD, and certain other related matters. The Eve at Founders Point CFD will likely be pooled with other small CFDs, and sold as a combined financing. Depending on development status, this CFD may be included in a pool as early as late 2026.

Authorized Facilities:

The California Municipal Finance Authority Community Facilities District No. 2026-19 (City of Modesto – Eve at Founders Point) (the “CFD”) is authorized to finance all or a portion of the costs of the purchase, modification, expansion, rehabilitation, acquisition, construction, and improvement of facilities permitted under the Mello-Roos Community Facilities Act of 1982 (“Act”) and that are provided in connection with the development of the property located in the CFD, including, but not limited to, those described below.

Facilities:

The CFD is authorized to finance the purchase, construction, expansion, improvement, or rehabilitation of any real or other tangible property with an estimated useful life of five years or longer, together with the planning and design work that is directly related to the purchase, construction, expansion, or rehabilitation of any real or tangible property (collectively, the “Facilities”), including, but not be limited to, transportation facilities, water, sewer and storm drain facilities, parks, parkways, and open space.

Fees Financing Public Improvements:

Authorized facilities include any facilities authorized by the Act that are financed in whole or in part by development impact fees and/or mitigation payments levied or collected in connection with development of the property, whether by the City, Stanislaus County or any other local agency. By way of example and not limitation, authorized facilities include, but are not limited to, facilities authorized by the Act to be funded by the following:

City of Modesto:

- Capital Facilities Fee
- Water Connection Fee
- Water Installation Fee
- Sewer Fee
- One Time Special Tax (City CFD 2021-1)
-

Authorized facilities also include Formation, Administrative, and other Incidental Expenses as authorized by the Mello-Roos Act.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors adopt the Resolution of Intention to Form CFD and the Resolution of Intention to Incur Bonded Indebtedness in an amount not to exceed \$8,900,000.

RIVER'S EDGE COMMUNITY FACILITIES DISTRICT SUMMARY AND RECOMMENDATIONS

Applicant: LGI Homes California, LLC

Amount: \$2,800,000

Action: Approval

Purpose: Approve Resolutions Forming CMFA Community Facilities District No. 2026-6 (City of Riverbank – River’s Edge), Authorizing Incurrence of Bonded Indebtedness, Holding Special Landowner Election, and Introducing the Ordinance

Activity: BOLD/ Community Facilities District

Meeting: April 17, 2026

Background and Resolutions:

The CMFA’s BOLD Program (“BOLD”) utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the “Act”) to raise revenues for the infrastructure needs of local agencies in California. The City of Riverbank (the “City”) is a member of the CMFA and a participant in BOLD. LGI Homes California, LLC (the “Developer”) previously submitted an application to the CMFA to use BOLD in relation to the Developer’s proposed development of certain property located in the City. The CMFA and the City previously accepted such application, and on March 13, 2026, the Board of Directors of the CMFA took the initial steps toward formation of a community facilities district for the project under the Act. The resolutions being considered by the Board on April 17, 2026 will complete the formation of the community facilities district and authorize the levying of special taxes and incurrence of bonded indebtedness for the community facilities district.

As an initial step in using BOLD for the financing of public infrastructure to be owned by a local agency such as the City, the CMFA needs to form a community facilities district. On March 13, 2026, the CMFA adopted a resolution stating its intention to form a proposed community facilities district (the “Resolution of Intention to Form CFD”) to be called California Municipal Finance Authority Community Facilities District No. 2026-6 (City of Riverbank – River’s Edge) (the “CFD”), and a resolution stating its intention to incur bonded indebtedness for such CFD (the “Resolution of Intention to Incur Bonded Indebtedness”).

Under the Act, the process of completing the formation of the CFD requires a noticed public hearing, the adoption of a resolution forming the CFD, the holding of a landowner election, and the adoption of an ordinance levying the special taxes. To form the CFD, the Board of Directors of the CMFA will first hold a public hearing on the formation of the CFD and the incurrence of bonded indebtedness for the CFD and consider any public comments received. After such public hearing, if there is no majority protest received, the Board of Directors of the CMFA can then proceed to adopt the resolution of formation for the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Forming California Municipal Finance Authority Community Facilities District No. 2026-6 (City of Riverbank – River’s Edge).

Next, the Board of Directors of the CMFA can adopt a resolution authorizing the issuance of debt for the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Determining Necessity to Incur Bonded Indebtedness and Other Debt in and for California Municipal Finance Authority Community Facilities District No. 2026-6 (City of Riverbank – River’s Edge) (the “Resolution Determining Necessity”).

After adoption of the Resolution Determining Necessity, the Board of Directors of the CMFA can proceed to adopt a resolution calling for a special landowner election of the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Calling Special Election in and for California Municipal Finance Authority Community Facilities District No. 2026-6 (City of Riverbank – River’s Edge) (the “Resolution Calling Election”). The election is allowed to be held as part of this meeting since timing waivers from 100% of the landowner voters have been received by the CMFA. The Secretary will canvass the results of the landowner election. These ballots have already been received by the Secretary.

The Board of Directors of the CMFA can then proceed to adopt a resolution declaring the results of the landowner election for the CFD and directing filing of the Notice of the Special Tax Lien with the County Recorder for Stanislaus County. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring Results of Special Election and Directing Recording of Notice of Special Tax Lien in California Municipal Finance Authority Community Facilities District No. 2026-6 (City of Riverbank – River’s Edge) (the “Resolution Declaring Election Results”). The special tax lien puts the rate and method of apportionment on record for all parcels within the applicable Community Facilities District.

The final legislative act is the introduction of an ordinance levying special taxes on the land in the CFD. Assuming its introduction on April 17, 2026, the ordinance can be finally adopted at a subsequent Board meeting.

The Project:

The River’s Edge project is a 36-unit project being developed by LGI Homes on 7.2 net acres within the City of Riverbank. There are three product lines for the River’s Edge project: Avila (12 units), Baker (12 units) and Eureka (12 units). Square footages range from 1,104 square feet to 1,708 square feet, with prices ranging from \$518,900 to \$580,900.

All lots are finished in each project. LGI recently began construction of homes and expects home sales in April of 2026.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed \$2,800,000 on behalf of the CFD and all improvement areas therein.

Future Action:

The Ordinance Levying Special Taxes will need to be finally adopted at a future meeting of the Board of Directors. The River's Edge CFD will be pooled with other similar sized CFDs and sold in late 2026.

Authorized Facilities:

The California Municipal Finance Authority Community Facilities District No. 2026-6 (City of Riverbank – River's Edge) (the "CFD") is authorized to finance all or a portion of the costs of the purchase, modification, expansion, rehabilitation, acquisition, construction, and improvement of facilities permitted under the Mello-Roos Community Facilities Act of 1982 ("Act") and that are provided in connection with the development of the property located in the CFD, including, but not limited to, those described below

Facilities:

The CFD is authorized to finance the purchase, construction, expansion, improvement, or rehabilitation of any real or other tangible property with an estimated useful life of five years or longer, together with the planning and design work that is directly related to the purchase, construction, expansion, or rehabilitation of any real or tangible property (collectively, the "Facilities"), including, but not be limited to, transportation facilities, water, sewer and storm drain facilities, parks, parkways, and open space.

Fees Financing Public Improvements:

Authorized facilities include any facilities authorized by the Act that are financed in whole or in part by development impact fees and/or mitigation payments levied or collected in connection with development of the property, whether by the City, Stanislaus County or any other local agency. By way of example and not limitation, authorized facilities include, but are not limited to, facilities authorized by the Act to be funded by the following:

City of Riverbank:

- Traffic Impact Fees
- Storm Drainage Impact Fees
- Water Impact Fees
- Sewer Impact Fees

Authorized facilities also include Formation, Administrative, and other Incidental Expenses as authorized by the Mello-Roos Act.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors adopt the Resolution of Formation, the Resolution Determining Necessity to Incur Bonded Indebtedness in an amount not to exceed \$2,800,000, the Resolution Calling Election, the Resolution Declaring Election Results, and Introduce the Ordinance.

The Onyx Vistas project is a 42-unit project being developed by Legacy Homes on 37.4 net acres within the City of Victorville. There are five different product lines for the Onyx Vistas project, with square footages ranging from 1,669 to 2,620 square feet and prices ranging from \$498,990 to \$565,990.

All lots are finished in each project. Legacy Homes began construction of homes in December 2025 and expects first closings to occur in the summer of 2026.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed \$6,880,000 on behalf of the CFD and all improvement areas therein.

Future Action:

The Ordinance Levying Special Taxes will need to be finally adopted at a future meeting of the Board of Directors. The Onyx Vistas CFD will be sold as a pooled financing with other similar sized CFDs and sold in late 2026.

Authorized Facilities:

The California Municipal Finance Authority Community Facilities District No. 2026-8 (City of Victorville – Onyx Vistas) (the “CFD”) is authorized to finance all or a portion of the costs of the purchase, modification, expansion, rehabilitation, acquisition, construction, and improvement of facilities permitted under the Mello-Roos Community Facilities Act of 1982 (“Act”) and that are provided in connection with the development of the property located in the CFD, including, but not limited to, those described below.

Facilities:

The CFD is authorized to finance the purchase, construction, expansion, improvement, or rehabilitation of any real or other tangible property with an estimated useful life of five years or longer, together with the planning and design work that is directly related to the purchase, construction, expansion, or rehabilitation of any real or tangible property (collectively, the “Facilities”), including, but not be limited to, transportation facilities, water, sewer and storm drain facilities, parks, parkways, and open space.

Fees Financing Public Improvements:

Authorized facilities include any facilities authorized by the Act that are financed in whole or in part by development impact fees and/or mitigation payments levied or collected in connection with development of the property, whether by the City, San Bernardino County or any other local agency. By way of example and not limitation, authorized facilities include, but are not limited to, facilities authorized by the Act to be funded by the following:

City of Victorville:

- Parks and Recreation Fees
- Fire Protection Fees
- Police Facilities Fees
- Libraries Fees
- Road Improvement Fees
- Water System Capacity Fees
- Sewer Capacity Fees

Authorized facilities also include Formation, Administrative, and other Incidental Expenses as authorized by the Mello-Roos Act.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors adopt the Resolution of Formation, the Resolution Determining Necessity to Incur Bonded Indebtedness in an amount not to exceed \$6,880,000, the Resolution Calling Election, the Resolution Declaring Election Results, and Introduce the Ordinance.

HIGHLAND RIDGE COMMUNITY FACILITIES DISTRICT SUMMARY AND RECOMMENDATIONS

Applicant: City Ventures

Amount: \$5,400,000

Action: Approval

Purpose: Approve Resolutions Forming CMFA Community Facilities District No. 2026-9 (City of San Bruno – Highland Ridge) Authorizing Incurrence of Bonded Indebtedness, Holding Special Landowner Election, and Introducing the Ordinance

Activity: BOLD/ Community Facilities District

Meeting: April 17, 2026

Background and Resolutions:

The CMFA’s BOLD Program (“BOLD”) utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the “Act”) to raise revenues for the infrastructure needs of local agencies in California. The City of San Bruno (the “City”) is a member of the CMFA and a participant in BOLD. City Ventures (the “Developer”) previously submitted an application to the CMFA to use BOLD in relation to the Developer’s proposed development of certain property located in the City. The CMFA and the City previously accepted such application, and on March 13, 2026, the Board of Directors of the CMFA took the initial steps toward formation of a community facilities district for the project under the Act. The resolutions being considered by the Board on April 17, 2026 will complete the formation of the community facilities district and authorize the levying of special taxes and incurrence of bonded indebtedness for the community facilities district.

As an initial step in using BOLD for the financing of public infrastructure to be owned by a local agency such as the City, the CMFA needs to form a community facilities district. On March 13, the CMFA adopted a resolution stating its intention to form a proposed community facilities district (the “Resolution of Intention to Form CFD”) to be called California Municipal Finance Authority Community Facilities No. 2026-9 (City of San Bruno – Highland Ridge), and a resolution stating its intention to incur bonded indebtedness for such CFD (the “Resolution of Intention to Incur Bonded Indebtedness”).

Under the Act, the process of completing the formation of the CFD requires a noticed public hearing, the adoption of a resolution forming the CFD, the holding of a landowner election, and the adoption of an ordinance levying the special taxes. To form the CFD, the Board of Directors of the CMFA will first hold a public hearing on the formation of the CFD and the incurrence of bonded indebtedness for the CFD and consider any public comments received. After such public hearing, if there is no majority protest received, the Board of Directors of the CMFA can then proceed to adopt the resolution of formation for the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Forming California Municipal Finance Authority Community Facilities District No. 2026-9 (City of San Bruno – Highland Ridge).

Next, the Board of Directors of the CMFA can adopt a resolution authorizing the issuance of debt for the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Determining Necessity to Incur Bonded Indebtedness and Other Debt in and for California Municipal Finance Authority Community Facilities District No. 2026-9 (City of San Bruno – Highland Ridge) (the “Resolution Determining Necessity”).

After adoption of the Resolution Determining Necessity, the Board of Directors of the CMFA can proceed to adopt a resolution calling for a special landowner election of the CFD. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Calling Special Election in and for California Municipal Finance Authority Community Facilities District No. 2026-9 (City of San Bruno – Highland Ridge) (the “Resolution Calling Election”). The election is allowed to be held as part of this meeting since timing waivers from 100% of the landowner voters have been received by the CMFA. The Secretary will canvass the results of the landowner election. These ballots have already been received by the Secretary.

The Board of Directors of the CMFA can then proceed to adopt a resolution declaring the results of the landowner election for the CFD and directing filing of the Notice of the Special Tax Lien with the County Recorder for San Mateo County. A resolution meeting the requirements of the Act is presented at this meeting in the form of a Resolution of the Board of Directors of the California Municipal Finance Authority Declaring Results of Special Election and Directing Recording of Notice of Special Tax Lien in California Municipal Finance Authority Community Facilities District No. 2026-9 (City of San Bruno – Highland Ridge) (the “Resolution Declaring Election Results”). The special tax lien puts the rate and method of apportionment on record for all parcels within the applicable Community Facilities District.

The final legislative act is the introduction of an ordinance levying special taxes on the land in the CFD. Assuming its introduction on April 17, 2026, the ordinance can be finally adopted at a subsequent Board meeting.

The Project:

The Highland Ridge project is a 58-unit condominium project being developed by City Ventures in the City of San Bruno. Of the 58 units, 44 will be taxable and the remaining 14 will be affordable units. The 44 taxable units will be spread across eight 3-story buildings on a 3.28-acre site. There are three different plan types, with square footages ranging from 1,491 to 1,534 square feet. Home prices will range from \$1,249,000 to \$1,302,409.

City Ventures received entitlements for the project in May 2024. They began site development in May 2025 and are under construction of two buildings, with the first condo closing scheduled for September 2026.

In order to finance the costs of the Facilities it is necessary to incur bonded indebtedness and other debt (as defined in the Act) in one or more series in the aggregate amount not to exceed \$5,400,000 on behalf of the CFD and all improvement areas therein.

Future Action:

The Ordinance Levying Special Taxes will need to be finally adopted at a future meeting of the Board of Directors. The Highland Ridge CFD transaction will be pooled with other similar sized CFDs and sold in late 2026.

Authorized Facilities:

The California Municipal Finance Authority Community Facilities District No. 2026-9 (City of San Bruno – Highland Ridge) (the “CFD”) is authorized to finance all or a portion of the costs of the purchase, modification, expansion, rehabilitation, acquisition, construction, and improvement of facilities permitted under the Mello-Roos Community Facilities Act of 1982 (“Act”) and that are provided in connection with the development of the property located in the CFD, including, but not limited to, those described below.

Facilities:

The CFD is authorized to finance the purchase, construction, expansion, improvement, or rehabilitation of any real or other tangible property with an estimated useful life of five years or longer, together with the planning and design work that is directly related to the purchase, construction, expansion, or rehabilitation of any real or tangible property (collectively, the “Facilities”), including, but not be limited to, transportation facilities, water, sewer and storm drain facilities, parks, parkways, and open space.

Fees Financing Public Improvements:

Authorized facilities include any facilities authorized by the Act that are financed in whole or in part by development impact fees and/or mitigation payments levied or collected in connection with development of the property, whether by the City, San Mateo County or any other local agency. By way of example and not limitation, authorized facilities include, but are not limited to, facilities authorized by the Act to be funded by the following:

City of San Bruno:

- Community Impact Fees
- Public Safety Impact Fees
- General Government Impact Fees
- Transportation Impact Fees
- Utilities Impact Fees
- Sewer Impact Fees
- Water Services Fees

Authorized facilities also include Formation, Administrative, and other Incidental Expenses as authorized by the Mello-Roos Act.

Recommendation:

The Executive Director recommends that the CMFA Board of Directors adopt the Resolution of Formation, the Resolution Determining Necessity to Incur Bonded Indebtedness in an amount not to exceed \$5,400,000, the Resolution Calling Election, the Resolution Declaring Election Results, and Introduce the Ordinance.

BOLD SERIES 2026 HIDDEN HILLS SUMMARY AND RECOMMENDATIONS

Amount: \$15,930,000

Action: Approve Resolution Authorizing the Issuance of California Municipal Finance Authority CFD No. 2024-11 (City of Lincoln – Hidden Hills) Special Tax Revenue Bonds, Series 2026, Related Issuance and Purchase of Special Tax Bonds for and on Behalf of CMFA Community Facilities District (“District” or “CFD”), Along With All Related Documents

Purpose: Issuing Bonds to finance infrastructure, Including Funding Impact Fees, within CFD No. 2024-11 (City of Lincoln – Hidden Hills)

Activity: BOLD/ Community Facilities District

Meeting: April 17, 2026

Background:

The CMFA’s BOLD Program (“BOLD”) utilizes the Mello-Roos Community Facilities Act of 1982 (California Government Code Section 53311 et seq.) (the “Act”) to raise revenues for the infrastructure needs of local agencies in California. A developer within the City of Lincoln, as a member of the CMFA, has submitted an application to participate in the BOLD program, and the member has held the required public hearings and made the required findings under applicable law related to the issuance by the CMFA of revenue bonds under the Marks-Roos Local Bond Pooling Act of 1985. In addition, the CMFA has taken all actions necessary to form the District and is now looking to issue bonds on a standalone basis to fund the facilities within the District.

The CMFA will issue California Municipal Finance Authority CFD No. 2024-11 (City of Lincoln – Hidden Hills) Special Tax Revenue Bonds, Series 2026 (the “Bonds”). While the expected bond issuance is \$14,795,000, the not to exceed amount of the obligation shall not exceed \$15,930,000. No additional bonds, aside from refunding bonds, are authorized.

The District

The Hidden Hills CFD is located in the City of Lincoln in Placer County. The District is located within the City of Lincoln’s Village 1 Specific Plan, which includes a total of 1,832 acres. The Village 1 Specific Plan

is anticipated to provide a maximum of 5,610 dwelling units and 167,000 square feet of commercial and office space, with remaining land consisting of a golf course, park space, open space, and roadways. 12.1 acres will be dedicated for an elementary school within the Village 1 Specific Plan.

Land in the District is under development for 233 residential homes with typical lot sizes that range from 5,250 to 7,150 square feet. Century Communities is developing the lots into single-family homes across three product lines - Aspen, Madrone, and Laurels at Hidden Hills - which offer floor plans ranging in size from 1,671 to 3,674 square feet.

All 233 residential lots in the District are fully entitled with final maps recorded. All backbone infrastructure required to serve the land in the District has been completed. On-site improvements, landscaping, and in-tract street improvements are being completed as construction of production homes proceeds.

As of March 1, 2026, all lots were finished and the developer had pulled 77 building permits. Additionally, 35 homes were complete, with 4 homes closed to individual homeowners.

A summary of the status of construction in each neighborhood as of March 1, 2026 is set forth in the following tables:

Pricing and Model Information as of March 1, 2026

	Total Lots	Home Square Feet Range	Base Home Price Range ⁽¹⁾	Anticipated Build-Out
Aspen at Hidden Hills	71	2,641-3,674	\$809,990 - \$909,990	July 2028
Madrone at Hidden Hills	79	1,671-2,394	\$654,990 - \$689,990	Sept. 2028
Laurels at Hidden Hills	83	2,236-2,675	\$719,990 - \$764,990	Nov. 2028

The Appraisal sets forth the value of all taxable property in the District to be \$63,731,000 subject to the limiting conditions stated therein. The principal amount of the 2026 Bonds is \$14,795,000; there is no overlapping land-secured debt. Consequently, the estimated value of property in the District subject to the Special Tax lien is approximately 4.31 times the principal amount of the 2026 Bonds. Assuming bonds were issued to the not to exceed amount of \$15,930,000, the aggregate value to lien ratio would be 4 to 1.

Proximity to Titan Missile Site:

The District is located next to Titan Missile Site 851-A Historical landmark. The site was decommissioned in 1968.

In 1991, contamination was found in the groundwater on the Titan Missile Site, which led to several investigations by the U.S. Army Corp of Engineers. Over the years, various remedial tests have been performed, with efforts continuing under the U.S. government's Formerly Used Defense Sites (FUDS) program. In 2018, investigative work resumed, with the installation of monitoring wells and soil vapor probes to regularly assess contamination levels and collect new data.

The areas of concern are in natural drainage areas, all of which are outside of the District. If clean-up is required in the future, the U.S. Army Corp of Engineers would be responsible. According to information provided by the U.S. Army Corp of Engineers, current data shows there is no imminent risk to nearby residents and the groundwater in the area is not used as a water source.

Century Communities is disclosing the presence of the nearby Titan Missile Site to potential homebuyers in the District, but there are no restrictions in place regarding building permits, and no conditions of approval for the land in the District to develop that are tied to the Titan Missile Site.

Financing Documents:

The Resolution approves the forms of Indenture of Trust, Bond Purchase Agreement, Preliminary Official Statement, and Continuing Disclosure Certificate presented to the Board at the meeting, as well as related actions and documents. The principal documents being approved are summarized as follows:

- Indenture of Trust. The Indenture of Trust ("Indenture") is the legal document pursuant to which the California Municipal Finance Authority CFD No. 2024-11 (City of Lincoln – Hidden Hills) Special Tax Revenue Bonds, Series 2026 ("2026 Bonds") are issued by CMFA. The 2026 Bonds are payable from special taxes received from property within CFD 2024-11 (City of Lincoln – Hidden Hills). US Bank National Association will serve as trustee under the Indenture, and Goodwin Consulting Group will serve as special tax administrator, responsible for ensuring the special tax levy for the District is placed on the County property tax roll each year so that debt service and administrative costs can be paid each year. The Indenture contains typical provisions related to the 2026 Bonds, including as it relates to optional redemption and special mandatory redemption from special tax prepayments, and the establishment and administration of reserve accounts, project accounts and other accounts for the deposit of proceeds of the underlying special tax bonds.

Under the Indenture, a reserve fund will be established for the benefit of the holders of the 2026 Bonds. In the event of a delinquency in payment of special taxes by property owners within CFD 2024-11, amounts in the reserve account can be used to cover the shortfall.

In the Indenture, the CMFA covenants to bring a foreclosure action against delinquent property owners based on either an overall delinquency rate within the District (5%) or three payments. The first step in the foreclosure process would be having the CFD administrator (Goodwin Consulting) send out a written demand letter to the applicable owner(s). Amounts levied each year within CFD No. 2024-11 for administrative costs, as well as amounts set aside in the applicable reserve account, would be available to the CMFA to pay for the costs associated with any potential foreclosure proceeding.

- Bond Purchase Agreement. The Bond Purchase Agreement (“BPA”) is the legal document pursuant to which the 2026 Bonds are sold by the CMFA to Piper Sandler for further sale and distribution to ultimate purchasers. The BPA contains customary representations and warranties from the CMFA regarding the formation of CFD 2024-11 and the issuance of the 2026 Bonds. Forms of certificates of the Developer is also included.
- Preliminary Official Statement. The Preliminary Official Statement (“POS”) is the document pursuant to which material information is disclosed to potential purchasers of the 2026 Bonds. Once final pricing information is available for the 2026 Bonds, the POS will be turned into the Official Statement and distributed to actual purchasers of the 2026 Bonds. Among other things, the POS contains information regarding the 2026 Bonds, the Indenture, the CMFA, the trustee, the BOLD Program, and various potential risks associated with investing in the 2026 Bonds. Included in various appendices to the POS is additional detailed information regarding CFD 2024-11, the rate and method of apportionment, and an appraisal performed by Integra Realty Resources of the estimated market value of the land within the District.
- Continuing Disclosure Certificate. The form of Continuing Disclosure Certificate is included as Appendix E1 to the draft POS. The Continuing Disclosure Certificate is the document pursuant to which CMFA agrees to provide certain information to investors for the 2026 Bonds, via postings to the MSRB’s Electronic Municipal Market Access (“EMMA”) website. On an annual basis, the CMFA will need to supply its audited financial statements and information concerning the CFD as enumerated therein, including total assessed value, delinquency information, prepayment information, changes to any of the rate and method of apportionments for the CFD, and annual information required to be provided to the California Debt and Investment Advisory Commission (CDIAC) each year. In addition, in a timely manner, the CMFA will need to report on the occurrence of any listed event enumerated therein, including relating to delinquencies, draws on the reserve fund, and bankruptcy events. Goodwin Consulting will serve as dissemination agent for the 2026 Bonds, assisting the CMFA in meeting its requirements under the Continuing Disclosure Certificate.

Assuming the Board approves this financing, staff will work with the Bond finance team to determining the final Bond sizing, and the Preliminary Official Statement will be finalized and posted electronically for investors to review. Assuming the market remains stable, the Authority and Piper Sandler, the bond underwriter, will hold a pre-pricing call as early as the week of April 27, 2026 to review bond market conditions and the preliminary interest rates, after which, the Bonds will be sold. An authorized officer will then execute, on behalf of the Authority, a Bond Purchase Agreement with Piper Sandler, finalizing the bond interest rates and setting the delivery date, which is anticipated to occur the week of pricing.

Fiscal Impact:

None. The Special Tax Bonds are secured solely by the Special Taxes levied within the District. Costs of issuance are payable solely from Bond proceeds.

In accordance with Government Code 5852.1, the following information consists of estimates of certain costs and charges for the Bonds that have been provided by the underwriter, Piper Sandler & Co., which has been represented by such party to have been provided in good faith: (1) estimated true interest cost of the Bonds: 5.388%; (2) estimated finance charge of the Bonds (sum of all fees and charges paid to third parties): \$836,587.50; (3) estimated amount of proceeds of the Bonds received (net of finance charges, reserves and capitalized interest, if any): \$12,298,644.84; and (4) estimated total payment amount (sum

total of all payments to pay debt service on the Bonds plus the finance charge not paid with proceeds of the Bonds) calculated to the final maturity of the Bonds: \$32,056,949.23.

Mission:

Children of the Night is a privately funded non-profit organization established in 1979 and dedicated to rescuing America's children from the ravages of prostitution. The Children of the Night home is open to child prostitutes throughout the United States, and the Children of the Night hotline is ready and able to rescue these children 24 hours a day. We provide free taxi/airline transportation nationwide for America's child prostitutes who wish to escape prostitution and live in our home. Our hotline staff works closely with law enforcement to rescue children from vile, dominating pimps. Our home features an on-site school and college placement program. After youngsters complete our rigorous and comprehensive program of academic and life-skills education, caseworkers are available to provide ongoing case management to hundreds of graduates.

Previous Donation: Yes No 20,000 6/11/2021 List Date 4/17/2026

Mission:

Freedom Dogs is a nonprofit organization devoted to serving wounded members of the military who are being treated for post-traumatic stress disorder (PTSD), traumatic brain injury (TBI), and/or other physical impairments. Along with our trainers, our specialty service dogs provide both physical and emotional support, helping wounded warriors successfully make the challenging transition back to civilian life, or in some cases, return to active duty.

Working closely with the Marine Corps at Camp Pendleton in Southern California, our organization provides custom-trained dogs through two free programs: The Partner Program pairs a dog and trainer team with a warrior to complement rehabilitation and assist in the recovery process. If needed, the Partner for Life Program matches a dog with a warrior for life.

Impact:

A donation would assist the organization in the furtherance of their mission.

Mission:

HGH is one of the largest providers of supports and services in San Diego County, serving more than 3,200 infants, adolescents, and adults with developmental disabilities. At HGH, we believe that individuals thrive where they can direct their own lives in a setting that offers a more fulfilling lifestyle, provides individualized attention, increased opportunities for self-sufficiency, and encourages greater community integration and access.

In 2011, we assumed operations of an organization that brought progressive expertise in early childhood development, respite, and residential homes for children and adolescents, in particular for those requiring intense behavioral supports. HGH now provides a continuum of services for all ages: from Early Childhood Development serving infants and toddlers, Residential services for children, adolescents and adults, In-home Respite serving all ages, a Community Living Program, Counseling & Family Support Services and a variety of quality of life programs.

The mission of the Torlakson Whole Child Institute is to identify, develop, and serve as a catalyst to successfully scale innovative, whole-child and whole-community solutions to key challenges facing California public school students. Presently, the Institute’s main emphasis centers on supporting students, their families and educators at the middle school level. To fully realize a skilled and diverse building trades workforce in the years to come, successful outreach to middle schoolers will make a valuable impact in attracting new workers to the building industry. Additionally, for students to whom a four-year college education may not be the most appropriate or attainable option, the benefits of apprentice programs and subsequent union careers can be life-changing for themselves, their families and communities.

Mission:

The UpValley Family Centers provide guidance, support, and resources in the community, in the home and for the individual, so that everyone can achieve a better life.

The UpValley Family Centers are based in Calistoga and St. Helena in upper Napa County. We believe that healthy families are the foundation of a strong community. We provide strengths-based, culturally relevant services, and coordinate resources and activities that educate, develop skills and promote health and well-being.

The UpValley Family Centers use a family resource center model for serving our community. This prevention-oriented, collaborative model is endorsed by California Department of Social Services as a best practice for serving families and strengthening communities. We serve youth, adults and families in the communities of Calistoga, St. Helena and the surrounding areas of Deer Park, Angwin, Pope Valley, Lake Berryessa, Oakville, and Rutherford.

Veterans Legal Institute® (VLI) provides pro bono legal assistance to homeless, at risk, disabled and low income current and former service members to eradicate barriers to housing, healthcare, education, and employment and foster self-sufficiency.

Many current and former service members face true challenges transitioning into their civilian lives after their military service is over. A large portion of the challenges veterans face are legal in nature, from battling with the VA over compensation and pension claims to discharge upgrades to expungements of criminal convictions preventing them from gainful employment. To honor their service, VLI provides free legal services to low income veterans and military members in a number of critical areas which often result in real improvements in their lives. VLI is able to leverage its legal network who donate their services pro bono thereby providing exponential service hours to its clientele.
